Sister Alice Greer can be reached at the Counselling and Career Centre during daytime hours at 343-8002.

FINANCING

Financial Assistance

The financial assistance received from our bands each month must cover our expenses. Living in Thunder Bay can be pretty expensive and it may be hard to make ends meet. Therefore, it is very important to budget properly. Set aside money for rent, food, telephone, childcare, books/supplies and leisure activities. Save extra money for any emergency situation that may arise. If your band gives a book allowance, try to remain within the amount they have given you. Always check to see if the book or manual is really necessary to purchase - is it a required reading or a suggested reading? Should you need to spend over, check with your band to see if you can provide receipts so they will reimburse you.

An example of a budget would be as follows:
