The **LUSU Student Handbook** is published yearly by the Lakehead University Student Union as a service for members and the entire University community.

While much of the material in the Handbook is original, some information on specific topics has been taken from more comprehensive publications in the University, such as the University Calendar. It is possible that some of the information may no longer be accurate at the time of publishing and distribution. Please consult other sources if you are in doubt about any facts and figures printed in this book.

Terry Robinson

LUSU President

Hello-Hi students. I hope your summer was exciting and eventful and now you're ready for another school year or your first year at Lakehead University

As President of Lakehead University Student Union (LUSU), I am supposed to write this stuffy letter that no one cares to read anyway, so I'm going to make it more personable because that's the way I am. I am a third/fourth year Phys-ed student in an electric wheelchair who likes to be active and have a social life.

Now, some important info . . . As President one of my main duties is to be the primary spokesperson for LUSU in all internal and external relations. I represent the student body on various University Committees such as the Board of Governors, Labour Management, and Parking. However, I feel my most important duty is stressing your concerns and bringing you services. The only way I can do this is for you to bring your concerns and ideas forward to me or any of the Executive.

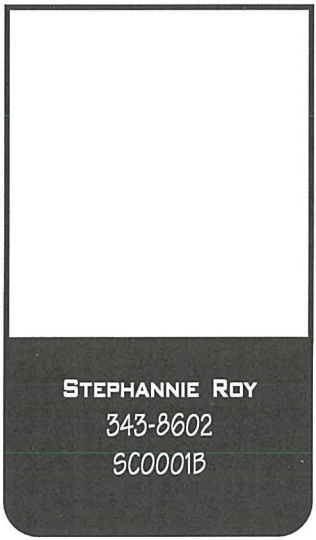

I wish you all the best in the 94-95 year and please feel free to drop by the LUSU offices to shoot the breeze. I apologize in advance for driving over anyone's feet in the OUTPOST...

Enjoy your year!!

LAKEHEAD UNIVERSITY
STUDENT UNION

Stephannie Roy

LUSU Vice-President Student Issues

I decided now after several drafts, that writing an address introducing myself to you is damned difficult. Actually I'm not sure why, since I consider myself to be an approachable person, who often has a lot to say. I guess I'm better at talking than writing. Which means if you really want to know about me or what I do, come down and see me in the LUSU office. But for the shy, or uninterested here's a not-as-eloquent introduction.

I'm a feminist who knits and bakes her own bread and who is still idealistic enough to push for fair treatment for everyone. I love university life (I'm starting my seventh year) and I think Lakehead is one of the best schools a person can go to. I love going to the movies, I hate writing pieces about myself for student handbooks, and I wish it was summer for longer.

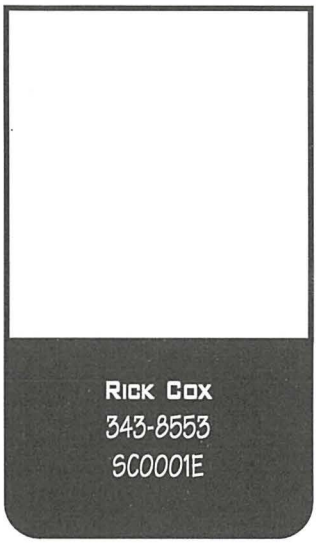

I'm committed to helping create a fair, fun, safe and diverse educational experience for **all** students. So, I want you to know that I'm available to hear your suggestions, criticisms and concerns, and to tell you about LUSU and the things we do down here in the basement. This year I'll lobby for your academic and other concerns on Senate, Senate committees, and various other working committees, and advocate on your behalf if you're having trouble with a professor, getting into a course or program, or if you're just plain getting the academic run around.

I'm also responsible for some fun stuff. I am currently planning a great week of events for Orientation, and am responsible for Winter Carnival as well. Also Dave (our Events Commissioner), Rick and I are planning all kinds of great special events like comedy nights, movies, bands, and theme nights in order to balance the academic with the social. Its always more fun if there's a crowd so watch for the ads and join the fun.

Now that I've introduced myself on paper, I hope to meet you in person, or see you at an event or committee. All the best, and have a great year!

Rick Cox

LUSU Vice-President Finance

uh... hullo? is anyone out there still??

kssh kssh ksssssh

uh.. is this mike on?? uh... ok... lets see now... oh yah.

mumblemumblemumblemumble

umm...

Can we talk? Those of you who are reading this are curious, I'm sure, as to what sort of people we LUSU Executive types are and why anyone would choose to spend a second year (yup, I'm back again) playing politician and bustling around in the basement, and why every year we write a short little bio that is meant to make us seem approachable and competent.

I'm still the same "5'9something, brown-eyed, brown-haired family man" that wrote those words last year, and I ran for re-election in February because I wanted a second chance at some of the things I didn't get right the first time, and because I felt the Student Union desperately needed some continuity. Over the next six months, I'll be attempting to develop some long-range planning for the Student Union, which means that I'll need your input about what Lakehead needs that the Student Union can take a crack at delivering. Anyway, keep in touch with what's going on in the Student Union and look for opportunities to have your say.

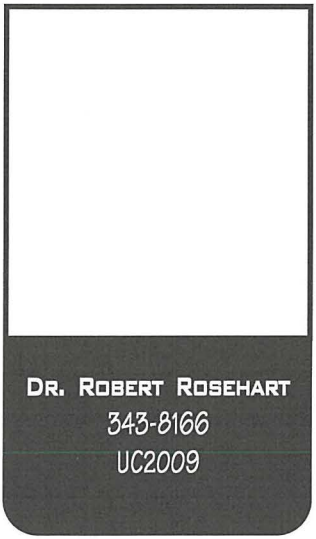

This year's handbook has been a product of a love/hate relationship with my computer, and I hope you find it useful, attractive and informative, and I hope it doesn't arrive too late to be practical. All I can say is that I've worked very hard to get it here, and I hope that you enjoy using it.

Enjoy your year, good luck with your academics, play safely, and think positive!!

See ya around.....

Dr. Robert Rosehart

Lakehead University President

DR. ROBERT ROSEHART
343-8166
UC2009

I want to take this opportunity to extend to you a sincere welcome to Lakehead University. As you are no doubt aware, Lakehead is among the smaller universities in Ontario, and this allows us to provide to you a unique environment for post-secondary learning. We are fortunate to a have a low student-faculty ratio, thus permitting the personal contact with professors that can be so important to students. Through its recent growth, Lakehead has maintained a reputation for a warm, caring attitude, and we hope that you will feel part of this community soon after you arrive.

A university education should not be limited to the classroom and, to that end, Lakehead tries hard to focus on what each individual needs in order to have a rounded and positive experience. You will have opportunities to develop not only your research and analytical skills, but also the chance to become involved in new social and recreational activities with the consequence that you will grow personally and academically.

Faculty and administrative staff at Lakehead recognize students as an important part of the community, and we continue to look for ways to enhance your undergraduate learning experience. Our objective is to ensure that the years you spend at Lakehead are fulfilling and productive, and if you, at any time, feel we are not living up to that objective I invite you to communicate your concerns to us through your Student Union, Student Services, the various administrative officers, or to myself. It is important that you feel a sense of partnership with the University and feel comfortable becoming involved in the activities that are an integral part of University life.

I would encourage you to take advantage of our unique location on the shores of Lake Superior and at the edge of the great Canadian Shield. The natural beauty of our immediate environment provides many opportunities for recreational activity that can be enjoyed with groups of other students by joining one of the many clubs organized through the Student Union. Likewise, as a University "in and for" the North, there are many opportunities to take the classroom to the "field", both in the physical sciences and the regional programmes. We take pride in our diversity of offerings and we hope our diversified student population will maximize the unusual nature of what we can contribute.

Campus life will introduce you to new acquaintances from a variety of origins: Native Canadians, students from other countries, and students

from all parts of Canada. We have an on-going Anti-Racism project aimed at increasing everyone's awareness of what is important, at the individual and system level, to make all students feel welcome in our University community. Lakehead is committed to providing a learning and working environment where all individuals feel content and free from expressions of intolerance. This commitment is reflected in our Code of Student Behaviour and Disciplinary Procedures, which by its very existence, reinforces our belief that every individual has the responsibility to assist in achieving his/her educational objectives.

The faculty and staff of Lakehead University strive to make this campus a pleasant and positive place for our students to enjoy. I welcome you to become part of our community, the larger community of Thunder Bay, and the region of Northwestern Ontario, taking your rightful place as a student of this University.

Geraldine White
Director of Student Services

GERALDINE WHITE
343-8149
UC2004B

Hello and welcome to all new and returning Lakehead University Students.

You have a short time in which to fit a lot of activities. It seems like April is a long way off, but the time will pass quickly. University education means not only academic learning, but also learning more about life, yourselves, socializing, drinking sensibly, people from other cultures, working independently, getting along with others, tolerance and so many more things. So little time for all of these.

We have tremendous people and services to guide you here at Lakehead. Within Student Services, free individual assistance is available with health concerns, financial aid, personal counselling, course content tutoring, health education, writing essays, career counselling, services to students with disabilities, study skills and non-denominational spiritual counselling.

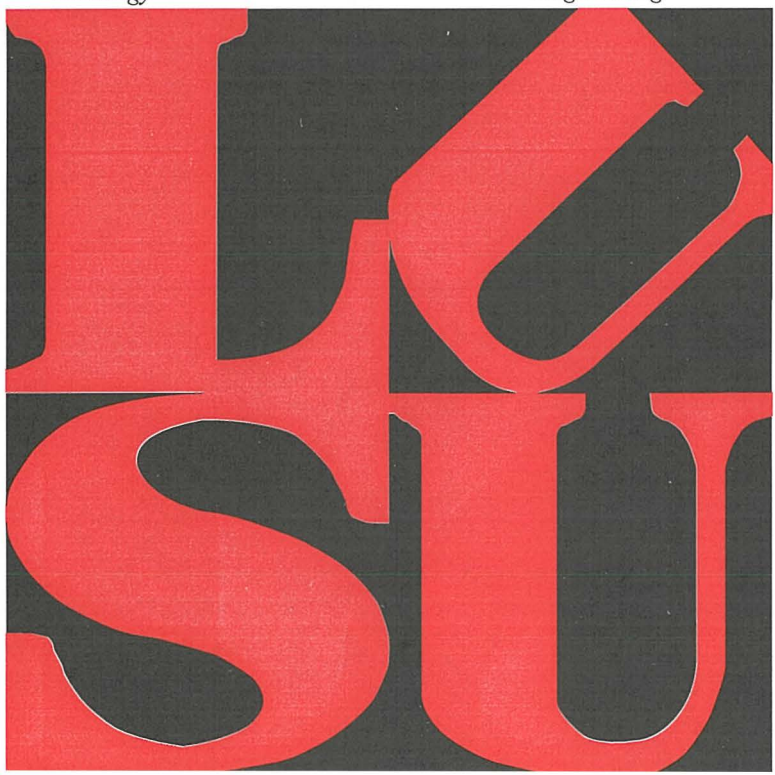

Many other areas of interest to students include anti-racism, gender issues, international students, personal harassment, indigenous learning, student employment, the many clubs of the Student Union and so on. These many services will be valuable to you only if you make the move to use them.

Remember to stay focussed on why you chose to get a university education, and enjoy the benefits of having chosen Lakehead.

External Student Organization Memberships

CFS, CFS-Services and CFS-Ontario

As a Lakehead student, you are a member of the **Canadian Federation of Students** (CFS), a national student organization dedicated to providing post-secondary students with the voice they deserve in the Federal Government's decision-making processes. CFS also has a services branch called **CFS-Services** which takes advantage of bulk-buying clout to provide low-cost products and services to members of CFS.

Lakehead students are also members of **CFS-Ontario** (CFS-O), which provides similar lobbying at the Provincial level.

CFS: What We Are All About

Canada's National Student Organization

CFS FCEE

CANADIAN FEDERATION OF STUDENTS
416-977-3703

The Canadian Federation of Students was founded in 1981 by post-secondary students who felt the need to defend their rights and interests. Today, the Federation represents 450,000 students at over 70 universities, colleges and technical institutes across Canada. Through the Federation, these students are working to create a universally accessible, high quality system of post-secondary education that recognizes the rights of students and the legitimacy of student representation.

Lobbying: Over the years, the Federation has become a strong presence on Parliament Hill and in the provincial legislatures. By using solid research and by working with groups supportive of the Federation's aims and objectives, the Federation has forcefully brought students' views on issues such as funding for post-secondary education and student aid to the attention of the government, the opposition and other decision-makers.

Research: Up-to-date, in-depth research by the Federation provides student associations with timely analysis of government policies and legislation. The research done by the Federation includes major documents such as ***Strategy For Change*** (on funding) and ***Compromising Access*** (on income contingent loan repayment plans) as well as fact sheets that constantly update recent developments on these and other issues. This research ensures that students are well informed when they take an active stand at the local level.

Campaigns: Campaigns are an integral part of the work of the Federation. Each spring, members of the Federation decide which issues should be addressed in national campaigns. These issues include legislation affecting post-secondary education, living conditions of students across the country, discrimination (racism, sexism and homophobia) on campuses, and many others.

Communications: Through publications such as the *Action Update*, an issues update for student associations, the *Student Advocate*, a national student newspaper, and the *Student Association Directory*, an annual publication that provides information about student associations in Canada, the Federation helps students exchange ideas and information on virtually everything, from how to run a successful campaign to what to include in a government brief. The Federation also operates a communications network, **CFSnet**, which links student associations and campus groups with each other, and the Federation offices.

Fieldwork: Contact with students and student associations at the local level is an important priority for the Federation. For this reason, we employ a nationwide staff of fieldworkers who bring organizational assistance and information to local student associations and campus groups, as well as updates from the Federation's offices.

International Relations: The Federation has recently expanded its international activities and is now a full voting member of the International Union of Students (IUS). As an IUS member, the Federation helps to defend and promote the rights and interests of students throughout the world.

The Federation also offers a wide range of programmes designed to help students widen their educational experience and save money:

Student Saver
The National Student Health Network
The Student Work Abroad Programme (SWAP)
The Canadian Programming Service (CPS)
Travel CUTS/Voyages Campus

The Athletic programme at Lakehead University is regarded as an essential element of the total education programme, and the Athletic Department provides a balanced programme of intercollegiate (varsity), club, campus recreation and community recreational activities.

Lakehead University participates in the Canadian Interuniversity Athletic Union (CIAU), and in the Ontario Universities' Athletic Association (men) and the Ontario Women's Interuniversity Athletic Association. Presently, four varsity programmes compete in the OUAA and OWIAA: men's basketball, women's basketball, women's volleyball, and wrestling. Club sports participating in the OUAA and OWIAA include indoor track and field, cross country running and Nordic Skiing. Many Lakehead faculty and students have competed nationally and internationally in a number of sports over the years and the University is committed to helping athletes achieve that competitive level.

Athletic Staff

Director	Dr. Ron Lappage
Coordinator	Stu Julius
Facility Supervisor	Bill Keelor
Pool Manager	Peter Dika
Secretary	Sharon Kozak

Club Sports

There are a number of CLUB SPORT PROGRAMMES on campus which participate at a competitive level in Thunder Bay, Manitoba, Northern United States, and to a limited extent, in the Ontario University leagues and championships. The majority of these clubs have their own executive, coaches and faculty advisors. Club sport programmes in operation this year include (men's and women's unless indicated):

Nordic Skiing	Indoor Soccer
Rugby	Cross Country Running
Track & Field	Hockey

Any students interested in participating in a club sport programme are encouraged to contact the Athletic Coordinator (C.J. Sanders Fieldhouse - 343-8605), or inquire at the Campus Recreation office (The Study - 343-8808) for specific club contacts.

Campus Recreation

INFORMATION LINES:

Bookings may only be made for the current day or the following day. The first slot of the day is at 8:00 am, and each slot is 45 minutes long.

346-7724
GYM AND FIELD BOOKINGS

343-8656
POOL BOOKINGS OR LESSONS

"An activity for every student and every student in an activity." The campus recreation programme is designed to provide opportunities for students/staff/faculty to participate in various sports and recreational acivities as regularly as their time and interests permit. Virtually all of the campus recreation activities are co-ed in nature and provide an opportunity to meet new friends in a friendly sporting environment.

Regularly scheduled team activities include the following:

Aerobics	Curling
Aquabics	Hockey - Men's N.B.C.
Badminton	Indoor Soccer
Ball Hockey	Men's Basketball
Broomball	Soccer
Water basketball	Volleyball
Touch Football	Women's Basketball
Co-ed Hockey	Co-ed Basketball

In addition to these activities the campus recreation programme plans on providing opportunities to participate in a number of one or two-day events that will appeal to both the athlete and the non-athlete.

These include:

Bowling Tournaments	Slow Pitch Tournaments
Co-ed Hockey	Squash Tournaments
Cribbage Tournaments	Volleyball Tournaments
Cross-Country Relay Run	Euchre Tournaments

Weightlifting Competitions
3 on 3 Basketball Tournaments

To find out about these and to bring forward any activities that you want to see included, please stop by the Campus Recreation Office (located in The Study) or call our staff at 343-8808, Monday to Friday, 10 am to 4 pm.

