

INTERIOR MALL VIEW

WORK TO BEGIN ON SHOPPING MALL

Construction will begin immediately on a small shopping mall at Lakehead University.

The contract calls for a 113 foot x 30 foot structure to house four small shoppes and a branch of the Canadian Imperial Bank of Commerce. The cost of the mall will be financed by mortgage money which will be repaid by rents received.

Scheduled for completion in September, the mall will be adjacent to the University Centre and will run parallel to the present main cafeteria. It will be built along an already-planned extension to the existing tunnel connecting the main university buildings. Architects are Fraser and Browne.

The mall will service an expected fall enrollment of 2700 full-time and 900 part-time students and more than 300 members of the academic and administrative staff. In particular, the mall will provide a much-needed service for the 590 students who will be housed in the new Residence Village this fall.

Tenants for the various stores will be announced in August. Indications are that they will include an apparel

shoppe, barber shoppe and a beauty shoppe.

Renovations to the main cafeteria have also been included in the contract. The Bookstore will take over the present cafeteria area this fall after the new cafeteria facilities become available in the University Centre Extension.

FRANK DYER RETIRES

The university's oldest administrative staff employee in terms of service, Frank Dyer will retire on June 30 after 19 years of service.

Mr. Dyer has been a member of the maintenance staff since 1950 when he joined the old Lakehead Technical Institute on Cumberland Street.

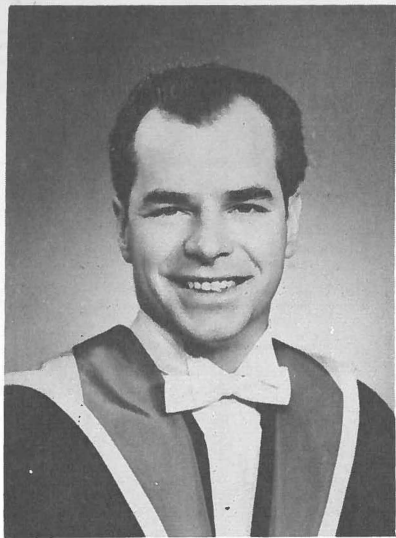

An informal ceremony attended by university personnel including Dr. Mel Bartley, retiring Chairman of the Board of Governors and President W. G. Tamblin took place on Friday, June 13 in the Board Room.

Mr. Dyer was presented with a set of luggage on behalf of the Board of Governors by Dr. Bartley who was principal of the Institute when Mr. Dyer was first employed. In addition, he also received a cheque presented by Dr. Tamblin on behalf of the University and a "heavy wallet" from university employees presented by Mr. Claude Smith, Director of Plant Operations.

An avid boatman, Frank Dyer plans to enjoy his retirement by boating in the summer months and "feet up to the fire in the winter". He likes to travel and visits his 87-year-old mother in Vancouver quite regularly.

DR. TAMBLIN, FRANK DYER, DR. BARTLEY

FELLOWSHIP WINNER

Armin Weber, a recent Lakehead University Honors B. A. graduate, has been awarded a \$2,000 graduate fellowship by the University of Saskatchewan, Saskatoon Campus, and an \$800 teaching assistantship in the History Department of that University.

In addition, Armin will receive a \$1,600 study grant from the Woodrow Wilson National Fellowship Foundation which awards financial support to graduate students in North America who plan a career in university teaching. He was among 83 Canadian University seniors on the foundation's Honorable Mention List.

Armin, a history major, graduated with a first class standing in his honors year at Lakehead. He and his wife Sara live on Mitchell Road, Port Arthur.

DOMINION DAY
HOLIDAY

The University will be
open on June 30, 1969
and closed on July 1 -
Dominion Day.

CAMPUS NOTES

Three members of the Lakehead University Arts Faculty Space Planning Committee, together with Director of Planning and Physical Plant, Mr. C. H. M. Smith, visited the University of Minnesota's Duluth campus on Thursday, June 12th.

The visit was designed to acquaint faculty members with innovations incorporated into the new humanities building there. Information gathered on the trip will be useful in the planning of the projected Arts building at Lakehead University. Dean of Arts, Tim Ryan, and Professors B. Greenhous and I. Davies accompanied Mr. Smith on the visit.

Mrs. Marlene Vibert, B.A., B.L.S. and Miss Vivian Nyssen, B.A., B.L.S., both recent graduates in Library Science from the University of Toronto, have joined the Lakehead University library staff as librarians. Mrs. Vibert, who was a full time library assistant at Lakehead University before attending the University of Toronto is now in the Acquisitions Department. Miss Nyssen is a member of the Reference Department.

Lakehead University will offer a combined baby-sitting and nursery school service to the children of Summer School students and staff beginning on July 2. Using the nursery school facilities of Confederation College, the Summer School is offering a novel "pay-as-you-use plan" whereby parents can leave their children in the nursery school for all or part of any morning depending on

their convenience.

It is hoped that this service will free parents, especially mothers, to take advantage of the Summer School and also will provide the children with a nursery school experience which will prepare them for the adjustment to regular day school.

* * * * *

Spaghetti and meatballs just didn't rate at the Italian 1a6 class "end of exam" celebration on Thursday, June 16. Instead, the 11 students and their professor, Dr. A. Scholl, feasted on a luncheon of pancakes and strawberries!

The Italian summer school course was completed early to enable the students to undertake additional studies during the regular summer term.

Preparations for a Symposium on Language Learning at the Lakehead were discussed at a recent meeting at the University. The preparatory group, convened by the chairman of Lakehead University's Language Department David W. Lewis, included representatives of the Lakehead Board of Education, the Lakehead Roman Catholic Separate Schools Board and the University's Department of Languages.

The symposium, scheduled for November 14 and 15, 1969 is intended to strengthen the relations between the University's language department and teachers of languages (modern and classical) in the elementary and secondary schools of the Lakehead Area. All school principals and language teachers will be invited.
