TWELFTH ANNUAL CONVOCATION
FOR THE CONFERRING OF DEGREES AND DIPLOMAS

OUR GUEST THIS MORNING

We are honoured to have as our guest this morning, a distinguished Canadian, Dorothea M. Crittenden, Deputy Minister, Ministry of Community and Social Services, who has done much in the reorganization of the provincial social services. Miss Crittenden who was appointed to her present position in January 1974, is the first woman to be appointed to a Deputy Minister's post by the Ontario Government.

Born in Blyth, Ontario (Huron County) in 1915, Miss Crittenden received her primary and secondary education in St. Thomas, and after graduation from Normal School in London, Ontario, she taught school for two years in Dryden. She later earned her Bachelor of Arts degree in psychology and sociology from the University of Toronto, while continuing her daytime employment.

Miss Crittenden joined the Ontario Civil Service in 1937, in the then Department of Public Welfare and held various positions leading to her present position; she has been known over the years, both within and outside the Ministry, for her belief that the delivery of social services is dependant on the staff delivering such programmes. From 1950, when she was appointed as Ontario's first woman Director of Personnel, until today, as Deputy Minister of one of the largest provincial departments in Canada, she has been active in re-inforcing the role and capabilities of those people who deliver programmes.

As the first woman Executive Director of the Financial and Administrative Division and then Assistant Deputy Minister of the Ministry in 1968, Miss Crittenden has been instrumental in the evolution of the Ministry that today has over 90% of its staff located in the field in over 98 offices and facilities outside of Toronto. She has personally spearheaded the development of new Ministry programs in communications, research, training, staff development and women's advisory services and has combined this concern for staff with her administrative background to play a key role in the reorganization of provincial social services.

In her present position of Deputy Ministry, Miss Crittenden is particularly active in five programs:

1. The continuous change in income security, including her present role as a member of the Canadian Deputy Ministers' Income Security Review, which is revamping income security in Canada.
2. The development and implementation of a complete program for the mentally retarded and their families, aimed at providing maximum opportunities within the community.
3. The major expansion of day care facilities.
4. The development of the first government pre-retirement education program — which formed the basis of courses in industries in Ontario and elsewhere; the encouragement of part-time employment, volunteer work and leisure activities for the retired.
5. The development of the first major Canadian project hiring unemployed young people in social services across the province.

Miss Crittenden has always been active in private organizations and is presently on the Board of the Canadian Council on Social Development, Canadian Vice-President of the International Conference for Social Welfare, and a member of the Canadian Club, the Public Personnel Association, the American Public Welfare Association, and the National Conference on Social Welfare. A member of the Ontario Civil Service Quarter Century Club with almost 40 years in the public service, Miss Crittenden is past president of that association.

OUR GUEST THIS AFTERNOON

We are honoured to have as our guest this afternoon, a distinguished Canadian educator, Robert Reid Steele, B.A., M.Ed., Regional Director of Education for Northwestern Ontario. Mr. Steele has been actively engaged in education in Northwestern Ontario for over forty years.

Born in Fort Frances, Ontario, Robert Steele received his elementary and secondary education in that town, after which he proceeded to North Bay Normal School, graduating in 1931. After teaching at Central Public School in Port Arthur for three years, he moved back to Fort Frances as Assistant Supervising Principal of Public Schools. In 1939, he was appointed Principal of Robert Moore Public School and Supervising Principal of the Fort Frances Public School System.

He served from 1941 to 1945 in the Canadian Armed Forces, after which he returned to the Lakehead as a provincial inspector; it was in this capacity that he came to know every principal, teacher, trustee, post-master, and general store owner in the hinterland of the Lakehead. During this period Mr. Steele became very concerned over the lack of educational opportunities for the non-treaty Indians, the Metis and the white children resident in the rural areas, very few of whom continued their education beyond elementary school. He headed a movement to persuade rural trustees and others to provide funds to aid in the transportation of these pupils to Lakehead Secondary Schools.

In 1965, Robert Steele was appointed Director of Education for Northwestern Ontario, and he was finally able to give his deep concerns a regional focus; along with the other regional directors of Northwestern Ontario, he spearheaded a concerted plan to enable the children of non-status Indians and Metis to attend high school, and to this end he organized a fund to assist them in the purchase of room and board, clothing, prescription drugs, eyeglasses and dental work, setting a good example by his own contributions. Many individuals and organizations, including the Girls' Club of Jarvis Collegiate, Toronto, assisted the cause financially. During a ten-year period almost \$20,000 was raised and spent.