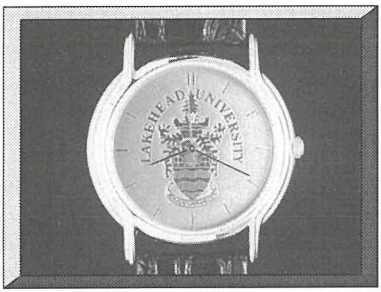

C.J. Sanders Fieldhouse

The C.J. Sanders Fieldhouse houses a large multi-purpose gymnasium which accommodates aproximately 2000 people for athletic events; an auxiliary gymnasium/wrestling area; weight training room; change rooms with lockers and saunas; a 50-metre, eight-lane pool, squash courts, and playing fields. A complete sports medicine clinic is also housed in the complex. The Fieldhouse is located northwest of the river. Full-time students have FREE use of the Fieldhouse facilities upon presentation of a student ID card. Part-time students may purchase a membership at a REDUCED RATE.

Aquatics

Lakehead University's 50-metre pool is available for use by all full-time students free of charge and to part-time students for a fee of $2.10. Student cards MUST be presented to the equipment room staff before entering the pool to obtain a ticket. Please shower before entering the pool and place tickets in the bucket located near the shallow end on the table.

BGL CENTRE

Bisexual, Gay & Lesbian Centre

Once upon a time in a state of mind where only dinosaurs and cave-men seemed to exist, a **small** group of students combined their energies to crack open a door which had been closed for far, far too long... THE CLOSET DOOR. Well folks, after 2 years of 'official' recognition as a club organization through the L.U. Student Union, we have finally evolved to a higher state of being as a drop-in Centre and meeting place on campus (part of the old Argus near the convenience store/post office). The fact is, no longer does anybody have to feel the need to `sign up for their sexuality' in order to just hang out OR become an active voice in our struggle towards equality... YAY!!!!!!!!!!

Lakehead University's campus is a very diverse place, and just as can be noted in the world's every day existence, Bisexuals, Gays and Lesbians are everywhere around us in all that we do, as are Heterosexuals. We ALL deserve a safe space to live in physically, emotionally, spiritually, and yes, even scholastically! Present goals for the Centre are to develop a Gay, Lesbian and Bisexual periodical library; to network cross-Canada in hopes of providing travel do's and don't's and/or contact numbers of other 'communities'; to host gay and gay-positive movie nights on campus to broaden awareness of the realities of our culture; hold very regular drop-in/R&R sessions in a gay-friendly atmosphere; to run campaigns and just generally strive to make the campus aware of the realities of HOMOPHOBIA and HETEROSEXISM (i.e. that lifestyle and/or mind-set which is in a constant state of assumption that the world revolves around and solely exists for Heterosexuals)!

In the beginning... we had no space -=- Now, our doors are wide open to all! As always, watch the media for campus events and happenings, get involved in the active voice of our LUSU Club, BGLLU (a.k.a."Be Glue"), or just use our existence to reassure yourself that YOU ARE **NOT** ALONE --

WE DON'T HAVE TO BE ALONE ANYMORE!

Whatever your kind of love...
strive to be happy.

CFS-SERVICES: Working For You...

Canadian Programming Service (CPS)

One of the many goals of the Canadian Federation of Students is to contribute and widen students' educational experiences. Canadian Programming Service is one way the Federation achieves this goal.

Canadian Programming Service is a speakers bureau that works with student associations, clubs, and campus groups to develop speakers programmes that bring debate, controversy, and comic relief to campuses across Canada. Since its creation, CPS has organized thousands of events, making it one of Canada's most successful and influential speakers bureaus.

The CPS roster of speakers is comprised of over 100 prominent Canadians. From today's top journalists-- Peter Mansbridge, Mike Duffy, Pamela Wallin, and Jeffrey Simpson-- to those fighting for change-- Ellen Gabriel, Dr. Henry Morgentaler, Chief Billy Diamond, and Alan Borovoy-- to some of the funniest people in the country-- David Broadfoot, Dan Redican, and The Royal Canadian Air Farce, CPS promotes speakers that inform, entertain, and tell it like it is.

Want to know more about speakers for your campus, clubs, or teams?

Contact the Canadian Programming Service at
243 College Street, 5th Floor
Toronto, Ontario M5T 2Y1
Telephone: (416) 977-3703 Fax: (416) 977-4796

Student Saver/CFS Membership Card

Your key to student savings!

We all know how expensive it is to be a student these days. Tuition, books, accommodation, food... the list goes on. Well, thanks to your student association and the Canadian Federation of Students, there's a way to stretch your dollar a little further. Introducing Student Saver, Canada's national student discount programme.

Whether you're in the market for food, clothing, books, or a haircut, your Student Saver/CFS Membership Card can help you save money on

goods and services at retailers located in your community and across Canada.

To start saving money now, drop by your student association office and ask for your Student Saver/CFS Membership Card. Then, simply visit any of the participating retailers, show your card, and you'll receive exclusive student discounts ranging from 10% to 50% off purchased items. That's it!

Just as important as all the money you'll be saving, however, is the fact that your card shows you are a member of the Canadian Federation of Students, Canada's national student organization. As a CFS member you join 450,000 other students across the country who are working together to improve the quality of student life. Your Student Saver/CFS Membership Card is just one of the many ways students are making a difference.

For more information on Student Saver and the Canadian Federation of Students visit your student association office.

Travel Cuts/Voyages Campus

Going Your Way!

The next time you're thinking of travelling, visit your local Travel CUTS/Voyages Campus office. Why? Because Travel CUTS/Voyages Campus is owned and operated by the Canadian Federation of Students, Canada's national student organization.

Student ownership means that Travel CUTS/Voyages Campus is committed to providing travel products and services designed especially for students. SWAP (the Student Work Abroad Programme), Spring Break trips, language courses abroad, Bon Voyage student travel insurance, and student tours in Asia, Africa, Latin America and Europe are just a few of the special products offered exclusively by Travel CUTS/Voyages Campus.

Travel CUTS/Voyages Campus is affiliated with over 70 international student travel bureaus through the International Student Travel Confederation (ISTC). This relationship allows Travel CUTS/Voyages Campus to negotiate and provide students with international products, such as a worldwide network of student fares on air and surface transportation, the International Student Identity Card (ISIC), and travel insurance.

So next time your mind turns to travel, call the toll-free Travel Cuts hotline for information about trip packages and cheap tickets for flights within Canada and internationally. There is an on-campus Travel Cuts representative who is available a few hours a week in the Agora, and who can provide you with more information.

International Student Identity Card

ISIC

ISIC

CANADIAN FEDERATION
OF STUDENTS
416-977-3703

What card accesses hundreds of discounts across Canada? Why do 2,000,000 students in 70 countries carry an ISIC? Why do students buy an ISIC before they travel abroad?

Simply because an ISIC gives full-time students access to thousands of money-saving student discounts and student services worldwide! With an ISIC you can get special fares on international travel and special rates on rail travel in many countries; you can get bargain rates on accommodation; and, once the necessities are taken care of, you can see the sights cheaply. Your ISIC gets you reduced admissions to some of the world's most renowned museums, historical sights, and entertainment attractions.

But you don't have to leave Canada to get your money's worth from an ISIC. Your ISIC you access you hundreds of discounts through Student Saver.

The ISIC is available at the Lakehead University Student Union Office and all Travel CUTS/Voyages Campus offices

Student Work Abroad Programme (SWAP)

Turn next summer into the experience of a lifetime!

Imagine working in a quaint café in France, teaching English in Japan, or working within walking distance to Buckingham Palace. Well, there's no need to dream any longer. It's possible to experience any one of these adventures through the Student Work Abroad Programme (SWAP), a service of the Canadian Federation of Students.

SWAP is Canada's largest international exchange programme. Each year, SWAP helps approximately 1,400 Canadian students travel to foreign countries and work. By working, SWAP participants are able to fund a long term stay abroad. This means more time to learn about the people and cultures of the host country, and to, of course, have fun!

In 1994-95, SWAP offers programmes in 10 countries: Britain, Ireland, France, the Netherlands, Finland, Germany, Australia, New Zealand, Japan, Jamaica, and the United States.

SWAP takes care of all the red tape for working holiday visas. SWAP also provides participants with two nights accommodation at the destination (varies); runs an orientation programme to advise participants on how to go about their employment and accommodation search; arranges for participants to have access to the advice, assistance and services of the local student travel organization; and assists participants with all travel arrangements through Canada's national student travel bureau, Travel CUTS/ Voyages Campus.

For more information on SWAP, visit your local student association office, career planning office, or call the Travel CUTS/Voyages Campus hotline at 1-800-667-2887

Child Care

Nanabijou Child Care Centre

The Nanabijou Child Care Centre is located in the Prettie residence across from the tennis courts. The facility is available to Lakehead students, faculty, and staff as well as residents of Thunder Bay. Thirty-seven children from eighteen months old to five years can be accommodated. The Centre is open for twelve months of the year offering full and part time care. Watch for our new School Age Programme for 6 to 12 year olds, offering after school and P.A. Day Activities beginning September 1994. For rates, hours of operation and other information, call 343-8369 between 7:45 am and 5:45 pm.

Contents and Liability Insurance

Why get it?

Accidents happen, pipes burst, thefts occur... there are a million and one things that might cause your belongings to be lost or damaged. If you have no insurance then any repair or replacement costs must come out of your pocket. Also, you may be legally liable to pay compensatory damages if someone or someone's property is injured or damaged. With Contents and Liability Insurance, for an annual premium you can obtain funds (less a deductible) to replace or repair your stolen and/or damaged belongings, as well as any damages you are found legally liable for anywhere in the world.

As an example, unfortunately far too many bicycles are stolen on campus and in the city every year. Many bikes are worth upwards of $500. If you do not have insurance, the entire cost of replacement is yours. If you take advantage of the LUSU plan, you would only be responsible for the deductible of $150.00. Including your annual premium, your total cost would then be $225.60.

How much does it cost?

LUSU has arranged with Traders General Insurance Company for a plan to be available to all Lakehead students for an annual premium of $75.60 (including P.S.T.).

How much is the deductible?

The LUSU plan has a deductible of $150.00 per claim.

How much coverage will I have?

The contents coverage is for up to $10,000. The liability coverage is for $1,000,000. There are some restrictions the amount of coverage for some items, i.e. a bicycle is covered for

How do I get it?

Application forms are available at the LUSU Office and at the Residence Porter's Desk. Submit completed applications to the LUSU Office. Payment of $75.60 must be made at that time. Cheques must be made out to Lakehead University Student Union.

When is the coverage valid?

The term of coverage is from the date of payment until September 1 of the following year.

The last day to sign up for this plan is Oct 31, 1994.

Counselling & Career Centre

The Counselling and Career Centre, located in the University Centre Building, houses two student counsellors and a Career Information Library.

Personal and career counselling is available to all students attending Lakehead University. Seminars and workshops are given throughout the academic year in study skills, stress management, resume writing, self-esteem, time management, and job search strategies. The Study Skills Sessions include: Exam Preparation, Exam Anxiety, Effective Reading, Effective study, and Note Taking. These sessions are given in September and February, interested students may register at the Counselling and Career Centre (UC 1002).

Communications Technology Resource Centre

The Communications Technology Resource Centre provides communications based services. There are several sections within the department: Audio-Visual, Microcomputer Maintenance, Microcomputer Support, Campus Tech (computer store), Computer Operations, Networking and Systems support, the video production studio and the Telecommunications (Telephone) / Data Communications. If there are any questions or concerns not answered in the following descriptions, please telephone or visit the department.

Computer Labs

Students currently enrolled in courses at Lakehead University are permitted access to central computer labs located in the Braun Building. These labs are also used as classrooms so the available times should be checked in advance. A booking system is in place for the prime hours. The labs are left open around the clock during fall and winter terms but entrance to the Braun Building is restricted after 10 pm.

The computer systems provided are IBM PC compatibles with DOS and/or Windows and Macintosh computers. There is network access using terminal emulation to Unix systems. All IBM compatible systems provide a menu for the selection of the required software or utility.

An **account** is necessary for access to computers. A computer based-system permits students to request an account using a special program. Registration information (such as student number) must be provided as verification.

Student accounts have full access to electronic mail and Internet services (gopher, Usenet news, telnet, ftp, archie etc.). The use of accounts for game playing is not acceptable. Any inappropriate use of an account will result in the withdrawal of the privilege.

Printing and High Speed Laser Service

Free printing is provided on high speed laser printers with a reduced-page format (2 up printing).

Laser Printing

There is a charge for full page laser printing with a deposit on account required prior to printing. Significant discounts are available for large advance payments. Money left on deposit will be retained for the next term. Refunds will not be given.

MicroComputer Support Services

During the Fall and Winter terms, student computer advisors are on duty during the day, in the evenings and on weekends. These students will assist with general inquiries and hardware problems.

The MicroComputer Support Services are also available to students upon referral by a student computer advisor. Full time consultants are available from Monday to Friday, from 8:30 a.m. until 12 noon and from 1 p.m. to 4:30 p.m. Services provided include consultation on hardware and software, the teaching of short non-credit courses, and problem solving for clients on campus.

Diskettes

Students are expected to provide their own diskettes for data storage. They are sold on campus at Campus Tech and at the Bookstore.

Computer Accounts

The use of "Mainframe" computers, laser printing and/or electronic mail requires computer accounts each with a username and password. There is **no charge** for student use of C.T.R.C. computers but there are restrictions on disk quota to ensure conscientious use of resources.

Class accounts for use with a computer course, will be posted outside BB1047. The creation of this type of account is the responsibility of the instructor. To set up **individual accounts** for research projects and or laser printing, application should be through **Operations**.

THE INTERSECTION

The Intersection is located in the tunnel across from the LUSU office. Wide variety of LU clothing and giftware. SOMETHING FOR EVERYONE. See reverse for coupon.

Hours of Operation:

Mon - Thu: 10:00-7:00 Friday: 10:00-5:00 Saturday: 11:00-4:00

CONVENIENCE STORE/FULL SERVICE POST OFFICE

Your Munchie headquarters. Pop, juices, chips and chocolates.. to satisfy your cravings. Full range of Postal services. Located in the tunnel below the Bookstore. See reverse for coupon.

Hours of Operation:

Mon - Thu: 8:30-9:00 Friday: 8:30-5:00 Saturday: 11:00-4:00.

Campus Tech - the Computer Store

Campus Technology is the university operated computer store. It is centrally located on campus in the Braun Building in room BB1070. A wide variety of products are available from Campus Technology at specially reduced prices for students, staff and faculty:

IBM PC compatible notebook & desktop computers
SUN stations
Printers - dot matrix, ink jet and laser printers
Software for DOS, Windows and MAC systems
Variety of peripherals, diskettes, and printer cartridges

The store hours for the Fall and Winter terms are 10 am to 4:30 pm from Monday to Friday.

Note:

Student, staff and faculty identification is required for purchases of educationally priced items.

For further information, visit the store or call 343-8770.

MicroComputer Maintenance

MicroComputer Maintenance offers repairs services for IBM PC Compatible computers and printers. It is the warranty depot for Zenith, Packard Bell, Raven, Lexmark and IBM products. It is located in the Braun Building in room BB1070. The service charge is $40. per hour.

Hours are from Monday to Friday, 8:30 am to 4:30 pm.

Stop by the department or call 343-8471 for assistance.

Special Services

Lakehead **U**niversity **C**ampus-Wide **I**nformation System (LUCI) provides information from several departments at the university. Access is available from the Cross-Campus (Novell) network and from the academic computers, Flash and Thunder. This information system can also access similar services at other universities in North America.

Terminal sessions that connect to "main" computers on campus, are available from IBM PC compatible computers on the Novell network. The terminal emulation program used is Telnet.

File transfers between two computers are possible using the File Transfer Protocol program (FTP). It is available on all academic systems.

Modem Access

Eight modem lines are currently available to Unix systems via Net/One service. The phone number is 343-8034. Additional modem service is planned for the future.

Audio-Visual Unit

The Audio-Visual unit purchases, services, schedules and provides A/V equipment for in class use, promotional purposes and special university-sanctioned events such as convocation, on or off-campus conferences, public lectures, student events, theatrical productions etc.

A/V services are available to all staff/faculty, and currently registered students. Students must provide a written authorization from their instructor or advisor. The services can also be rented out by outside organizations for events held on campus.

The A/V office also provides:
a film and video resource library facility comprised of (approx.) 600 titles
duplication of audio and visual material of taped lectures and events
a full production studio which provides and produces audio and video tape programs for in class use, promotional and research needs.

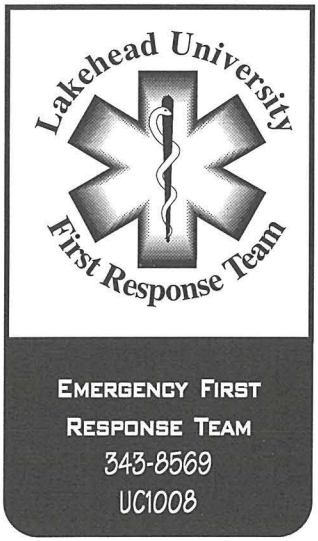

There are three Audio/Visual centres on campus. The main centre is located in the Braun Building BB1070. The others are in the Sanders Fieldhouse (main floor) and the Faculty of Education.

