## Study In Germany

□ Summer studies in Germany will begin this month for two Lakehead University students.

First-year Honors Arts student, Janet Johnson, daughter of Mr. and Mrs. Paul Johnson, 25 Farrand Street, Port Arthur, is enrolled in a course on German language and literature at the University of Kiel in the north of Germany on the Baltic coast.

Second year Arts student, Ursula Reinke, daughter of Mrs. Berta Reinke, 80 South Algonquin Avenue, Port Arthur, will be engaged in similar studies in a course conducted by the Goethe Institute. It will be held in two locations; one in the picturesque town of Boppard on the Rhine and the other amid Black Forest surroundings in the town of Stauffen (Breisgau) in the extreme south-western corner of Germany. Both girls have been awarded scholarships to aid them in their studies. They will leave for Germany from Montreal on June 3 and will return on Sept. 7.

Janet and Ursula will join an estimated 900 other students from colleges and universities across Canada as guests of the West German Federal Government during a three-day excursion of Berlin.

Dr. John Whittle, Associate Professor of German at Lakehead University has expressed the hope that "similar study trips, which are made possible through close cooperation between the University, the Canadian German Academic Exchange Association, and the West German Government through its Embassy in Ottawa, will remain a permanent feature of German studies at Lakehead University and will ultimately show some expansion."

## NWO HIGH SCHOOLS AMS TOUR

□ An AMS organized tour of five Northwestern Ontario high schools was recently completed by four Lakehead University students.

AMS President Denis Wallace, AMS Treasurer Mike Pawlowski, Maureen Broadhurst and Karen Montgomery began the 900 mile round-trip tour to Dryden, Sioux Lookout, Kenora and Fort Frances on May 12 and arrived back at the University on May 15. At each high school they gave a combined verbal and slide commentary on Lakehead University to the senior students and handed out brochures on various programs. A discussion period followed each presentation.

The purpose of the tour was twofold; one was to publicize Lakehead University and the other was to discuss with high school students the problems encountered in the academic and social levels of university life.

The Alma Mater Society plans to continue the high school tours both in the Lakehead and as far east as Wawa in the fall. They hope the event will be an annual occurrence.

## MID-CANADA MEETING

□ A reception for the Mid-Canada Corridor Foundation Convening Board and local civic, business and labour leaders will take place Thursday, June 5 at the Holiday Inn in Fort William.

Richard Rohmer, Chairman of the Conference, will review plans for the first session of the conference which will take place at the university from Aug. 18 to 22. This will be followed by a showing of the film "Leave This Not To Cain" which presents the possibilities of developing the Mid-Canada region in an imaginative manner.

On Friday, June 6 there will be a meeting of the full Convening Board at Lakehead University to finalize plans for the Conference. It will be followed by a luncheon at the University.
