FACULTY OF ARTS MINUTES

Excerpts from the Minutes of the Faculty of Arts Meeting. April 30, 1969.

SUBCOMMITTEE ON UNDERGRADUATE INSTRUCTION

The meeting approved a report by the subcommittee on undergraduate instruction inviting the Arts Society through the Alma Mater Society to nominate to this subcommittee two students to serve as members of said subcommittee. One student must be an Honors student from the fourth year with an overall average of not less than 66 per cent and one student must be drawn from the third year pass class with an overall average of not less than 60 per cent. Each student is to serve for one academic year.

The Dean reported a request from Mathematics for representation on the Faculty of Arts. The meeting agreed that the Mathematics Department should be invited to join the Faculty of Arts as full members.

A motion that the Faculty of Arts should urge the Senate to take immediate steps to alter the composition of its membership so that at least a majority of its members are directly elected by Faculty Members at large was passed with 14 votes in favor, 7 against and 4 abstentions.

The above presentation drawings by architects Fairfield and Dubois indicate the suggested design for the academic and administrative offices (left) and the senate chamber (right) in the Centennial Building. Minor changes have been made since the drawings were first presented but the designs remain basically as they are shown above. The drawing on the back page of L.U. Week represents a typical secretarial and reception area.

LIBRARIAN OF THE YEAR

SUDAR HONORED

The Director of Lakehead University's School of Library Technology, Associate Professor D. D. Sudar has been named the Outstanding Librarian of the Year by the Ontario Library Trustees Association.

The award is "in recognition of his distinguished achievement and significant contribution to the advancement of library service in the Province of Ontario". The presentation was made at the annual Ontario Library Association Convention held at Laurentian University in Sudbury from May 2 to May 4.

Assoc. Prof. D. D. Sudar

Prof. Sudar was responsible for the establishment of the first Library Technology Program in Ontario at Lakehead University in 1966 and for its growth and development since that time. Before coming to the university he was Director of the Northwestern Regional Library Cooperative in Fort William from 1958 to 1966.

Born in Belgrade, Yugoslavia, he attended the University of Belgrade in the Faculty of Philosophy from 1948-1951. He then came to Canada and obtained an Honors Bachelor of Arts degree in Modern Languages in Literature (Russian and German) from the University of Toronto in 1956. In 1958 he received his Bachelor of Library Science degree, also from the University of Toronto.

Prof. Sudar was an instructor in Basic English and Citizenship with Frontier College in 1957 before coming to the Lakehead as the Director of the Northwestern Regional Library Cooperative in 1958. He taught German and Russian at Lakehead University in 1965 and 1966 as a sessional lecturer before resigning his Library position in August 1966 to organize the School of Library Technology.

BIRGER'S BOOTS WERE
MADE FOR WALKIN'

...and that's exactly what Athletic Director George Birger's did. .32 miles of it! Inspired by approximately \$11 per mile, Birger completed the recent "Miles for Millions" walk neck-and-neck with Port Arthur's mayor Saul Laskin at 5:40 p.m. Now Coach Birger will most likely have to walk another 32 miles to collect the \$350 owing from the 86 people who sponsored him!