Location	Term	Day of Week	Time
Main Centre BB1070	Fall Winter	Monday to Thursday	8 am to 10 pm
		Friday	8 am to 4:30 pm
	Spring/Summer	Monday to Friday	8:30 am to 4:30 pm
Faculty of Education	All year	Monday to Friday	8:30 am to 12 noon
Sanders Fieldhouse	All year	Monday to Friday	8:30 am to 4:30 pm

Contact the main centre at 343-8267 for assistance with reservations and services.

LU Emergency First Response Team

(LU EFRT)

WANTS VOLUNTEERS FOR THE ACADEMIC YEAR OF 1994-1995

The Lakehead Students' First Response Team is an all-volunteer organization that responds to all medical emergencies within the Lakehead University Campus. This student service runs 24 hours a day, seven days a week. If you need access to the Response Team, or see someone in need of assistance, we can be contacted through security at 343-8569. The Response Team operates out of Health Services across from security.

The Response Team needs people who are trained in first aid and CPR. If you are interested in becoming involved, you may pick up an application before September 22 at Health Services. If accepted, you will be required to attend an intensive training programme (40 hours) at the end of September, as well as complete a practical examination.

Interviews will be held:
Monday, September 26 - Thursday, September 29

Qualifications

Valid Red Cross or St. John "Standard" first aid certificate and valid Ontario Heart Foundation "Basic Rescuer"

Certificate. Any further qualifications or experience would be considered an asset.

Where To Apply

Application forms can be picked up at the LUSU Office or the Health Services First Response Team office. Completed Applications are accepted at the LUSU Office in the Student Centre across from the Intersection in the tunnel or at the Health Services First Response Team office.

For More Information Contact:
Julie Beaulieu, Programme Director
at 343-8569 or at the Health Services Offices

Financial Aid Office

FINANCIAL AID
343-8206
SC0008

Through the Financial Aid Office of Student Services, financial assistance is available in various forms:

Ontario Student Assistance Programme (OSAP)
Canada Student Loans Plan (CSLP)
Ontario Student Loans Plan (OSLP)
Part-time Student Loans Plan (Canada Student Loans)
Ontario Special Bursary Plan (OSBP)
Ontario Work Study Plan (OWSP)
(a programme which offers OSAP-eligible students an opportunity to work part-time on campus)

OSAP applications are available in the Financial Aid Office of Student Services, SC0008, in the Student Centre. Applications for financial assistance should be made as early as possible as there is a lengthy processing period.

Scholarships

Scholarships are awarded on the basis of academic achievement. Some entrance scholarships are automatically awarded according to the following grid:

Average	Value
95%+	1750 x 4 years
90% - 94.9%	1250 x 4 years
85% - 89.9%	750 x 4 years
80% - 84.9%	500 minimum

Some entrance scholarships are awarded by application. A listing is available in the L.U. Calendar and the Entrance Scholarship Brochure. After first year, many in-course scholarships are automatically awarded to the eligible students, however an application is required for a number of program specific awards; applications are available the end of January. Students nearing completion of a diploma program and planning to enter related degree studies at Lakehead University should contact the Undergraduate Scholarships Officer.

Bursaries

Bursaries are awarded on the basis of a student's financial need. Students must apply for entrance and in-course bursaries. Bursary applications are available in late September/early October. Check with the Financial Aid Office for further information and application procedures. All students should check the Financial Aid bulletin boards for available Scholarships, Awards and Bursaries.

Mrs. Phyllis Bosnick is the Financial Aid Administrator at Lakehead University and she or one of the other financial counsellors will be pleased to meet with you regarding your financial situation.

If we can help in any way, please do not hesitate to call 343-8206, or stop by our Financial Aid Office located on the lower level of the Student Centre in SC0008.

Food Services

VERSA FOOD SERVICES
343-8142
UC1027

Versa Campus Services is entering its sixth year at Lakehead University, meeting all the food need of Students, Faculty and visitors. Versa provides service to students in a number of locations: the Residence Cafeteria, Main Cafeteria, Mr. Sub, Robins Donuts in the Agora, Kiosks in the Ryan building and Bora Laskin Building, also Dan's Diner, an after hours limited food outlet in the Bartley Residence for all residence students.

Residence Cafeteria

The Residence Cafeteria services all students in the Barley and Prettie Residences, as well as students who have purchased off campus meal plans (a wide variety of meal plans are available). The Residence Cafeteria is also open to guests of meal plan holders for prices, please call our office.

Main Cafeteria

The Main Cafeteria is the largest cash operation on campus featuring our own "Itza Pizza", "Gretel's Baked Goods", "Gourmet Coffee", "Piccolo's Pasta", "Salad Garden", "Deli Bar", "Grill Works" and "Mr. Sub". Look for our many promotions and contests throughout the year.

Off-Campus Meal Plans

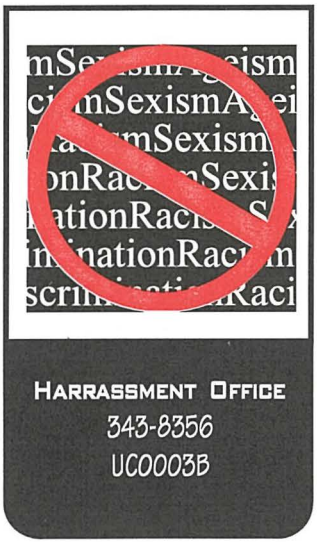

Versa Campus services is pleased to offer a wide variety of off campus meal plans. The "SCAN PLUS" card represents a fast and economical, electronically operated, pre-paid meal plan that can be used at any Versa Food Services outlet on campus. Your account is automatically debited the amount of your purchase-this means no cash or change to worry about. It also offers a TAX FREE way to eat at Lakehead, no GST or PST. Also available this year for the first time are low buy-in options. Students can now enjoy the advantages of Scan Plus with a minimum of $50.00 without time restrictions on its use. The advantages are numerous:

For more information, meet us at our registration desk during orientation week or visit the Campus Food Service Office or call 343-8142.

Foot Patrol

The Foot Patrol is organized through Campus Security and made up of Lakehead University students who provide a walk home service. This service is available to anyone who is walking on campus and can be utilized by calling 346-7742, for door to door service, or by simply showing up at the security office and requesting an escort. The service runs from 8:00 pm - 2:00 am Monday to Saturday and from 8:00 pm - midnight on Sunday. Have a safe year and use your LU Foot Patrol.

Harassment Office

A student's academic work and personal life can be seriously damaged by harassment. Effects can include feelings of helplessness, anger, depression and humiliation, as well as loss of confidence and self-esteem.

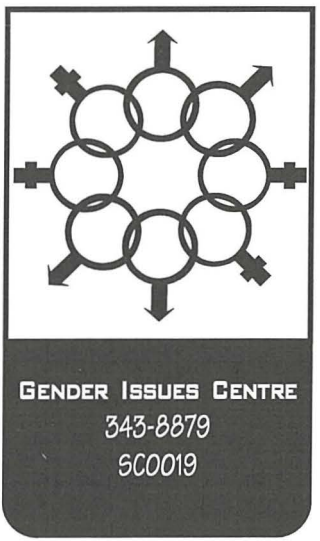

Forms of harassment can be sexual (unwelcome behaviour of a sexual nature) or any other prohibited grounds of discrimination under the Ontario Human Rights Code. These include race, ancestry, place of origin, creed, sex, sexual orientation, age, record of offenses, marital status and handicap.

Harassment can seriously interfere with a student's education - and is prohibited both by law and under Lakehead University's Harassment Policy. In this policy, the Board of Governors of Lakehead University endorses the principle that all members of the university community have the right to study and work in an environment free from harassment.

If you are being harassed, contact the Harassment Officer for the University. Phone 343-8356 or visit the office located in the Human Resources Department. There is both an informal and formal resolution phase in the policy. Most students with a concern meet for an informal discussion. Advice on how to handle the situation, support, confidentiality and reassurance are available to you.

Do not ignore the problem if you are being harassed. Phone 343-8356 or drop into the Human Resources Department.

Gender Issues Centre

The Gender Issues Centre addresses interests concerning women and men regardless of race, class, religion, culture, age, family life, sexual identity or differences of physical of mental ability. One of our objectives is to spur communication about such issues and open pathways of discussion and possible understanding. We also promote action, introspection and lounging through use of our space; couches, coffee, tea and collection of books, periodicals and pamphlets.

We can now boast about our resource collection, as we are close to reaching 1,000 items. Topics touch on the bulk of disciplines offered at Lakehead and are crucial during essay time. This is complimented by a full video library with over fifty titles. Other services included referrals for individuals seeking assistance for personal or academic concerns - come see us first because we can access appropriate sources of information and support.

Grants, proposals and funding information regarding gender issues can be obtained for those adventurous self-starters who wish to start any projects with outside assistance. Additional events, speakers and seminars are being arranged which include annual educational campaigns: No Means No, International Women's Day, Take Back the Night, White Ribbon Campaign, Women and Black History Month, as well as, thematic months regarding gender politics academe and work.

Committees and groups are forming and growing - already established groups concerned with minority issues, women of colour, single mothers, gender, and science & technology. If any of these items or groups stir any interest come and see us regarding details or help us organize items that match your concerns.

Truly, everyone is welcomed.

The Gender Issues Centre is a LUSU sponsored service for students and the LU community. The Director, Elaine Hogard and many volunteers are available to get you acquainted with what the Gender Issues Centre has to offer. Located at SC0019 (just down from LUSU) the GIC is open Monday to Friday 8:30 to 4:30.

Health Centre

Lakehead University Health Centre is located on the ground floor, opposite the Security Office, near the main entrance to the University. Registered nurses staff the Health Centre full-time, and both male and female physicians offer clinics daily from September to April, and twice weekly during the summer. Appointments can be arranged with the secretary or by calling 343-8361. If you are unable to keep an appointment please call and cancel so that someone else may be seen in your place. Psychiatric appointments can be arranged by appointment or referral.

HEALTH SERVICES
343-8361
UC1007

As a student at Lakehead, it is important to remember that your health is a critical factor in your academic, personal and social success. One of the ways in which you can take care of your health is by familiarizing yourself with the Health Centre. The staff at the Centre ar available to provide comprehensive health care, and to assist you in taking responsibility for your own health. All medical records are confidential.

Health Education

Health education programmes are co-ordinated through the Health Centre. These include services to promote healthy lifestyles and wellness through the development of ongoing educational programmes and activities. These programmes are targeted at raising student awareness about health issues and disease prevention. Print materials, videos, T-shirts, and posters are available on such topical issues as alcohol and drug abuse, AIDS and safe sex, nutrition, fitness, weight control, etc.

Medical Services

Medical services include diagnosis and treatment of physical illness, emotional problems, STD's, injuries, referrals to specialists, physiotherapy, lab services, lab smears, contraception, pregnancy, AIDS, pre and post HIV test counselling, TB skin tests, physical exams and psychiatric care. A timetable of medical clinics are posted at the Health Centre.

Health Insurance

Bring your Ontario Health Card (red and white plastic card) with you every time you visit the Health Centre. If you are from outside the province, bring your own province's health insurance number. If you are an International Student and do not have health insurance, you should apply immediatley in order to receive immediate coverage. Photocopies of visa or immigration documents are necessary. Application forms are available at the International Student Advisor's office. Please contact Hedi Lee at 343-8958.

International Student Advisor

Hedi Lee

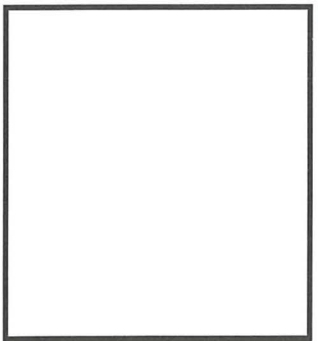

HEDI LEE
343-8958
SC0015

SC0015 (across from Financial Aid)

The International Student Office provides services to students new to Canada through international orientation, social activity programming and workshops. Available to students through this office are: US visa application forms, Canadian Visa and Student Authorization renewal packages, UHIP application forms and the bi-monthly newsletter, the International Update. International students are encouraged to visit with the International Student Advisor, Hedi Lee, and make use of the various programmes and workshops available to them. These include an extensive Christmas Programme, International Awareness Week, Canadian Income Tax workshop and more. Office hours are Tuesday - Thursday from 8:30 - 4:30 pm, the phone number is 343-8958.

Learning Assistance Centre

LEARNING ASSISTANCE CENTRE
343-8087
SC0003

Course-content Tutoring, Essay Writing

The Learning Assistance Centre provides academic support to all students. If you encounter difficulties with a course or need help writing essays, you should contact the Centre for workshops or for individual tutoring sessions, which are free for a limited number of hours. Want to be involved as a support to your fellow student? Then consider applying to be a peer tutor or note-talker and attend our orientation sessions. For further information visit the Centre or call 343-8047.

Services to Students with Disabilities

If you have a special need due to a physical or learning disability, contact the Learning Assistance Centre at 343-8087 (voice) or 343-8906 (TTY) or come to the centre to discuss the specific academic and/or physical accommodations which would be required.

The Library

Library Information
343-8302
Main Floor

The University Library is composed of The Chancellor Paterson Library which contains the main collections of the University, and the Education Library located in the Bora Laskin Building which serves the needs of the School of Education.

The library collections are made up of books, periodicals, microforms and audio visual material. Specialized collections containing materials relating to Northwestern Ontario are kept in the Northern Studies Resource Centre which is located on the fifth floor of the Chancellor Paterson Library.

Tours designed to familiarize students with the Library and its services are conducted during the first few weeks of classes. These tours are highly recommended for all new students.

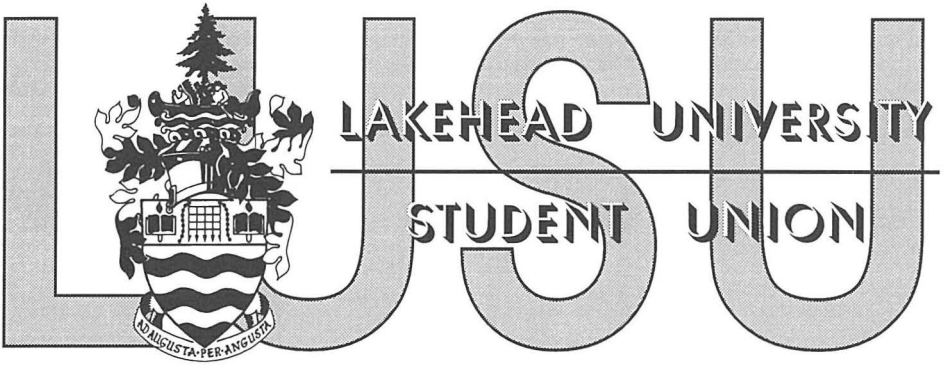

Books may be borrowed for three weeks from the Chancellor Paterson Library, and for one week from the Education Library. Periodicals and reference materials may be used only in the Library. Fines are charged for materials kept out past the due date. Materials for which there is a high demand are kept at the Reserve Desk and a re circulated for a shorter period of time.

The Library has a number of photocopiers available for student use. Venda-cards to operate the machines may be purchased at the Circulation Desk.

Further information on Library services may be obtained by talking to the staff at the Information Desk or by consulting the many finding aids available in the Library.

Library Hours of Operation

	Chancellor Paterson Library	Education Library
Monday - Thursday	8:00 am - 11:30 pm	8:30 am - 9:00 pm
Friday	8:00 am - 8:00 pm	8:30 am - 5:00 pm
Saturday	10:00 am - 6:00 pm	11:00 am - 5:00 pm
Sunday	12:00 am - 8:00 pm	As Posted

Aesthetics Lounge

The Council Chambers (UC2020) is located upstairs near the Employment Office and is available as a study area or to be booked by a group. It should be unlocked 8 am to 6 pm, but if you can't get in or you would like to book it, come down to the LUSU office and ask about it. The room is furnished with chairs, tables and couches and makes a great group study area.

Bus Passes and Schedules

LUSU now sells the adult monthly bus passes as well as the 20-ride passes. Thunder Bay Transit will be on campus during Orientation and you can obtain the picture half of the monthly pass then, or at one of the terminals. Bus schedules are posted in the Agora, and are also available in LUSU.

Campus Programming

Quality on-campus programming of live entertainment, speakers, movies, theatre and theme activities is an ongoing LUSU effort. Watch for posters, listen to the radio, and read The Argus for what is coming your way. See hot and up-and-coming musicians and comedians on stage in The OUTPOST, become informed by listening to some topical speakers, and support your fellow students in their open stages, variety nights, and club activities. Also, don't forget about our big-screen movie nights every other Sunday night.

Campus Recreation Resource Centre

If you are in the mood to go on a minor expedition in the Great White North, for a small fee the new Campus Rec office in The STUDY can outfit you with anything from skis to camping equipment.

Car Ride Board

"On the road again..."? Want some company?? Or are you looking for a ride somewhere out of town and are willing to share gas costs?? Check the Coming and Going Rides Posters on the tunnel wall across from The Intersection.

