

## UNIVERSITY TO UNDERGO SELF-EXAMINATION

●Lakehead University's Commission on University Governmental Organization (CUGO) has been formed to begin the difficult task of examining the existing governmental structure and interrelationships. The goal of the Commission is to produce a report on its findings which will also contain recommendations concerning ways and means of improving the organization in order to best serve the interests of the University as a whole.

CUGO was originally established on the recommendation of Senate at its November 29, 1969 meeting, though its terms of reference and membership were not approved until May of this year. The membership includes: President W. G. Tamblyn; J. M. Fleming, M. W. Bartley and ~~T. D. Callon~~ of the Board of Governors;

W. HANLEY

●A group disguised as the 'Non-Such Players' will stage excerpts from four Shakespearean plays in the University Centre Theatre on Aug. 4, 5 and 6.

In real life, the actors are all members of the summer Shakespeare Seminar and Theatre Workshop.

They have built a "stage within a stage" to recreate an old Shakespearean Theatre atmosphere. Their productions will include two pieces from Richard III, an excerpt from Twelfth Night, the witches' scene from Macbeth and an extremely humorous portion of A Midsummer Night's Dream. No admission fee will be charged.

W. J. Hanley, W. T. Melnyk and J. Whitfield appointed by the University Senate; and P. Paul-arinne, A. Anzew and P. O'Brien of the Alma Mater Society.

The Commission held its initial meeting on July 13, 1970 and among its first actions was the election of Bill Hanley (Associate Professor, School of Business Administration) to the position of Chairman. Members of CUGO also agreed that the services of a full-time secretary/researcher were required. The position would ideally suit a graduate student who is looking for a year of practical research and writing. Anyone with a knowledge of the philosophy and literature of higher education and of university governmental structures, who may be interested in such a challenge, is invited to contact the Chairman for further information.

CUGO will invite organizations and individuals, both from inside and from outside the University community, to submit written briefs. Although procedures have not yet been finalized, the Commission will be holding hearings to discuss these briefs. In the course of the study members of the Commission will also examine the governmental structures of other universities and colleges.

Professor Hanley expressed his optimism concerning the final outcome of the Commission's deliberations, but noted that similar experiences at other institutions show that the process of self-examination is usually long, arduous, and occasionally painful.

## DR. TAMBLYN APPOINTED TO C.P.U.O. EXECUTIVE COMMITTEE

Dr. W. G. Tamblyn, Lakehead University

Dr. A. D. Dunton, Carleton University (Past Chairman, ex officio)

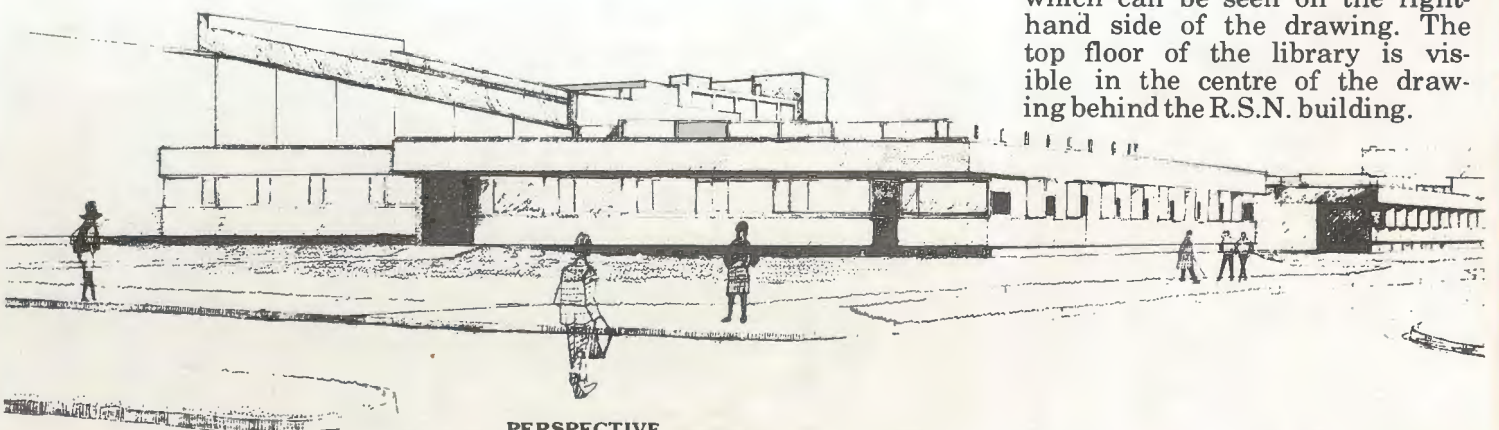

Dr. John B. Macdonald, Executive Director, CPUO (ex-officio)

●A recent graduate of Lakehead University, Mariam I. Bugara has received an appointment as a Modern Language teaching assistant at l'Ecole Normale d'Institutrices in Poitiers, France. She will also continue her studies in French and Russian at the University of Poitiers.

## CONSTRUCTION UNDERWAY ON NURSING BUILDING

●An architect's perspective is shown below of the new Regional School of Nursing building now under construction on the Lakehead University Campus.

Although the building is not a part of the university, it has been designed along the same line as the Main Building which can be seen on the right-hand side of the drawing. The top floor of the library is visible in the centre of the drawing behind the R.S.N. building.