The concept of Northern Corps Schools was largely his. Many remote communities in Northwestern Ontario, particularly along the main line of the C.N.R., had once been busy logging or mining communities, but with the disappearance of the economic base, families remaining in these communities had no financial means to maintain or even to build a school. Robert Steele's concern to improve the quality of education for the children of these poor remote communities, most of whom are Indian and Metis, led to the establishment of the Northern Corps Schools, which are supported entirely by the Province of Ontario. Robert Steele's years as an Ontario provincial inspector made him keenly aware of the utter lack of library facilities outside of the urban centres. For seven years he served as a trustee of the Port Arthur Public Library and for three years he was president of the Ontario Library Trustees Association. In 1953 he became the first chairman of the Thunder Bay Library Co-operative, which supplied books to rural schools in Thunder Bay District. Similar co-operatives were formed in the districts of Rainy River and Kenora. These units bought library services from the Thunder Bay Library Co-operative. Mr. Angus Mowat, Director of Library Services for Ontario, assisted the co-operative in its founding, expansion, and in the formation in 1958 of the Northwestern Regional Library. As a result of this pioneering work of Robert Steele, Angus Mowat and associates, all of Ontario is blanketed with the services of regional libraries, which supply books to public libraries and schools in small centres such as Geraldton, Atikokan, Marathon and Manitouwadge. Mr. Steele also assisted in the establishing of the School of Library Technology at Lakehead University, with the view to providing competent personnel for the smaller libraries in the province. Robert Steele's active service to the people of Northwestern Ontario in the field of education has been very deep, broad and continuous. His greatest concern has been for the achievement of quality and equality of education, especially for the people outside of the urban areas in general and the non-status Indians and Metis in particular.

CEREMONY OF ADMISSION TO DEGREES

The Graduating Classes will enter Convocation Hall in procession under the guidance of their marshals and will stand before the seats reserved for them.

The audience will rise when the Senate, the Board of Governors, the Platform Party, including the President and the Chancellor, enter the Hall and will remain standing through "God Save the Queen", the Invocation, until the Chancellor declares the "Convocation Open".

The President will request the members of the Graduating Classes to rise in their places as their group is named, and when they have done so, will address the Chancellor as follows:

Mr. Chancellor, will you admit these graduands.

The Chancellor will reply as follows:

By virtue of the authority vested in me, I admit you as degree (and diploma) graduates of the University.

The members of the Graduating Classes will resume their seats. Greetings and congratulations will then be extended to them on behalf of the University.

The President will then present to the Chancellor, the Dean who will present the honorary graduand. The graduand will remain standing at her (his) seat during the Presentation Address.

On the conclusion of the Presentation Address, the graduand will approach and kneel before the Chancellor who will confer the degree by pronouncing the appropriate formula.

The Secretary of the University will then place the hood of the degree upon the shoulders of the graduand.

On the conclusion of the conferring of the honorary degree, the President will present the Chairman of the Board of Governors to the Chancellor, the Chairman will present the candidates for the Honorary Fellowship of the University.*

The candidate(s) will remain standing at his seat during the Presentation Address, after which he will approach the Chancellor and kneel.*

The Chancellor will confer the title Fellow of the University on the candidate(s).*

On the conclusion of the Convocation Address, the President will call on the presenters, in the order indicated in the programme; the presenters will call forward the various groups of candidates for degrees (and diplomas) and will read the names of the graduands present, one by one, in the order that each candidate is to advance and receive his (her) degree (diploma) at the hands of the Chancellor.

As soon as a candidate's name is called by the presenter he (she) will cross the platform and kneel upon the stool in front of the Chancellor; place his (her) hands within the hands of the Chancellor who will admit him (her) to the degree (diploma). The candidate will then rise and proceed across the platform, down the opposite steps, from those he (she) mounted the platform, receive his degree (diploma) from the Registrar, and then return to his (her) seat.

After degrees (diplomas) have been conferred upon all candidates present, the President will present Mr. W. John McDonnell, the University Registrar to receive the degrees for all absent candidates.

The Registrar will kneel on the stool before the Chancellor, and the Chancellor will confer the degrees upon all absent candidates through the Registrar of the University.

The presentation of medals and awards will follow, after which the Chancellor will bring the proceeding to a close by saying:

I hereby declare this Convocation closed.

*Morning Convocation.