CIBC Instabank

There is a full service CIBC Instabank machine located in the University Centre Lobby beside the Security Office.

Contents and Liability Insurance

Remember last winter's bursting pipes? Ever had your bike stolen? If you sign up for Contents and Liability Insurance, you can get stolen or damaged belongings replaced for far less money out of your pocket. Ask at the LUSU office for

information and applications.

Fax Machines

LUSU will send and receive faxes for students at an incredible price. Drop off your fax at the LUSU office with a deposit and we'll send it off.

Food Bank

For those people who find themselves in a tight spot and need some help to make it through the next few days, LUSU has established a Food Bank. Any student is welcome to use this service should they find it necessary. The Food Bank is located on the second floor of the University Centre around the corner from the Student Placement Centre in UC2015. Donations of food and volunteers are gratefully accepted at the LUSU Office.

Free Local Calls

The LUSU office lobby has two phones available during office hours for you to make local calls without worrying about having a quarter.

Games Room

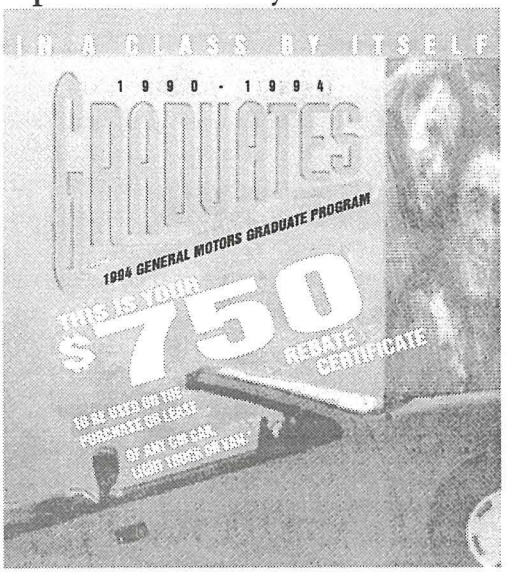

The Games Room has been relocated into The STUDY, where there are many more games, a snack bar, and a CD Jukebox... even more ways for you to enjoy your study breaks and between-class waiting periods.

Gender Issues Centre

The GIC, located in SC0019 (down the hall from LUSU), is a resource centre for all students. The GIC library contains information on a wide variety of gender-related issues including health, sexuality, history, herstory, legal and political issues, abuse, self-help, and emotional healing. The full-time coordinator can help you to find any information you might need or can refer you to professional counselling.

Good 1-sided Paper

Need some paper for taking notes, study sheets, drawing, doodling, or paper airplanes?? The LUSU office can supply your needs from our good 1-sided paper box. If you have any of your own you are trying to get rid of, drop it off with us, someone will use it.

Graduate Farewell Party

Every graduating student is welcome to attend a farewell celebration hosted by the Student Union. Your ticket iscomplimentary, guests are welcome for a small fee, but tickets are limited, so get yours early.

Graduate Portraits

Jostens Canada will once again be holding portrait sittings on campus during the last week of January, mid February and mid March. Booking sheets are available one month in advance and the sitting fee is $2.00.

Photocopiers

Recycled paper is used in our two coin-or-card operated photocopiers. One is located across from Security, the otheris in the LUSU office. Copies are 10 cents each, and at the LUSU Office you can use your Print Shop Venda-card.

Poster Approval

If you have something you want to tell or sell to your fellow students, posters are the way to do it. Bring your original in to the LUSU office before you duplicate it so our seal of approval can be affixed to your poster. If you do not get the seal, you risk having your posters removed by custodial staff and/or our bulletin board patrol.

Scholarships and Bursaries

Each year LUSU sponsors a variety of scholarships and bursaries rewarding participation in LUSU events, as well as students with special financial requirements such as Visa, Part-time, Spring/Summer and Continuing students.

Student Health Plan

LUSU's Student Health Plan is designed to meet the needs of undergraduate students who are not covered under another policy or who do not wish their parents to know about their medical expenses. The coverage includes 80% of prescription drug costs, as well as emergency health care, out of province coverage, and therapist costs. For an additional fee, students can have their spouse and/or children included in the coverage. For more information, please contact LUSU's Health Plan Coordinator at 343-8259.

The Study

Lakehead University's original student hangout is wearing a new outfit this year. In the Study, you can play pool, air hockey, foosball, pinball, arcade games, and darts. The snack bar will offer light fare and the CD Jukebox with surround sound will make your ears happy. If you spent any time in our games room last year, you'll love the all-new STUDY!

Typing Services

LUSU has a list of available typing services and students who will type your essays for a small fee. We also own electronic typewriters for students to use, so don't despair if your pc implodes and the computer labs are full. Check with the LUSU office for the location of the typewriters, and bring your student card.

Used Book Sale

The Used Book Sale is a chance for you to buy texts at a reduced price, and to sell texts you don't need anymore on a commission basis. The Used Book Sale takes place in SC0020 (the old games room). Bring in your old texts and pick up some "experienced" ones at a great price!

Volunteer Connection

Want to get involved on campus?? Have a great idea and need some help to get it off the ground?? Contact Stephannie Roy, Dave Myers or Rick Cox at the LUSU office if you are interested. Volunteering is a great way to get noticed by employers and other students, especially if you want a job as a Residence Assistant or are thinking about student politics. Think about it... you might just find yourself running the place!!

Wonderful Staff

If you have a question about anything on this campus, just poke your head into the LUSU office and ask Lorraine Harris, our Executive Secretary. She's been with us longer than most of the buildings have been on the campus, so if she doesn't know, she will know who to ask. Ginny Strey, our Finance Assistant will help you with obtaining an International Student Identification Card, answer your Health Plan questions and/or just make you smile. LUSU office hours are 8:30 am to 4:30 pm, Monday through Friday. Our phone number is 343-8259.

HAPPY TIME TOURS

- Charters & package tours to all points in Canada & the U.S.A.
- Daily Schedule to Duluth & Grand Portage Lodge & Casino
- Motor Coach Servicing

Call Happy Time For Reservations!

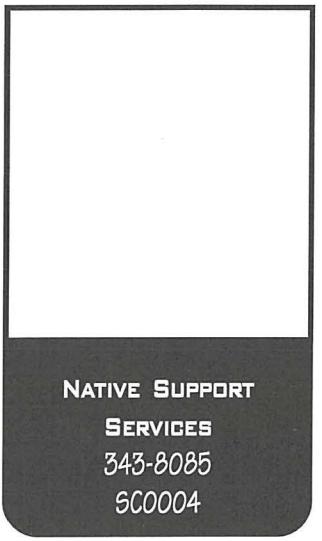

473-5955

HAPPY TIME TOURS
SPECIAL SHUTTLE SERVICE

Happy Time Tours can accomodate 5 - 45 people! Prevent drinking and driving - leave the driving to HAPPY TIME TOURS.

Happy Time Tours makes daily trips to and from Duluth. We also handle freight at our local terminal.

Native Support Services

Native Support Services assists Aboriginal students with their academic and personal concerns, providing a link between the student and services available within the University and the community. Social and cultural support is offered from within the Native Student Centre - periodic feasts, Pow-Wows and the Elders Program seek to make your university experience more holistic in nature.

Academic counselling includes information on University programmes, assistance in course and programme selection, and advocating for students with professors, the Registrar's office and University administration.

Personal counselling is offered by the Counsellor and Coordinator of Native Support Services and assistance is provided in linking students with other University services and agencies within the City of Thunder Bay as required.

Cultural activities such as periodic Feasts and Pow-Wows are held in conjunction with the Native Student Association. We offer a weekly Elder's Programme and regular Sacred Circles for men and women. Everyone is welcome.

Social Support Programs:

On-Campus Elders Program
Regularly Scheduled Healing Circles
Tutors Program
Social Support Network
Academic Support Network
Lakehead University Native Student Association
Culturally Relevant Social Activities
Annual Elder's Conference
Community Based Activities
Financial Assistance (Emergency Loans)
Scholarships/Awards/Bursaries
Employment Placements
Computer Facilities
Native Housing Organizations
Travel Boards for Students
Day Care Information
Mental Health, Peer Support & Counselling

Ombudsperson

Archie Colosimo

OMBUDSPERSON
343-8061
UC2060

The Ombuds-office provides an independent and confidential service to all members of the University community. The Ombudsperson deals with a variety of complaints as well as requests for information for both academic and non-academic problems.

The Ombudsperson helps ensure that you receive fair and equitable treatment within the University system or with community and outside agencies. If you have a problem, the Ombudsperson can often assist in obtaining information and providing an objective, independent review of the facts and if necessary may act as a helpful mediator in reaching a solution. Often students and staff are unsure of where to seek information and our office can act as a referral service. The primary objective is to ensure that your rights are dealt with in a fair and equitable manner. You can reach the Ombudsperson, Archie Colosimo, by calling 343-8061. The Ombuds-office is located in UC2060.

Peer Help Hotline

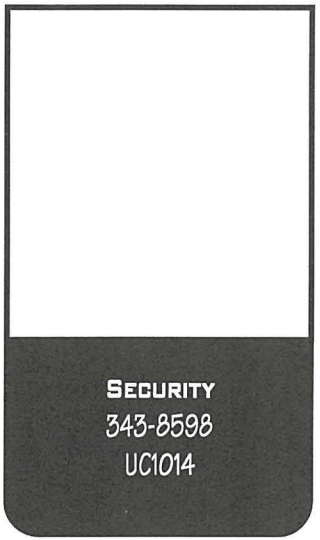

Have a problem, and don't know where to go for help? Phone the coming-to-students-soon Peer Help Hotline. LUSU is near finalizing plans for a phone-in line staffed by trained student volunteers ready to help you with personal, social and academic concerns which are unfortunately a part of student life. The volunteers will be able to answer your questions, refer you to agencies and places on campus which can help you further, provide crisis intervention services, or be a friendly and objective ear. All calls are *CONFIDENTIAL*, and *NON-JUDGEMENTAL*, meaning that the volunteer's personal feelings will not interfere with the listening and helping of students with concerns or problems.

Unfortunately, at the time of going to print we did not have a phone number, but look for signs advertising our the opening of the Hotline near the end of September. The groundwork is nearly in place, but we also need empathetic volunteers to staff the phones, and help the Hotline get up and running. Peer Help volunteers will be recruited and carefully trained in September and possible January by the VP Student Issues, Gender Issues Centre Director (who are both going for comprehensive training in August), and members of the local and university community. We know there are students on campus who face many and varying types of hardships throughout the year, and we know there are people with diverse helping skills on campus. Let's get together and help each other.

If you want to volunteer talk to Stephannie Roy at LUSU, or Elaine Hogard in the Gender Issues Centre in early September. Also, watch for our name-the-hotline and logo contests during the year.

Security

Lakehead University's Security office is located on the main floor of the University Centre (UC), just down the hall from the Agora. The Security department operates 24 hours per day, seven days a week. This department provides professional, mobil and foot patrol services everywhere on campus including Residences. Together with the Student Foot Patrol, the department provides walk-home services 24 hours a day, 365 days a year for anyone requesting it. Your security department controls the access to rooms, labs ect. and issues keys to students with proper authorization. Security patrol officers respond to calls for service and emergencies. A trained person is on duty 24 hours a day to administer First Aid and assist in health or other emergencies.

The Security office has a lost and found department, is responsible for enforcing parking regulations and for the collection of fines. Security personnel assign lockers and oversee problems associated with lockers.

To contact Security call 343-8569 or in case of emergencies call 343-8911.

Self Help Action Committee for Lakehead Students

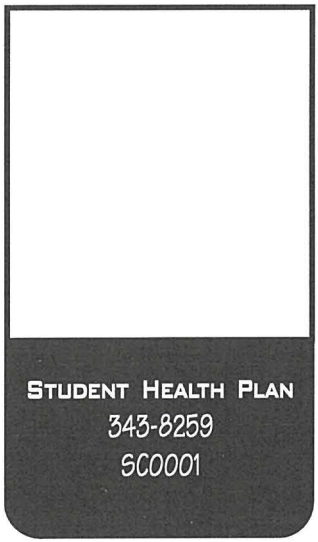

SHACLS

The Self Help Action Committee for Lakehead Students (SHACLS) is a committee within the Lakehead University Student Union. SHACLS's membership consists of the LUSU President, one or more members of the LUSU Board of Directors and any interested students, disabled or non-disabled. If you are interested in more information please contact Terry Robinson.

SHACLS is pleased to announce that in the fall of 1994, a drop-in centre for disabled students will be established in UC0019. Once established, this centre will be a place for all students to relax, converse, and obtain resource material about issues surrounding accessibility and disabilities.

Student Health Plan

RWAM/Crown Life

At Lakehead University there is a Student Health Plan in place for all full-time students. This plan covers 80% of the cost of prescription drugs including oral contraceptives, which means that when you purchase the drugs at the pharmacy you need only pay 20% of the cost. The plan also provides extended health benefits such as physiotherapy, ambulance coverage, and accidental benefits anywhere in Canada. Emergency medical coverage (i.e. hospitalization) is covered when you travel outside of Canada. The plan can be extended to cover spouses and children as well. It costs $83 for one year ($166 for a family), and coverage begins on September 1.

If you are already covered by an extended health plan through your work or your parents, you can take advantage of the coverage by both plans. This is effective especially if the plan you are covered by works by reimbursement. Any claims made under the Student Health Plan are completely confidential.

If, *and only if*, you are covered by an extended health plan, and you do not wish to be covered by the Student Health Plan, you may opt out. In order to do this, you must submit a completed opt out form to the L.U. Accounts Office or the Student Union, and accompany the form with proof of your alternate coverage.

The Opt-Out Form must be submitted by October 15, 1994.

These forms are available at the Accounts Office or the Student Union Office. If your form is not submitted by October 15, 1994, you will be covered by the Student Health Plan, and will be charged the fee for the coverage.

If you have any questions about the Student Health Plan or the opt out procedure, please do not hesitate to call the Student Union at 343-8259.

Canadian Federation of Students

Fédération canadienne des étudiantes et étudiants

CFS FCEE

You are a member of the Canadian Federation of Students, Canada's only national student organization.

Your enclosed CFS Membership/Student Saver Card is designed to help you save money and show that you are working with 450,000 other students to improve the quality of student life in Canada.

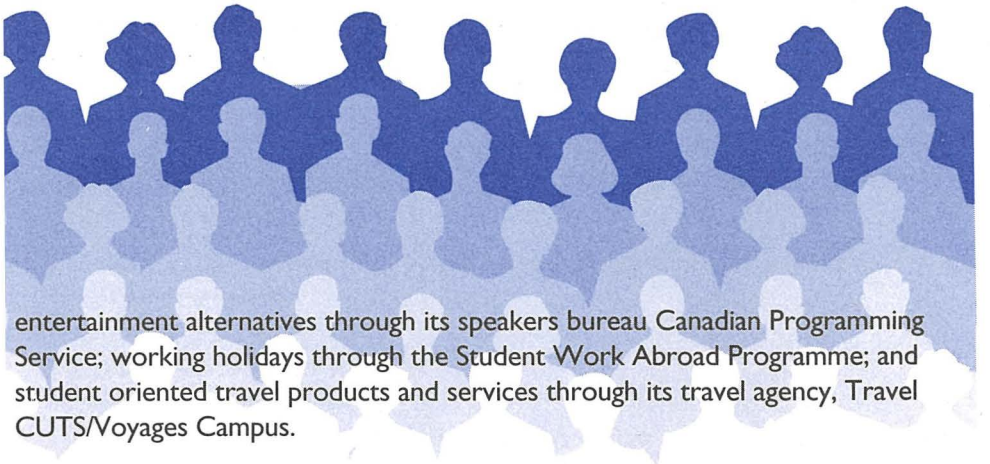

It's a membership you can be proud of.

In 1981, students from across Canada gathered to discuss their goal of a united voice, dedicated to working for a universally accessible, high quality system of post-secondary education. The result of this founding conference was the Canadian Federation of Students.

Today, the Canadian Federation of Students is the student voice for over 450,000 students at over 70 universities, colleges, and technical institutes. Due to this strength in numbers and the cooperative efforts of students over the years, CFS is one of the largest and most successful lobbying groups in Canada.

CFS has a strong presence that ensures students' opinions are known on Parliament Hill in Ottawa and in provincial legislatures across the country. Through Federation research and lobbying efforts, students' views on issues such as funding for post-secondary education, student aid, and summer employment programmes are regularly, and forcefully, brought to the attention of the government, the opposition, and other decision makers. Special government committees regularly consult the Federation when seeking the student perspective on government policy and issues.

Through CFS, students have also developed a number of special services designed to improve the quality of student life. To help you save money, CFS provides the CFS Membership/Student Saver Card, and The National Student Health Network's low-cost, comprehensive health and dental care plans. To help expand your educational experience, CFS offers thought provoking

entertainment alternatives through its speakers bureau Canadian Programming Service; working holidays through the Student Work Abroad Programme; and student oriented travel products and services through its travel agency, Travel CUTS/Voyages Campus.

Students on your campus became CFS members during a campus-wide referendum. Your elected student association representatives attend CFS' semi-annual general meetings to discuss issues, share information, and formulate policy. The day-to-day work is carried out by students who form the National Executive and by professional staff.

