A MESSAGE

Gdinmikaagoom!

Greetings! On behalf of the staff and faculty, welcome to the Native Language Instructors' Program (NLIP) at Lakehead University. It's a great pleasure to have you here to participate in NLIP. WE hope that you will enjoy your stay during your studies. It is expected that things will be hectic the first few days as you settle in, and we thank you for your patience and understanding.

This book gives you some information you may find helpful while you are here. It should help to make you more comfortable during your stay and also make you aware of all the services available to you and your family if they are coming with you. Thunder Bay has a lot to offer.

We wish everyone good health and happiness, and an enjoyable summer.

Sister Alice Greer can be reached at the Counselling and Career Centre during daytime hours at 343-8002.

FINANCING

FINANCIAL ASSISTANCE

The financial assistance received from our bands each month must cover our expenses. Living in Thunder Bay can be pretty expensive and it may be hard to make ends meet. Therefore, it is very important to budget properly. Set aside money for rent, food, hydro, telephone, childcare and leisure activities. Save extra money for any emergency situation that may arise. If your band gives a book allowance, try to remain within the amount they have given you. Always check to see if the book or manual is really necessary to purchase - is it a required reading or a suggested reading? Should you need to spend over, check with your band to see if you can provide receipts so they will reimburse you.

An example of a budget would be as follows:

SECURITY

Uniformed foot-patrol officers will walk students, faculty, staff or visitors of Lakehead University anywhere on the grounds on a 24-hour basis. Please call 346-7742, if you need assistance or just use one of the emergency phone-posts located at various locations on the grounds.

If you have lost something, misplaced your dorm key, etc., just call Security at 343-8569. Our offices are conveniently located as you enter the main foyer of the University Centre on the Main campus (UC-1016).

Some general rules for a safe/secure visit are:

1. always keep your Residence doors locked!!
2. do not allow or let anyone who is not a resident into your building
3. avoid carrying cash - there are two banking machines on campus that will allow you to access your Bank through the Instant Teller service.

In case of fire or other emergencies, call Security at 343-8569 and 911.

CLASSROOM DIRECTIONS

Your classes are scattered throughout the University and you may find it challenging to locate them. A map is enclosed on the back cover and we hope you can locate your classes by reading the map. If there are any problems locating rooms, do not be shy to ask a friend or someone passing by. There are signs posted outside with arrows pointing to specific buildings. Most buildings have signs. Located at the very front of the University, near the bus stop, is a large campus map, please use it.

Also keep in mind that classes are marked by initials when choosing your courses. Examples: "Education 1571AA, RB3025; the RB stands for Ryan Building, 3025 is the room number, BL 2001, the BL stands for Bora Laskin building, 2001 is the room number. We are positive that you will make out alright in finding your classrooms.

NOTE: If all else fails, just stop someone and ask them which way you should be going.
