OF
LAKEHEAD
UNIVERSITY

Your graduation

marks the conclusion of one milestone in your life -- the achievement of academic potential. It also signals the beginning of a lifelong partnership with your alma mater through the Alumni Association of Lakehead University.

By staying involved with Lakehead University through its Alumni Association, you have an opportunity to shape the experiences of future generations. Whether you get involved with one of the many alumni volunteer committees or make a financial contribution to the Annual Fund, you are showing that you care about your University.

Founded in 1982, the Alumni Association of Lakehead University now includes over 17,000 graduates living across Canada and around the world. Approximately one-third of Lakehead's alumni are still living in Northwestern Ontario.

The connection between the Alumni, the University and the Association is the Office of Alumni Services which provides administrative support, oversees the production and distribution of the Alumni magazine, updates Alumni records, and organizes the annual Alumni fundraising campaign.

You can contribute to the growth and development of Lakehead University by becoming an active member of the Alumni Association. We need your ideas, your enthusiasm and your financial support.