Clearly, students working together can make a difference. To find out how you can get involved contact your local student association, or mail the attached card to the Canadian Federation of Students. Your national organization needs your involvement!

CFS and the Social Policy Review

The Income Contingent Loan Repayment Plan, which may be introduced as part of the federal government's Social Policy Review, is one of the most important issues facing students today. CFS is at the forefront of discussions and research on the Social Policy Review and its possible ramifications on student aid and post-secondary education financing. It's important that you know how the Social Policy Review will affect you and your education—before it's too late.

CFS and Students' Rights

All students have the right to a quality education in a safe and productive environment. To ensure this right is met, CFS defends and represents all students. One way that CFS achieves this is through its campaigns. In the past, CFS has worked on issues campaigns about education, aboriginal peoples, women, and gay, lesbian, and bisexual peoples, to name a few. Help ensure students' rights are met!

TRAVEL CUTS VOYAGES CAMPUS

CFS believes that travel is an integral part of any educational experience. That's why CFS owns and operates Travel CUTS/Voyages Campus, the only travel agency in Canada devoted to students. To help you with your travel plans, CFS produces *The Student Traveller* containing a potpourri of student travel deals, popular and off-the-beaten track travel destinations, and stories from other adventure travellers. It's all the information you need to make your travel plans complete.

The Student Work Abroad Programme and the Volunteer Abroad Programme

SWAP

To further travel opportunities for students, CFS operates the Student Work Abroad Programme (SWAP) and the Volunteer Abroad Programme. SWAP offers working holidays in Britain, Ireland, France, Finland, Germany, the Netherlands, Japan, Australia, New Zealand, Jamaica, and the United States. The Volunteer Abroad Programme offers summer archaeological, environmental, and social volunteer projects in Europe and the United States. SWAP and Volunteer Abroad allow you to better learn about other cultures and peoples, to add a meaningful element to your next vacation, and to, yes, have fun!

Hundreds of thousands of post-secondary students across the country— You are the Canadian Federation of Students.

Canadian Federation of Students

Fédération canadienne des étudiantes et étudiants

CFS FCEE

Vous êtes membre de la Fédération canadienne des étudiantes et étudiants, seul organisme étudiant à l'échelle nationale au Canada.

La carte de membre FCEE/Écono-carte étudiante est conçue pour vous aider à faire des économies et, de concert avec plus de 450 000 autres étudiant-e-s, prouve que vous vous efforcez d'améliorer la qualité de la vie étudiante au Canada.

C'est une affiliation dont vous avez toutes les raisons d'être fier-ère.

Venus de partout au Canada, des étudiantes et des étudiants se sont réunis en 1981 pour discuter de leur volonté de s'organiser de manière unifiée afin d'oeuvrer en vue d'aboutir à un système d'éducation postsecondaire de haute qualité et accessible à toutes et à tous. La Fédération canadienne des étudiantes et étudiants a été fondée et résulte concrètement de ce congrès.

Aujourd'hui, la Fédération canadienne des étudiantes et étudiants constitue la seule voix représentant plus de 450 000 étudiant-e-s inscrits dans plus de 70 universités, collèges et instituts techniques. La force de ce nombre et des efforts coopératifs d'étudiant-e-s au cours des années ont fait de la FCEE l'un des groupes de pression parmi les plus importants et les plus puissants au Canada.

La FCEE constitue une présence manifeste et elle veille à faire entendre les opinions des étudiant-e-s au Parlement tout comme dans ses coulisses à Ottawa ainsi que dans toutes les assemblées législatives provinciales de notre pays. Du fait des travaux de recherche et des activités de lobbying de la Fédération, les opinions des étudiant-e-s sur les enjeux comme le financement de l'enseignement postsecondaire, l'aide financière aux études et les programmes d'emplois d'été sont régulièrement et fermement portés à l'attention du gouvernement, des membres de l'opposition ainsi que d'autres décideurs et décideuses. Des comités spéciaux du gouvernement consultent régulièrement la Fédération lorsqu'ils désirent obtenir le point du vue étudiant sur les questions de politiques et sur les enjeux qui les concernent.

Grâce à la Fédération, les étudiant-e-s ont également mis au point un certain nombre de services conçus pour améliorer la qualité de la vie étudiante. Pour vous aider à économiser, la FCEE offre l'Écono-carte étudiante/FCEE, et les régimes d'assurance-maladie et d'assurance-

soins dentaires à prix abordable par l'intermédiaire du Réseau national d'assurance-santé étudiant. Pour vous aider à élargir vos horizons éducatifs, la FCEE offre des possibilités réflexion approfondie par l'intermédiaire du Service canadien de programmation et de ses conférenciers de renom. Son agence de voyages appelée Voyages Campus/Travel CUTS organise des séjours de travail dans le cadre du Programme vacances-travail, de même que des produits et services destinés spécifiquement à la clientèle étudiante.

Les étudiant-e-s de votre maison d'enseignement sont devenus membres de la FCEE après la tenue d'un référendum à l'échelle de l'établissement. Les représentants élus de votre association étudiante participent aux assemblées générales semestrielles pour discuter des questions qui les préoccupent, partager de l'information, et formuler des politiques. Le travail au jour le jour est effectué par des étudiant-e-s élus membres de l'Exécutif national et par un personnel professionnel.

Il est clair que des étudiant-e-s qui conjuguent leurs efforts peuvent faire bouger les choses. Pour vous informer sur la manière de vous joindre à ce mouvement, communiquez avec votre association étudiante locale, ou bien envoyez la carte ci-jointe à la Fédération canadienne des étudiantes et étudiants. Votre fédération nationale a besoin de vous!

La FCEE et la Réforme de la sécurité sociale

Le programme de prêts étudiants à remboursement proportionnel au revenu, présenté dans le cadre de la Réforme de la sécurité sociale du gouvernement fédéral, constitue de nos jours l'un des enjeux parmi les plus importants à confronter les étudiant-e-s. La FCEE est aux premières lignes des discussions et de la recherche sur cette réforme et sur ses conséquences éventuelles sur le financement des études et de l'enseignement postsecondaire. Il est de première importance que vous sachiez comment cette réforme vous touchera personnellement tout comme vos études— avant qu'il ne soit trop tard.

La FCEE et les droits des étudiant-e-s

Tous les étudiant-e-s ont le droit à une éducation de qualité dans un milieu sécuritaire et productif. Pour faire en sorte que ce droit soit respecté, la FCEE défend et représente tous et toutes les étudiant-e-s. L'un des moyens qu'elle exploite est la tenue de campagnes. Dans les années passées, la FCEE a mené des campagnes sur l'éducation, les peuples autochtones, les femmes et les étudiant-e-s gais, lesbiennes et bisexuel-le-s, pour ne nommer que quelques groupes. Aidez à faire respecter les droits étudiants.

❑ ***Veuillez communiquer avec moi***

TRAVEL CUTS VOYAGES CAMPUS La FCEE estime que les voyages forment partie intégrante de toute expérience éducative. C'est pourquoi elle est propriétaire exploitante de Voyages Campus/Travel CUTS, la seule agence de voyages au Canada qui se consacre aux étudiant-e-s. Afin de vous aider avec vos projets de voyage, la FCEE produit *L'étudiant voyageur*, pour vous apporter un vaste choix de programmes spéciaux parfaitement ciblés, de destinations populaires et moins courues, et de récits d'aventures vécues par d'autres jeunes voyageurs. C'est le complément de renseignements dont vous ne pouvez vous passer pour mettre au point vos projets de voyage.

PVT

Le Programme de vacances-travail et le Programme de bénévolat à l'étranger

Afin d'élargir encore les occasions de voyage des étudiant-e-s, la FCEE dirige le Programme de vacances-travail (PVT) ainsi que le Programme de bénévolat à l'étranger (PBE). Le PVT offre des possibilités de séjours de travail en Grande-Bretagne, en Irlande, en France, en Finlande, en Allemagne, en Hollande, au Japon, en Australie, en Nouvelle-Zélande, en Jamaïque et aux États-Unis. Le PBE propose des projets d'été, en Europe et aux États-Unis, dans les domaines touchant l'archéologie, l'écologie et le domaine social. Le PVT, de même que le PBE, vous donnent la possibilité de mieux connaître d'autres cultures et d'autres peuples, de donner un complément utile à vos prochaines vacances et, oui, bien sûr, de bien vous amuser aussi!

Des centaines de milliers d'étudiants du niveau postsecondaire partout au Canada— Ce sont eux qui forment la Fédération canadienne des étudiantes et étudiants.

POUR EN SAVOIR PLUS SUR VOTRE FÉDÉRATION ÉTUDIANTE NATIONALE

TAKE ANY 8 CDs OR 11 CASSETTES FOR 1¢

TO GET 8 CDs FOR 1¢...

Write the numbers of your 8 CD selections in the boxes provided in the CD section on the Columbia House Music Club membership form to the right. We'll send them to you and bill you just $1.86 (1¢ for your CDs, $1.85 for special shipping & handling). In exchange, you agree to buy just 7 more CDs over the next three years at regular Club prices which currently range from $15.98 to $19.98* (plus regular shipping and handling).

Get 2 more CDs now at great savings and have 2 less to buy later! Make sure you check the box on the coupon to take advantage of this special offer!

OR 11 CASSETTES FOR 1¢...

Write your 11 selections in the Cassette section on the attached Columbia House Music Club membership form and include your cheque or money order for just $1.86 (1¢ for your cassettes, $1.85 for special shipping & handling). In exchange, you agree to buy just 8 more cassettes over the next three years at regular Club prices which currently range from $10.98 to $13.98* (plus regular shipping and handling).

Get 2 more cassettes free and reduce your agreement by purchasing your first cassette now for only $4.98! Check the box on the coupon to take advantage of this special offer!

BENEFITS OF THE CLUB

■ **Hundreds of choices come right to your door!** Every 4 weeks you'll receive the Club's Music Magazine highlighting the Selection of the Month for your musical interest...plus hundreds more selections from every field of music – many at discounted prices!

■ **Buy only what you want!** It's so easy...if you want the Selection of the Month – do nothing and it will come to you automatically! If you want another selection, or none at all, just fill in the response card always supplied and mail it back by the date specified.

■ **You always have at least 10 days to decide.** If not, you may return the selection at our expense.

■ **Save on special deals!** Up to 5 times a year, you can receive offers of Special Selections, usually at great discounts!

■ **Instant 50% Off Bonus Plan Savings.** From the moment you join, you can take a CD or cassette at 1/2 price when you buy one at regular Club price.

■ **Get even bigger savings.** If you continue your membership after fulfilling your obligation, you'll be eligible for more money-saving Bonus Plan benefits. Under the current plan, single CDs are as low as $5.99 and cassettes as low as $1.99 with every regular Club purchase.

■ **10-Day Free Trial!** You take no risk by ordering now. We'll ship your selections and details of your membership. If you're not completely satisfied return everything within 10 days for a full refund and no further obligation.

■ **Columbia House Guarantee:** Manufactured by the leading record companies to exacting industry standards, the quality of our CDs and tapes is 100% guaranteed!

*Some multi-unit sets, double-length CDs and cassettes, and special selections may be higher. GST will be added.

WHO *says* *you can't* TAKE it *with* YOU?

Enjoy the taste of Little Italy right here at East Side Mario's Restaurants. But if you can't stay, ask for our Take Out Menu which features a wide selection of East Side Mario's favorites that you're sure to enjoy!

$2 THIS COUPON ENTITLES THE BEARER TO A DISCOUNT OF $ 2 OFF OF ANY REGULAR PRICED DINNER ENTREE.

The Alumni Association of Lakehead University's primary mission is to further the reputation of LU and to serve as a continuing link between graduates and the University. The Alumni Association provides you with a way to stay in contact after graduation and the opportunity to help shape the future of your Alma Mater.

Founded in 1982, the Alumni Association consists of over 22,000 graduates living throughout Canada and the world -- People that have been through a very similar experience to you; people who are anxious to hear about life at LU in the Nineties; people who are open and willing to support and help the students of today.

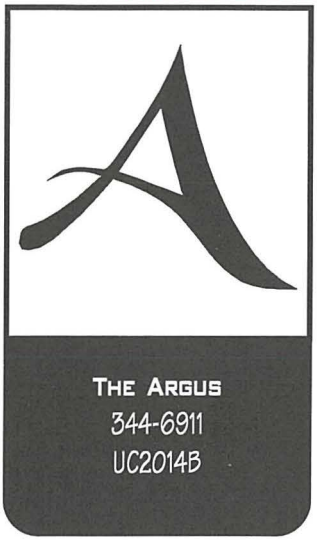

The Office of Alumni Services provides administrative support to the Association and assists with the organization of a variety of social events both on and off campus. Each year the Alumni Association conducts the Alumni Annual Fund drive; a fund raising campaign that touches every area of the University. It is the Annual Fund that provides nearly $10,000 a year in scholarships directly to students and funds a wide range of projects in every area. Last year graduates donated over $150,000 to make LU a better place for you to receive your education. In addition to this, Lakehead Grads have pledged over $300,000 toward the Alumni House/Fellowship Residence project.

The Alumni Association also raises money for the University through the LU MasterCard (applications available at Alumni House), low cost group life insurance, and the sale of Lakehead rings, watches, and degree and picture frames. Many of these products are on display at Alumni House and the Alumni Bookstore.

If you would like to become involved in the association, please contact Rob Zuback, Manager, Alumni Services, at 343-8155. Many of our volunteer opportunities will provide you with the chance to gain valuable work experience and to meet a great number of people from the business community. Paid opportunities also exist for student callers to assist in raising money for the Annual Fund.

The Argus

Lakehead University's Official Student Newspaper

Once upon a time, when corduroy pants were fashionable and cars got ten kilometres to the gallon, the Argus was created...

And they saw that it was good...

The Argus is the official newspaper of Lakehead University. Covering a wide range of topics from campus news to Leonard Cohen, the Argus strives to represent all facets of the University, while keeping students abreast on the latest from "the real world." Membership is open to all the students of L.U. and everybody is encouraged to get involved with the paper. A publication, regardless of its size, is only as good as its writers. Contributors are the backbone of the paper and are, therefore, required en masse to keep content diverse and the quality high! So come on up to UC2014B if you have an interest in writing, editing, photography, art, music or performing layout. We promise to leave the shackles at home.

Join A Club

Joining a club is a great way to meet new friends who share common interests. Every year LUSU charters a number of student societies and clubsa.. These organizations play an important role on campus because a learge part of your university experience takes place outside the classroom. In fact, much of your learning occurs outside of the classroom by becoming involved in a variety of the organizations on campus. LUSU acknowledges clubs of many stripes; however, political organizations are not granted such status. All clubs on campus may operate as long as all students have the right to participate free of discrimination.

Each September, shortly after classes begin, LUSU hosts Club Days. These days give you the opportunity to learn more about the various clubs and organizations, meet with club members and explore the vast number of activities available to you. New clubs are also encouraged so that students may pursue their interests. LUSU is available to assist any individual in organizing a new club.

For more information on student groups, please call the LUSU Vice-President Finance at 343-8553.

The following is a list of some of the many groups which have been established as clubs on campus:

1. ACE (Entrepreneurs)
2. AFCASA (Afro-Caribbean)
3. AIESEC
4. Anthropology Club
5. BGLLU (Bisexuals, Gays & Lesbians)
6. CSCE (Civil Engineers)
7. CSChE (Chemical Engineers)
8. CSME (Mechanical Engineers)
9. ECHO)) (Environmental Choice)
10. ESO (Education)
11. ESS (Engineers)
12. Geography Club
13. History Club
14. IEEE (Electrical Engineers
15. ISA (Indian Students)
16. JSS (Jewish Students)
17. LAB (Biology)
18. LU Forum (Political Studies)
19. LUACT (Creative Theatre)
20. LUAHA (Anonomous Hackers)
21. LUBA (Business)
22. LUCF (Christian Fellowship)
23. LUFA (Forestry)
24. LUGA (Gamers)
25. LUKC (Kayaking)
26. LUMA (Music)
27. LUMSA (Mature Students)
28. LUNSA (Native Students)
29. LUPA (Philosophy)
30. LURock (Rock Climbing)
31. LUSki
32. LUSN (Students of Nursing)
33. LUSPA (Psychology)
34. MCSA (MultiCultural)
35. MSA (Muslim Students)
36. ORSS (Outdoor Recreation)
37. PEAL (Phys-Ed)
38. SASA (South Asian Students)
39. SWASA (Social Work)
40. The ARGUS
41. The Ventriloquist
42. VAN (Visual Arts Network)
43. Women's Rugby

ACE - LAKEHEAD

Association of Campus Entrepreneurs
343-8850

ACE stands for the Association of Collegiate Entrepreneurs. Although ACE is an entrepreneur club, we welcome people from all faculties, so don't feel that you have to be a business student to join.

Members of ACE-Lakehead have the opportunity to go to, learn at, and PARTY with people at national and international conferences every year. Money earned from the fundraising ventures contributes to sponsoring seminars and sending people to conferences.

Watch for our general meetings so you can join ACE. You can also drop by our office at UC 2018A , give us a call at 343-8817, or visit our table outside the Main Cafeteria during Club Days. We hope to see you in ACE this year.

"JOIN US NOW OR WORK FOR US LATER!"

AFCASA

African Caribbean Student's Association
343-8815

The African Caribbean Student's Association is dedicated to provide a meeting place for people with similar cultures. If offers a chance to meet new friends, and learn something about cultures. We welcome students from all backgrounds so that we can talk together and get to know each other, rather than talk about each other.

The AFCASA office is located in UC2016

AIESEC

343-8817

AIESEC is an international, non-profit, totally student run organization existing in 71 countries across the globe. All of these countries participate in an international job exchange programme.

AIESEC provides interaction between students and business people of different cultures and nations. This interaction occurs through the traineeship programme, conferences, seminars and most importantly PARTIES all over the world.

We welcome students from all faculties to come and enjoy an international experience! Give us a call or drop by our office for a coffee at UC 2018A.

"IN AIESEC there are no strangers, just friends you haven't met yet".

BGLLU

Bisexuals, Gays and Lesbians of
Lakehead University
343-8813

Lakehead University's campus is a very diverse place, and just as can be noted in the world's every day existence, Bisexuals, Gays and Lesbians are everywhere around us in all that we do, as are Heterosexuals. We all deserve a safe space to live in physically, emotionally, spiritually, and yes, even scholastically!

Why then, if this is an understood reality, is there any necessity at all for such a club to exist?

Bisexuals, Gays and Lesbians of LU (a.k.a. "Be Glue") is a reasonably new club on campus, but its presence has been a long timecoming. the 1992-93 academic year saw Be Glue attain official club status with LUSU and we can be easily contacted through our mailbox there. We will also have a phone number diplayed through campus media if you want to contact us. We have fairly regular weekly drop in nights/meetings, host gay-positive movie nights, run poster campaigns, and just generally strive to educate the campus and to combat homophobia and heterosexism.

In short, watch the media, raise your voice against the silencing, come out to our meetings, get involved, or just use the club's existence on campus to reassure yourself that you're NOT alone - we don't have to be alone anymore!

BE GLUE!!

CSCE

The Canadian Society for Civil Engineering
343-8684

The Canadian Society for Civil Engineering (CSCE) at Lakehead University is a student chapter of the CSCE national body. We are a non-profit organization whose mandate is to provide both social and technical opportunities for our members. We regularly host guest speakers on campus as well as organize off campus tours to expose students to a variety of civil related topics. Numerous non-academic activities are scheduled to encourage involvement in the social aspect of university life. For further information on membership please contact the Engineering Office at 343-8684 or Dr. Claude Johnson at 343-8389.

ECHO))

Environmental Choice
343-8800

Echo)) is LU's environmental awareness club. The mandate of ECHO)) is to educate the university community and promote an awareness of environmental problems at the local, regional, national, and global levels. ECHO)) provides opportunities for concerned individuals to take positive action towards improving the manner in which the university community interacts with the environment. ECHO)) activities include information and display booths, recycling, guest speakers, and the organization of an annual Environmental Awareness Week. We urge all student who want to tale an active role in helping the environment to cone out and see what ECHO)) is all about.

Geography Club

343-8259

The LU Geography Club exists to promote the discipline of Geography, and act as a forum for all Geography students to interact. The Geography Club is open to all interested students - one does not have to be a Geography major to join. The only requirement is an interest in Geography. Be it in rocks, rivers, retail, or recreation, the Geography Club will be of interest to you.

The club executive are busy planning events throughout the school year. Look for field trips, meet your professor night, career sessions and pub night.

Watch for the Geography Club! Information about memberships and events will be available in the Geography Department (2nd Floor, Education Centre) and during Club Days in September.

JSS

Jewish Students Society
343-8259

Shalom. The object of the JSS is to promote the unity and pride of Jewish Students on campus, as well as, promote dialogue with other cultures with the aim of developing cultural awareness on campus. As part of our objective, we provide cultural and religious services to students who require such, as well as social events.

We maintain close ties with North American Jewish Students Network and Jewish Students Societies at Universities across the country. Although we are primarily a cultural-social organisation we have found the need for part of our programming to be educational and political. The membership includes both faculty and students.

Feel free to contact us through LUSU.

LUACT

Lakehead University Association for Creative Theatre
343-8259

LUACT was formed in the fall of 1991 by a group of students and faculty who saw the need for more theatre and related activities on the Lakehead Campus. Our mandate is to present as many great, fun and informative projects as possible.

Membership is open to all students of Lakehead University and all faculty and support staff are welcome as non-voting members. We can be reached through our mailbox at LUSU. This year we hope to see new and old faces alike. Come out and see what LUACT is all about! (No Experience Necessary!).

LUCF

Lakehead University Christian Fellowship
343-8259

Lakehead University Christian Fellowship is part of an international, inter-denominational group which meets on campuses for a variety of reasons. For the Christian student, we encourage maintaining one's relationship with Christ through prayer and interaction with other belivers. For the non-Christian student, we hope to portray Jesus Christ as a desirable option for anyone's life situation.

Our weekly meetings are great! We sing, pray, consider Bible passages, play games, and get to know each other. LUCF also holds small group Bible studies, Biannual retreats, and sponsors events like Christ Awareness Week.

Look for LUCF posters to confirm meeting time and place. Whoever you are, wherever you're from, whatever you eat for breakfast, you'll want to be checking out this club soon!

LUCK

L. U. Club for Kayakers
343-8259

Learn to kayak, have fun, no experience required.
What more needs to be said?
Membership information available at LUSU.
Keep on '*yakin*! (*ka*yaking I mean!!!)

LUFA

Lakehead University Forestry Association
343-8805

LUFA is one of the "oldest" clubs on campus, and represents ALL forestry students. There are many activities for everyone to get involved in. Some of the activities planned for the 94/95 year include, Crest Nite, fishing at Squeers Lake, various social events, football, curling and bowling tournaments. Our forestry hockey team has been quite "unstoppable" during the past few years.

LUFA supports the Woodsmen Team which competes nationally. There is an intramural woodsmen competition in January for all to participate in.

Also in January is the "27th Annual Forestry Symposium". Topics address national and international concerns regarding all realms of forestry.

Many of the events aid us in supporting the United Way and the Thunder Bay Shelter House.

LUFA meets weekly in UC0015, so come on down and visit us. We promise you a fun and exciting 94/95 school year.

LUMSA

Lakehead University Mature Student Association
343-8259

Welcome mature students to the 1994/95 school year. This association is for you if you have been away from formal post-secondary education for more than two years. The Mature Student Association is for the benefit of all full and part-time students. There is a new executive this year and we hope to see you out at our first meeting during orientation week September, 1994.

Last year a significant accomplishment of the Association was the initiation of a mature student scholarship. There were some social activities last year which helped to lessen some of the stress associated with midterms, etc...

This year we hope for bigger and better happenings. One thing that will ensure that is your participation. There is a LUMSA mail slot in the Student Union office if you wish to contact us. Look for signs in the halls regarding LUMSA activities and we look forward to seeing you at our meetings.

LUNSA

Lakehead University Native Student Association
343-8085

The Lakehead University Native Student Association (LUNSA) was established in the early 1980's. Its purpose is to provide social, cultural, educational and recreational activities to meet the needs of the native student population. LUNSA has hosted the annual Elders' Conference two consecutive years. The Native Support Services Office is the centre where the students can come and relax. The office is located in room SC0004B. Check it out!

LUPA

Lakehead University Philosophy Association
343-8259

LUPA's aim is to encourage philosophical discussion and debate on contemporary issues, as well as classical philosophical thought, through student or faculty paper presentation, symposia and films. Student presentations usually consist of papers written to fulfil current course requirements (philosophy or related) and are often followed by rebuttals from faculty members or student peers. This provides an opportunity to hear what is expected in high quality essays and to engage in stimulating discussions in a relaxed, informal setting. Come see us during Club Week for more information or leave your name and telephone number in our LUSU mailbox.

LUROCK

Rock Climbing Club
343-8813

This high adventure and extremely active club was formed two years ago and has introduced the pleasures of rock-hopping to many people since then. LUROCK is a club devoted exclusively to the promotion and facilitation of rock and ice climbing at the University level. The majority of our members have never experienced "moving over stone" before so LUROCK devotes its fall (the time of year) to taking out new and experienced members to the local climbing crags. The area abounds with great rock. This year's members will have the opportunity to utilize the club's climbing gear along with various books and publications such as CLIMBING and ROCK & ICE that are available for reading in our office (UC2013). When the winter months close in, LUROCK makes regular trips to Duluth, Minnesota to train on the indoor climbing wall at their University. This year will undoubtedly surpass last year as an exciting and expanding year for Lakehead University's most adventurous club!

LUSKI

Lakehead University Ski Club
343-8802

The LU Ski Club is comprised of skiers who enjoy downhill skiing, but hate to pay the high prices. Run by skiers for skiers, LUSKI caters to enthusiasts of all abilities.

There are many advantages to a LUSKI membership. Though arrangements with the four local ski areas, Loch Lomond, Candy Mountain, Mount Baldy and Big Thunder, LUSKI members get up to half-price off lift tickets every time they go skiing! Discounts are also available on rental equipment. To beat transportation problems, LUSKI runs a free ski bus to a different ski area each weekend. Watch for our schedules on bulletin boards across from security, around school, and at LUSU. Local ski retailers honour LUSKI membership cards by giving discounts of 10%-20% off all purchases! All that's needed for those incredible discounts is your LUSKI membership card! Watch for our annual Suds n' Snow Ski Show in November, and other great ski parties throughout the year.

Memberships will be on sale during Orientation and again in November when the snow flies! Be sure to watch the bulletin boards for information, come to our office (UC 0021B), or call the Snow Phone at 343-8802. Have a great year, and see you on the slopes!

LUSPA

Lakehead University Student Psychology Association
343-8259

The LU Student Psychology Association offers a huge conglomeration of academic services and social functions for all of its members. From our uproarious socials, to arranging brilliant speakers, to assisting students LUSPA is here to benefit YOU! A combination of both exceptional educational opportunities and sensationally good times are the SPA's focus. You can call us at 343-8860 or see us at the LUSPA office located at UC 2016. We are always glad to meet new people so come down, get to know us and join in on the fun!

MSA

Muslim Student Association
343-8884

MSA welcomes all students to the new academic year.

The Association objectives are: to foster healthy relations between Muslim students and other students from different cultures and nations and to give them a better understanding of Islam in order to avoid stereotypical images and contradictions with Islam and Muslim students; to provide basic necessities to Muslim students such as daily prayer schedules, Friday congregational prayer and celebration of Islamic and other social festivals; to arrange seminars, meetings and other activities throughout the year in order to discuss the current issues facing the world and Canada.

We have a collection of literature, video tapes and cassettes about Islam, Christianity and other religions which are available free of charge to all students. Membership if free and open to all students. Please feel free to drop in to UC 2019A or call 343-8884.

Finally, we wish all students success in their studies.

LUSN

Lakehead University Students of Nursing
343-8860

The Lakehead University Students of Nursing would like to welcome you all new and returning Nursing students. The club represents all nursing students on campus. There are activities planned throughout the school year and we encourage all students to come out and support their association.

Certain fundraisers are held each year including the sale of Nursing T-shirts and OR greens.

For further information regarding the Nursing Association, feel free to contact the Nursing executive, we are more than willing to help you out.

ORSS

Outdoor Recreation Students' Society
343-8805

ORSS would like to welcome all new and returning students to the new school year. For those of you who are not familiar with ORSS, it is an association which is geared towards the Outdoor Recreation, Parks and Tourism programme. All students registered in the programme are automatically considered members, and those who are not in the programme are more than welcome to join up. Students are asked to purchase an inexpensive ORSS club card in September which entitles card-holding members to significant discounts on all ORSS-sponsored events. The executive, with the exception of class representatives, are elected at the end of each academic year. In September, two or three student representatives per academic year will be chosen. Anyone else interested in helping out can participate in the social and newsletter committees.

The purpose of ORSS is primarily to promote the interests of outdoor recreation, parks and tourism. Organizing events of academic and/or social nature throughout the year is one of ORSS' objectives, but one of the more important functions of ORSS is to set up and subsidize numerous certification courses. These courses provide economical opportunities to get the prerequisite certifications necessary for registration in some of the required and elective courses in the programme. In addition, ORSS acts as the liaison between the student body, the School's faculty and LUSU.

For those of you who are not ORSS members, there are numerous opportunities for you to participate in ORSS sponsored events. ORSS encourages everyone to become involved. Questions or inquires can be left in the ORSS mailbox at LUSU. We look forward to meeting everyone in the fall.

PEAL

Physical Education at Lakehead
343-8259

PEAL is glad to welcome back all members and students enrolled in Physical Education.

PEAL is a club that offers a conglomeration of academic services and social functions for all of its members. All students registered in the programme are automatically considered members of PEAL.

The executive, with the exception of class representatives, are elected at the end of the academic year. In early September, two student representatives per academic year will be elected from the class. Anyone interested in helping out can participate on the social and yearbook committee.

In addition, PEAL acts as the liaison between the Student Body, the School's Faculty and LUSU. PEAL encourages everyone to become involved.

If you have any questions regarding PEAL, you are invited to contact the executive through our LUSU mailbox or mailbox in the Physical Education Office. Finally, we wish you success in your studies this year.

Women's Rugby

Some of the greatest things about playing Women's Rugby is that it's fun, it hurts so good and smells so bad and it's a great way to learn a bunch of nasty songs about men, that you can sing in the shower but not a t your parents' dinner table. Another great thing is that you can join even if you have never stepped on a pitch before and wouldn't know a rugby ball if you got hit by one. The Lakehead university Women's Rugby Football Club is always looking for new and experienced players. The team meets three times a week for the first three months of the school year. After that we move indoors to train for the next season.

We always start with the basics and move on from there. There is usually two road trips per season and these are the highlights of rugby.

If you are interested in playing, or watching, or want any information call the athletics department. You can also call LUSU, or drop in, and leave a message in our mailbox.

SASA

South Asian Students Association
343-8259

Yo, what's up - SASA POSSÉ IN THE HOU-U-USE! All you Bhangra fans and party animals, this is the club for you - look no further - read on!

What is SASA? It stands for the South Asian Students Association and membership is open to all students from all ethnic and religious backgrounds.

What we did and what we plan to do: We encourage all members to take part in the sport and activities organised by the Club (i.e. cricket, volleyball, soccer, table-tennis, skiing and lots more...) There are regular movie nights and many other social gatherings including the Clubs Third Annual Cultural Night.

The club wants participation and suggestions from all members and with your dedication, we plan to become the number ONE club on the LU chart.

Women of Colour

Welcome to all new and returning students. We encourage everyone to get involved in extracurricular activities, Greater involvement will only make your academic experience more rewarding. Our aim is to educate the community and ourselves, through seminars, workshops and a number of discussion groups held throughout the year. Women of all walks of life are encouraged to join. For only by coming together can we make things better.

For information please leave a message in our LUSU mailbox.

Too busy to get involved? Nah! The Argus is always on the lookout for eager and enthusiastic journalists. So if you think you've got what it takes, come on up to UC2014B and become a part of the Argus team!

Phone: 344-6911
Fax: 343-8598

Graduate Students

There are about 200 students enroled in Graduate Studies at Lakehead University. With new programs like a PhD. in Psychology, and Masters of Science in Engineering, this number is growing quickly and rapidly. Graduate student life is sometimes different from that of undergrads--we are governed by different academic regulations, have the added responsibility of working at LU, and different social wants and needs too. There are people and groups on campus who work with grads on all of these things:

CUEW Local 5

All grads employed as GA's or TA's are members of the Canadian Union of Educational Workers (CUEW) Local 5. The great people at Local 5 (who are mostly grads like you) can tell you everything you need to know about your employment and benefits, the collective agreement, and what's up with the Union. There are good opportunities to get involved at CUEW and if you're interested go see them in UC20198 or call 343-8438.

Academic Concerns

For academic matters, the office of Graduate Studies and Research on Dean's Row, of the Graduate Studies Coordinator for your department are the people to see. Don't be afraid to access the faculty and staff in your department. Many grads have more personal and friendly relationships with faculty, making for a great learning and social environment.

LUSU

There is someone elected each year to the LUSU Board of Directors to represent Graduate Students. Guan Xiang Yang (Sunny), is this year's rep, and is the one to see if you want to give your input about how LUSU is being operated. He has a mailbox in the LUSU office, and his job is to represent you. Call on him if you have any questions, suggestions, or concerns.

Grad Student Life

As a grad this is something I find to be lacking at LU, and this is only because we have not found a way to get together and have fun. There are many student leaders who are involved with LUSU who are grad students this year, so lots of focus is being put on organizing a Graduate Student's Association (GSA). A GSA will act in a number of capacities: a social gathering place, an outlet to discuss things with graduate student leaders (like Student Senators, grads who sit on Senate committees, CUEW Executive) who want to know what your concerns are when they represent

grads on important University decision making bodies, a place to activate on issues concerning graduate students. The establishment of a GSA will also get us a voting seat on the National Graduate Council (which is part of The Canadian Federation of Students, CFS) and the Ontario Graduate Association (part of CFS-Ontario), lending our voice to the national and provincial student movements. Interested? Come down to LUSU and talk to Stephannie Roy, VP Student Issues (and a grad), we'll be starting up in late September, and would welcome any help we can get. As grads we have lots of different experiences and talents, drop by LUSU and put yours to work.

Wishing you success in your academic endeavours.

From your friends at:

Avenor

2001 Neebing Avenue
Thunder Bay, Ontario

"Simply the Best"

LU Radio

The Student Radio Station of Lakehead University

The Only Alternative

WE'RE BACK !! And gosh-darn-it, we're ready to tear the place apart!

Plus, we've expanded! Now you can hear LU Radio almost everywhere! We're ready to start another year of keeping you in-touch with the sounds and sites of Lakehead University.

For new students, or returning students who didn't see or hear much of Lakehead last year (except for the back of professor's heads and the drone of ancient "instructional films") LU Radio is a student run and operated closed circuit radio station on campus. Our format has something for everyone...heavy metal, blues, classical, alternative, folk, jazz, talk shows... in fact, anything goes. All it takes is a little imagination.

In order for LU Radio to work, we need students to give us a hand in a whole bunch of areas, for example: if you love music and have a nack for putting great tunes together, give us a call; if you love to talk about stuff and can provide a new twist, give us a call; if you love talking to people and have always wanted to do it in front of a microphone, give us a call; if you have great ideas and not enough avenues to express them, give us a call; if you have a great imagination, give us a call! In fact, if you are just listening and want to hear a particular tune, give us a call on our request line. LU Radio is your radio station, and needs your support, so...GET INVOLVED!

Throughout the year LU Radio has on the air give aways, so make sure that you are listening. We also have regular weather reports, concert information, campus happenings, music give aways and off the wall promotions. So keep those ears open!

If you have any questions about LU Radio, or would like to help us out, drop us a line. Our mail box is located in the LUSU office, or you could give us a call at 343-8882. Better yet, drop by the station - we're located in University Centre #2014A (second floor up from the Study, around the corner from the employment centre).

Have an interesting year, and remember to keep your ears open, you may be surprised with what you hear.

THE MARCH BREAK ACTION IS HERE!

Thunder Bay will host the biggest festival of fun when we celebrate the Nordic Spirit! from March 9 -19, 1995. The 1995 Nordic World Ski Championships will bring Thunder Bay to the world as we welcome 600 of the best cross country skiers and ski jumpers from 40 countries to eleven days of fun and excitement.

Join with 50,000 spectators from Canada, the US, and abroad and experience the pageantry and colour of the opening ceremonies and the thrill of victory as the world's best take world championship titles at Big Thunder National Ski Training Centre.

You won't have to go to Florida this March because the action is here! The city will be alive with concerts, performances, exhibits, ceremonies and more! It's our chance to show the world what Northwestern Ontario hospitality is all about! Celebrate the Nordic Spirit here in Thunder Bay!

We have two tyrannous physical passions; concupiscence and chastity. We become mad in pursuit of sex: we become equally mad in the persecution of that pursuit.

GEORGE BERNARD SHAW (1856-1950)
ANGLO-IRISH PLAYWRIGHT, CRITIC

At Johnvince Foods you get...

A BETTER SELECTION!

Johnvince Foods is Thunder Bay's largest bulk food store. You'll find many hard to find items at Johnvince Foods - health foods, ethnic foods, cake decorating and candy making supplies, a great variety of birthday party needs including cards, party favours, cake molds and more.

You'll also find...

over 100 spices!!
over 250 candies!!
including sugar free
45 coffees!!
including regular, gourmet, decaf and flavoured
77 teas!!
43 pastas!!
including organic, whole wheat, spinach and vegetable
18 varieties of flour!!
10 varieties of rice!!
Whole grains and cereals!!
26 soup bases!!
33 beans and legumes
19 baking extracts
even 7 different kinds of coconut!!
96 nuts and snack foods!!
33 varieties of melting chocolate!!
including chocolate chips
15 flavours of drink crystals!!

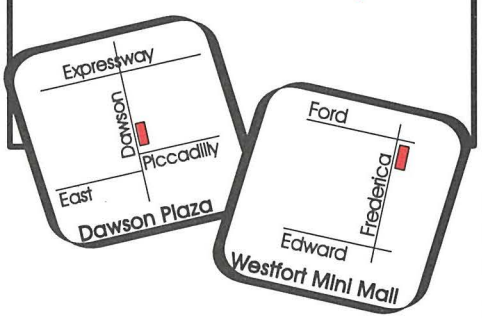

And...

Vitamins, Fat Free and Cholesterol Free Foods, over 200 types of Beer and Wine Kits, Pet Foods, Raisins and Dried Fruits and so MUCH MORE!!!

WHY BUY BULK?

Today it is more important than ever to shop bulk at Johnvince Foods. When buying bulk you can take as much or as little as little as you wish. You don't end up paying for more than you need. It's good for the environment too! Packaging can contribute up to 45% of municipal waste, waste that fills the landfill and pollutes the water. By buying in bulk you can cut packaging drastically and still get the products you want.

Buy in Bulk and Cut Your Grocery Bill.

Academic Things You Should Know (Because sometimes your Prof needs to be reminded)

There are many academic regulations which govern you as a student, and your Professors as instructors. Sometimes, ***some*** Professors do things which are in violation of these regulations, and you have the right to challenge these decisions. The academic regulations which you are required to understand are in the course calendar, but here are the ones you should be the most aware of.

If a Professor does something this year which violates a Lakehead regulation or something you *think* violates a Lakehead Regulation, come and see Stephannie Roy, VP Student Issues, who will help you straighten it out.

Tests In The Last Week Of Classes

This is a no-no. There is a policy in place at LU which states:

"In all courses instructors must not give any form of test other than laboratory and drafting tests in the last 5 days of classes without prior approval of the faculty dean."

This means that in the last 5 days of classes before the winter and final exam periods you cannot be made to write a test or exam, despite what your professor says. This gives you time to finish those mounting essays and assignments. If he or she tries it, show them the course calendar, or this, and if that doesn't work, come down to LUSU.

Your Course Outline

It is required that all course instructors provide every student in the class with *written* "information concerning course requirements, assignments, evaluations procedures, and any other relevant material..." (LUFA Collective Agreement section 16.02.06). This information is in effect your contract with the instructor. You know up front what will be required of you (allowing you to decide whether or not to stay in the course), and provides you with a degree of protection as well. This is because the structure of the course (ie breakdown of marks, number of assignments etc.) cannot be changed without the consent of *everyone* in the class, and with appropriate notice. So, if a prof wants to change the structure of the course, and you don't like it, tell him/her. If s/he asks you to sign something saying you accept the changes--don't. Also, show this to your friends, and the instructor. And if the friendly reminder doesn't work, talk to the chair of the department, or come to LUSU.

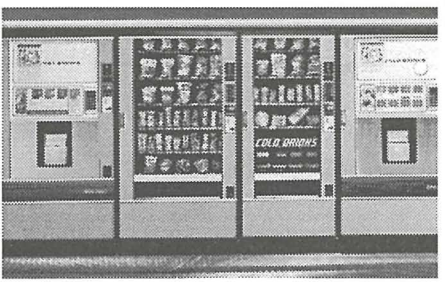

There are wrong and right ways to study effectively, and have a successful academic career. The Learning Assistance Centre offers sessions on the right ways to study, but if you're in a rush, here's some condensed advice:

1. Attend all lectures
2. Write lecture notes clearly and concisely. Record important points mainly (writing more slowly helps)
3. Read and understand lecture notes on the same day they were written. Refer t the textbook and list questions for the prof.
4. Complete assignments and lab reports on the same day they are given, preferably before going home.
5. Give long term papers top priority in the first half of the term, and try to complete them in six weeks.
6. Review all lecture notes from the beginning of the term for all courses once a week. Saturday morning is a good time for this and should not take longer than two hours by the end of the term.

These are the most important ingredients of successful university study plans. About three to fours hours week day afternoons and one to two hours Saturday mornings are required to make the plan succeed, meaning 15 to 20 percent higher average grades than that achieved without a study plan, and to allow for important leisure time evenings and weekends.

(This information was originally part of the responses received from the survey conducted by the Senate Ad Hoc Committee on Examinations in the Library, 1994)

How To Do L.U.

Don't consider yourself unusual if you haven't spent much time reading the University Calendar. Most students want to take their courses and graduate with minimum hassle, and the LU Calendar is not the most user-friendly of information sources to help you. Unfortunately, there are a number of administrative "chores" each student has to cope with during the academic year. By referring to this part of the handbook, you can eliminate guesswork, avoid missed deadlines, and ensure that"administrivia" doesn't interfere with a satisfying and successful year of studies.

Some features you may find particularly helpful include **a glossary** that defines terms you may not be familiar with, and **Tips** to provide helpful hints about procedures.

DOES THIS GUIDE REPLACE THE LU CALENDAR?

NO! This guide does not mean that you can ignore the existence of the LU Calendar. The Calendar is still an important resource which you should plan to read (at least read the section on your particular degree or diploma programme and the section on academic regulations). The Calendar is the official statement of the Universitiy's curriculum and lists the courses required for each programme at LU. The Calendar also contains descriptions for all Lakehead courses (except Continuing Education courses).

The LU Calendar is an official publication for the use of students. It is also a legal document containing terms and conditions upon which students are accepted and enrolled. The Calendar contains all official policies and procedures respecting admission, registration procedures, examinations, academic standings, and community regulations, as approved by Senate and the Board of Governors.

This section of the handbook is a more user-friendly summary of what appears in the Calendar. Because the Calendar is a legal document, however, it takes precedence. In the event of any inconsistency, the Calendar will prevail.

WHAT ARE MY RIGHTS AS A LAKEHEAD STUDENT?

Like all citizens, students are protected by the Canadian Charter of Rights and Freedoms and the Ontario Human Rights Code. These rights include freedom of the press, freedom of association, and freedom from discrimination. You are also protected against hate literature under the Criminal Code.

In addition, Lakehead has developed a number of policies to protect your rights as a student. Here are some of them.

COURSE MANAGEMENT POLICY

This policy ensures that students receive essential information about each course, at the beginning and throughout the duration of the course.

The professor must provide a course outline at the beginning of the term. The outline must contain:

- The professor's name, office location and office telephone number.
- The professor's office hours - times students can talk to the professor outside of class.
- A description of the course.
- A list of course assignments, tests, and approximate deadlines.
- A marking or evaluation scheme (that is, what each assignmnent, test, exam, or other course requirement will be worth as part of the final grade).
- A statement of the teaching mode.

Any changes in course assignments, tests, approximate deadlines, or in the marking or evaluation scheme must be discussed in class and approved by the whole class prior to being implemented.

TIP>>

Many people who teach night classes do not work at Lakehead during the day and do not have an office here. Be sure your night course instructors give you a telephone number where you will be able to reach them, in case you have questions or problems to discuss. If you cannot contact your instructor, speak to the Chair of the Department, Dean of the Faculty, Departmental Secretary, or the LUSU Vice-President Student Issues.

EVALUATION OF WORK

Lakehead students have the right to have their academic work judged solely on its own merits.

RIGHT TO APPEAL AND RELATED PROCEDURES

You have the right to appeal your final grades and/or your academic standing. You have the right to see all the work you did for a course,

including the final exam. You have the right to continue with your course work while an appeal is in process (with some exceptions, see **Appeals,** *p????* for more information). You have the right to appeal any academic decision made about you. You have the right to complain and/or appeal your final grades, class procedures, academic decisions and professorial conduct without jeopardizing your academic evaluation.

RIGHT TO PARTICIPATE

Students have the right to participate in Lakehead governance. Governance bodies include the Board of Governors, Senate and Senate Committees, and department/school councils. In most cases, student representatives on governing bodies are nominated by LUSU. If you are interested in participating at this level, talk to the LUSU Vice-President Student Issues.

CAMPUS REGULATIONS

Lakehead has a number of policies designed to keep the campus clean and peaceful.

CONSUMPTION OF ALCOHOL

Sale and consumption of alcohol can only happen in designated areas. If you consume alcohol outside of these areas, or if you display the results of the consumption of alcohol, procedures of the "Code of Student Behaviour and Disciplinary Procedures" will be followed. If you live in residence, be sure to follow the guidelines provided to you concerning the consumption of alcohol.

SMOKING ON CAMPUS

The only place at Lakehead where you are permitted to smoke indoors is in The Outpost. The only other place you can smoke is outdoors.

POSTERS

Yes, there are rules about posters. If there were not rules about posters, the walls would be covered from floor to ceiling in messy bits of paper. There are no commercial advertising or external publications allowed. Students wishing to put up posters have to have their posters approved. Go to LUSU with your original poster **before you photocopy it dozens of times** to have your poster approved. Posters can only be placed on bulletin boards or equivalent areas.

CRIMINAL ACTS

Use of illegal substances and any other criminal act will be dealt with severely and could lead to suspension. See the "Code of Student Behaviour and Disciplinary Procedures" for more information.

TIP>>
Be sure to keep the Registrar's Office and Financial Aid up-to-date on your address!

COMPUTING FACILITIES

WHAT COMPUTING FACILITIES DOES LAKEHEAD HAVE?

A Unix-based mainframe system.

A campus-wide network with internet and email which is accessible by modem from your home computer once you have an account set up.

Free dot-matrix and draft-quality laser printing

Several 24-hour drop-in computer labs containing Macs and IBM compatible 8086, 286, 386 and 486 computers.

Letter quality laser printing accounts based on a declining balance system.

Many departments have additional computer labs available for limited hours only to their students.

An on-campus computer store and repair facility.

WHO GETS AN ACCOUNT FOR THE COMPUTERS?

Accounts for using the mainframe are automatically given to students who are taking a course that requires the use of those facilities. Accounts are also available to all students for laser printing and network access.

TIP>>
Questions about your computer account? See the Computer Operators for answers.

WHO DO I SEE IF I HAVE A PROBLEM WITH THE COMPUTER?

There are student Computer Advisors on duty in the computer labs most of the time. Look for the blue t-shirt that says "Computer Advisor" on the back.

DROPPING COURSES

WHEN CAN I DROP A COURSE?

Here are the deadlines in each semester to drop a course **without academic penalty.**

Full year courses:	**February 7th**
Fall courses:	**November 6th**
Winter courses:	**February 28th**
February courses:	**March 17th**

Spring/Summer courses beginning May 1:

Half credit courses:	**May 4th**
Full courses:	**May 10th**

Spring/Summer courses beginning May 24:

Half credit courses:	**May 29th**

Spring/Summer courses beginning July 4:

Half credit courses:	**July 7th**
Full courses:	**July 13th**

Spring/Summer courses beginning July 26:

Half credit courses:	**July 31st**

HOW DO I DROP A COURSE?

Get a course change form from the Registrar's Office and complete it. Get the head of your department to sign it and return the completed form to the Registrar's Office.

WILL I GET A FEE REFUND IF I DROP A COURSE?

Eligibility for a fee refund depends on when you drop the course and the percentage of course load you are taking. The Accounts Office, UC0002, 343-8140 can answer any questions you might have.

TIP>>

Before you drop a course, check:

- **The DEADLINE to drop courses. Deadlines can be found in the Calendar or in this handbook.**
- **Is the course a prerequisite for something you plan to take next semester?**
- **When is this course going to be offered next?**
- **If you are on Probation, does you plan of study allow you to drop this course? If you are not sure, ask.**
- **If you are expecting to graduate at the end of the term, make sure the course is not a requirement for graduation.**
- **Will dropping this course affect your financial aid and/or scholar ship?**

If you stop doing the work required for a course without dropping it, you will receive an "F" in that course.

HOW DO I FIND OUT WHEN MY EXAMS ARE SCHEDULED?

Exams are usually held in December, April, May, June, July and August.

Each semester, there are about 700 exams scheduled. Preliminary exam schedules are posted about mid-October and early February. Check in your department/school and/or in the Agora.

Look at the exam schedule to make sure you have no conflicts in scheduling (that is, that you do not have more than one exam scheduled at the same time, and no more than three exams in one 24-hour period).

Check the final schedule to see whether any changes have been made from the preliminary schedule.

TIP>>

The last five days of classes in each semester must be totally free of any scheduled test or exam except for lab tests and drafting tests unless the professor has obtained prior approval from the faculty dean. This is to ensure that you have time to complete assignments and to study for the upcoming examination period. If your professor schedules an unapproved test or exam for the last week of classes, contact the LUSU Vice-President Student Issues to begin an appeal.

TIP>>

Make sure you know what room your exam is in, as well as the course number, section number and professors's name.

WHAT DO I DO IF I HAVE A CONFLICT IN THE EXAM SCHEDULE

If you find you have a conflict in exam scheduling, report it to your programme department/school.

If you have an exam scheduled on a religious holiday or holy day, speak with your professor. It is best to do so as early in the term as possible so that alternate arrangements can be made that are satisfactory to both you and your professor.

If you have three or more exams scheduled for one day report it to your department or school. Attempts will be made to reschedule, but there is no guarantee that this can be done.

WHAT ARE MY RESPONSIBLITIES FOR EXAMS?

You are responsible for making sure you are in the right place at the right time to write your exams.

You must be prepared to identify yourself with your Lakehead student ID card. If you do not have your student card for whatever reason, the Registrar's Office can give you temporary ID. You will need identification, preferably with a picture.

Rules for proper conduct in exams and penalties for misconduct are in the Lakehead "Code of Student Behaviour and Disciplinary Procedures".

WHAT SHOULD I DO IF I HAVE TO MISS AN EXAM?

All the information you need to know in this case is in the L.U. Calendar. READ IT!

Sometimes students do miss exams, usually because of illness or personal/family emergency. There are ways to work this out, so don't panic!

Telephone your professor(s) as soon as you know you will not be able to write an exam. It is important that you speak with your professor(s) so that you can make alternative arrangements.

If you cannot reach your professor(s), call their department office and leave a message. This is important, so be persistent!

TIP>>

Many times students decide they will write their exams in spite of illness or personal/family emergency. Lack of preparation or concentration keeps them from doing well in their exams.

If you have any questions about whether you are fit enough to write an exam, seek advice from:

- **Your doctor or the Health Clinic in case of illness.**
- **The Counselling Office or the Director of Student Services in case of personal emergency.**

WHAT ALTERNATIVE ARRANGEMENTS CAN I MAKE WHEN I MISS AN EXAM?

You have a number of options:

You may be able to arrange another date to write the exam. Ensure that the date will give you enough time to recover from your illness or emergency and prepare for the exam.

If your alternative exam takes place after the professor hands in grades, you should receive an Incomplete.

The conditions for receiving an Aegrotat Standing may apply to your case.

CAN I FAIL A COURSE BECAUSE I MISS AN EXAM?

If you follow the guidelines above, you will not fail a course simply because you missed the exam for reasons beyond your control.

INTERNATIONAL STUDENT SUPPORT

I AM AN INTERNATIONAL STUDENT. IS THERE ANYONE AT LAKEHEAD TO HELP ME WITH MY SPECIAL NEEDS?

Being an international student often means having to contend with an unfamiliar educational system at the same time as becoming accustomed to living in a new culture. Lakehead's International Student Coordinator is here to welcome you to Lakehead and to assist you with the transition.

Lakehead University reserves the right to make changes in both the fees and the procedures given in this section of the student guide without prior notice, however the Ontario Government has legislated that no increases in ancilliary fees may be made without the consent of student representatives.

Fees charged by Lakehead are approved annually by the Board of Governors for an academic year. The Lakehead Calendar contains the official policy on fees and the 1994-1995 fees.

TIP>>
Any questions about fees or fees statements should be directed to the Accounts Office, UC0002, 343-8140

TIP>>
You will be considered a registered student if you have registered and are in good financial standing with the University. If you owe Lakehead more than $10, you will not receive a grade report, you will not be able to receive an official transcript and if graduating you will receive a withhold notice instead of your degree or diploma.

Since each programme of study has different tuition rates and field trip fees, it is important that you check the LU Calendar for the exact tuition for your programme. What follows is a list of fees charged for purposes other than tuition (for full descriptions of each fee see the LU Calendar):

Late Registration Fee:	
Sept 12, 1994 (Part-time students)	$32
(Full-time students)	$64
Sept 13-21, '94(Part-time students)	$64
(Full-time students)	$128
Advanced Standing Fee	$21
Transfer of Credit	$32
Programme Change	$16
Course Changes after the commencement of classes	$16
Graduation Fee	$37
each additional degree	$20
late application fee	$37
Rental of Gown and hood	$37
($10 refunded upon return of regalia)	
Special Examination Fee (per paper)	$27
Fee for clearing an Incomplete	$16
Presiding Fee:	
North America	$43
Outside North America	$54
Fee for transcript per copy	$6
Parking Fee:	
Semester Pass	$41.40
Daily Pass	$3
Parking Fine	$10
Replacement ID Fee	$10
Duplicate Income Tax Receipt Fee	$6
Course Reappraisal Fee	$32
Graduate Thesis Microfilming Fee	$32
One year B.Ed Application Fee	$35
Graduate Application Fee	$30
N.S.F. Cheque Fee	$27
Change in Registration Status after close of registration:	
full-time to part-time	$60
part-time to full-time	$10
LUSU	$90
LUSU Building Fund	$85
LUSU Health Plan	$83
(refundable if Health Plan waived by Oct. 15, 1994)	
Student Athletic Society	$48
Health Centre Fee	$27
Locker Rental	$8

TIP>>

If you miss the deadline to apply to graduate, you will not be able to graduate when you want to. And, you will still have to apply to graduate! The deadline to apply to graduate in May 1995 is February 3, 1995, and the deadline to apply to graduate in November 1995 is August 4, 1995.

KEEPING YOURSELF SAFE

Here are some tips for keeping yourself and your belongings safe on the Lakehead Campus...

If you are working in an isolated area, lock doors whenever possible and don't let anyone in you don't know. **Do not leave doors propped open.**

If you think you are being followed on campus, go to the nearest pay phone and call Security by dialing 343-8569. Give them your name and officers will be sent to assist you. In a public area, go to the nearest home, service station or open business and call the local police.

Don't take shortcuts through isolated areas. Keep to well-travelled routes, main streets, and well-lit areas. Walk near the curb and away from buildings, doorways, and bushes.

Do not overburden yourself with packages, a bulky purse or a knapsack.

Use caution in conversations with strangers. Avoid giving your name, address or class schedule.

When walking to a bus stop at night, try to go with friends. Do the same when you are heading for the parking lot. **If you want an escort, ask Security for an officer to accompany you to your stop.**

Be alert in washrooms, especially in isolated areas. Check for strangers while you are still near the door. Whenever possible, ask a friend to accompany you.

If you plan to drink, make plans ahead of time for getting home. Do not leave with people you do not feel comfortable with.

Let somebody know where you are going and check in with them when you reach your destination.

Do not hitchhike or accept a ride from a stranger.

If you feel uncomfortable about who is on an elevator, don't get in. Wait until the next elevator arrives.

If you do encounter difficulties with somebody on an elevator, push as many floor buttons as you can, or push the emergency switch which will set off an alarm bell outside of the elevator.

Mark your name or other personal identification on personal items of value. Marked items are less likely to be stolen.

Do not leave valuable items in your locker.

Keep your possessions with you. Don't leave wallets or purses unprotected or out of your sight.

Don't carry large amounts of cash - there are bank machines on campus if you need to top up your cash supply.

WHAT IS STUDENT WALK HOME SERVICE?

Lakehead's Student Walk-Home service provides teams of students to escort students, faculty, staff and visitors anywhere on the Lakehead campus. The escort is in operation from 8:00 pm til 4:00 am seven days a week during the academic year. Regular security officers will provide escorts outside of those times. The Walk-Home teams wear bright yellow jackets with **Student Walk-Home** on the back. they carry a security radio and a flashlight.

HOW DO I ARRANGE FOR A WALK-HOME ESCORT?

Contact Security at 343-8569 to request an escort.

LOCKERS

HOW DO I GET A LOCKER?

You can obtain a locker at the Security Desk in the University Centre. Lockers cost $8.00 for a year. You can request a locker in any area that there are lockers, but it is first come, first serve. You can also get a locker in the Fieldhouse at the Cage in the basement of the Fieldhouse. Whatever location your locker is in, you must provide your own combination lock.

PLAGIARISM & OTHER ACADEMIC MISCONDUCT

WHAT IS PLAGIARISM?

Plagiarism is when you use the ideas, words, data, arguments, calculations or other work done by somebody else without indicating that the work was done by somebody else. This applies to essays and all other forms of work you submit for evaluation.

In other words, when you plagiarise you are pretending that the work was done by you when it really wasn't. This is cheating.

See the "Code of Student Behaviour and Disciplinary Procedures" and the LU Calendar for a definition of plagiarism. Plagiarism brings very severe penalties, so avoid it at all costs.

Sometimes plagiarism occurs because students are not familiar with the right way to document their sources. If you have any questions about how to show where you got an idea or a quotation (called "referencing"), talk to your professor or go to the Learning Assistance Centre or the Library, where you can find guides to the right way to reference your work.

TIP>>
Don't buy your textbooks until after the first class - don't buy what you don't need. Check out the LUSU Used Book Sale in SC0022 for bargains on textbooks.

WHAT OTHER FORMS OF ACADEMIC MISCONDUCT ARE COVERED IN THE CODE?

In addition to plagiarism, the Code prohibits:

Handing something in as your own individual work when it was in fact done by a group - unless the assignment was supposed to be done by a group.

Cheating on exams, such as copying from someone else, using unauthorized aids and so on.

Letting someone else copy from your work in an exam.

Handing in the same assignment for more than one course without getting permission from the professors involved.

Forging, altering or falsifying academic records.

Doing an assignment for another student or taking an exam for another student.

Selling or publishing exams, essays, or other assignments for fraudulent purposes.

TIP>>

Every September there are guided tours and special workshops to help you learn how to use the Library. Schedules for the toursare posted at the Library entrance. We encourage you to take advantage of this service. Food, beverages and smoking are prohibited in the Library.

TIP>>

Don't burn your old textbooks! If you don't want to keep them, or if you want some extra cash, you can sell them on consignment at the LUSU Used Book Sale, or if they're in mint condition, you can take them to the Alumni Bookstore.

GLOSSARY

Academic Standing
A term used to describe how you are doing academically. There are five academic standings at Lakehead: Clear, Conditional, Probationary, Suspended, and Withdrawn. Your academic standing is calculated at the end of the academic year.

Academic Year
The academic year begins in September and ends in April. Courses taken during the February session or the Spring/Summer session are included in the calculation of your academic standing at the end of the following academic year.

Advanced Standing
When you have been admitted into Lakehead at a level other than first year or first semester.

Aegrotat Standing
Credit for a course given when a final examination or some other course requirement is missed because of personal or medical reasons. Certain conditions must apply.

Audit/Auditor
To audit a course, or to be an auditor, is to attend classes but not receive an evaluation or marks. Only lecture courses can be edited; no labs or Continuing Education courses are available for audit.

Calendar
Each university publishes a calendar, which is a statement of all the courses, programme requirements and rules. Be sure to get and keep a copy of the Lakehead Calendar for reference.

Chair
The head of a department or school (called Director in some departments). The chair is a member of the faculty who is appointed for a term of three years.

Continuing Education
A division of Lakehead that offers corresepondence courses and part-time degree and certificate programmes and also offers courses at small satellite campuses in Northern Ontario.

Convocation
The graduation ceremony in which graduating students are presented with their degree or diploma. Lakehead's convocation occurs once a year in May, however, students may actually graduate in either November or May.

Co-requisite
A course you must take at the same time as another course.

Course
A unit of study about a specific topic. Lakehead has both half-credit (one semester) and full-credit (two semester) courses.

Course Load
The total number of courses you are registered in each academic year. Each programme has a standard number of courses for each semester and/or year you are in.

Course Outline
A description of a course which must be distributed at the beginning of the term containing information about the course, the professor, the evaluation scheme and approximate deadlines for assignments and tests.

Curriculum
This is the course of study in each programme. All the courses you are expected to take to earn your degree or diploma make up the curriculum. At Lakehead, the curriculum is made up of two parts: required courses and electives.

Curriculum Substitution
The term given to substituting a course that is not a regular part of your programme's curriculum toward your diploma or degree.

Dean
The person in charge of a faculty. Usually a dean is a member of the faculty who is appointed for a term of five years.

Deferred Standing
A grade given by a professor when, *for a valid reason*, a student has not completed the requirements of a course. You must apply to the Registrar's Office to clear a deferred grade within one month of the date that the marks are published. After one year, a deferred grade becomes a failed course.

Department
The body that offers a specific area of study. Sometimes called a school. Lakehead has 31departments or schools.

Director
Another term for Chair (see above).

Discipline
A subject of instruction; a field of knowledge.

Electives
A group of courses that you can choose from.

Exclusion
When one course is too similar in content to another course to allow both to be used for credit towards graduation.

Faculty

Faculty is used in two ways: 1. the people who teach at Lakehead and other universities. 2. A group of departments divided by subject areas. Lakehead has six of this type of faculty: Arts & Science, Business Administration, Education, Engineering, Forestry and Graduate Studies & Research.

Fees Statement

This tells you how much you owe Lakehead and acts as a receipt when you have paid your fees.

Incomplete

A professor may give you this if your work is passing but for some reason you have not been able to complete all the work for a course. You must arrange with the department to complete the work or the incomplete standing will be changed to a fail. There is a fee to clear an incomplete standing.

International Students

Students who have come to Canada to study. They are given a special student visa. International students may only have jobs on campus and are required to pay more fees than Canadian citizens or landed immigrants. They must also pay for their own health care.

Letter of Permission

A document that allows you to take a course or courses at another post-secondary institution for credit at Lakehead.

Precursor

A course you must have taken, but not necessarily passed.

Prerequisite

A course you must have taken (and passed) before you can take a more senior course.

School

Another term for Department (see above).

Section

A division of the students in a course into smaller groups. (eg English 1100 YA, YB, YC, etc...)

Semester

One academic session, typically lasting 13 weeks. At Lakehead, there are four semesters: Fall, Winter, February, and Spring/Summer.

Special Student

You are a special student if you are taking courses but you are not registered in a specific programme.

Student Union

All students of LU are members of the Lakehead University Student Union (LUSU), which provides representation for students in the governance of the University and provides services for the students which LU administration cannot or will not provide.

Term

Another word for Semester (see above).

Transcript

The official record of your grades at Lakehead. You can get unofficial copies of your transcript for free at the Registrar's Office. Official copies of your transcript cost $6.00.

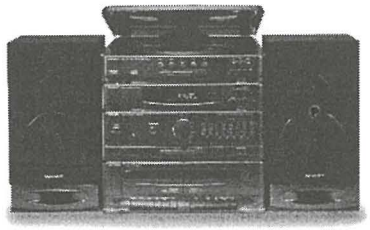

Transfer Credit

Credit toward your Lakehead diploma or degree for courses you have taken somewhere else.

THE NAME IN ELECTRONICS YOU CAN TRUST

For Your Information...

Racism is:

a system in which one group of people exercises abusive power over others on the basis of skin colour and racial heritage;

a set of implicit or explicit beliefs, erroneous assumptions and actions based on an ideology of inherent racial superiority of one racial or ethnic group over another;

manifested within organisational and institutional structures and programmes as well as within individual thought and behaviour.

Racial discrimination is:

a prejudicial act which denies individuals benefits and opportunities which others enjoy in the areas of employment, accommodation, education, or other services in the public or private sectors because of the person's race. It may be covert or systemic, intentional or unintentional.

Systemic discrimination is:

when intentionally or unintentionally discrimination becomes institutionalized in policies and practices such as in the case of hiring procedures or entrance requirements, which have the effect of excluding minority groups.

Racial incident is:

the expression of racial assumptions and beliefs. Racial incidents may involve banter, jokes, name-calling, harassment, teasing, discourteous treatment, graffiti, stereotyping, threats, and/or insults. Racial incidents may also involve physical violence.

To help create an environment at Lakehead University characterized by its intolerance of racism and radical discrimination you can.....

Report any racial incidents to the appropriate person: the Residence Life Coordinator (343-8622), the Harassment Contact Person (343-8356), Counselling (343-8018) or the Anti-Racism Coordinator (343-8590). Graffiti can also be reported to Security (343-8569).

Participate in events such as Native Pow Wows and celebrations for Black History Month. March 21st is the International Day for the Elimination of Racial Discrimination. Take part in activities that draw attention to this important issue

Take the initiative to talk with students from various cultural backgrounds.

All student clubs are open to **all** students. You are welcome in clubs such as the African Caribbean Student Association (AFCASA), LU Nishnabek Student Association (LUNSA) or the Multicultural Student Association (MCSA). Participation in these student organisations provides an opportunity to meet people from a variety of cultural backgrounds, to learn about and take pride in one's own heritage as well as that of others.

Responding to Slurs and Ethnic Jokes

Offensive ethnic joke, racial slurs and sexually discriminatory remarks can occur in any setting, and can poison a work, school, or social situation. **Not responding to these remarks** conditions you to accept them and if you accept them it may be easier to be accepting of bigotry, discrimination or even violence.

* Next time you hear an offensive comment, don't just ignore it.
* Don't laugh at the slur, even if you know that the speaker intended it as a joke and even if you think they didn't mean it.
* Voice your feelings calmly but pointedly. State how you feel rather than making an abstract statement about the inappropriateness of the comment.
* Continue the dialogue if the person dismisses your objection; hear the other person's concerns and point out your own.
* Never make an offensive comment or joke yourself.

Cultural Diversity

The population of the community college is becoming more culturally diverse. Intercultural communication is the process by which two individuals who do not belong to the same culture, and may not share the same values, beliefs and assumptions, "try" to exchange a set of meanings. This phenomenon can make the communication process more difficult and challenging than we think.

A few hints to help you in these exciting times...

Be an observer of other people's behaviour as well as your own.

Avoid stereotyping - do not make generalizations about someone on the basis of cultural background or race.

Practice respect - be aware that your values may not be someone else's.

Check your assumptions before making a value judgement.

Remember - patience and a few extra minutes may be all that's necessary to have effective intercultural communication.
