

An aerial photograph of the Lakehead University campus in Thunder Bay, Ontario, Canada. The image shows a large, modern university building complex with multiple wings and a central courtyard. A large, dark, irregularly shaped pond is in the foreground, surrounded by green lawns and trees. In the background, a city is visible along the shore of a large body of water, likely Lake Superior. The sky is clear and blue.

Lakehead University CONVOCATION

C. J. Sanders Field House, Lakehead University
Thunder Bay, Ontario, Canada

FOURTEENTH ANNUAL CONVOCATION FOR THE CONFERRING OF DEGREES AND DIPLOMAS

Professor Emeritus Frank M. Doan

Frank Doan came to the Lakehead College of Arts, Science and Technology in 1961, its first, and at that time only Professor of Philosophy.

His was the all too usual impoverished depression youth, and his path to university lay through elementary school teaching and summer courses. After his stint in the army he finished his undergraduate work at Western and his doctorate at Toronto. He taught for some time at Toronto and then at the University of Houston before coming to Lakehead College. It was not the landscape of his beloved Southwestern Ontario, but at least it was Canada and there were seasonal changes; winter meant more than just not cutting the grass for six weeks!

Frank took his part in the work of building a university, with its seemingly endless committees, reports, and sometimes acrimonious policy discussions. To him it was uncongenial work, and it was with relief that he saw the university develop to the point where he could devote himself entirely to his teaching, and the Philosophy Department to the point where he could concentrate exclusively on his favourite areas, the introductory course, metaphysics and aesthetics. But his contribution to university building was a considerable one. His public speeches did much to create a favourable climate for us, and his pioneering example initiated our off campus program.

His lectures were at the core of Frank Doan's teaching, and he never gave a lecture that was not distinguished and full of insights. The lecture was for him an art form. His aim was to bring his students into the minds of the great philosophers, to achieve a genuine understanding. Without this perfect understanding criticism was pointless, and his students were discouraged from deserting the great philosophers in favour of their commentators and explicators. He challenged his students, and his creative power was such that they seldom failed to respond. But the intensity which he put into his classes and which inspired his hearers would leave him utterly exhausted at the end of every term.

Frank wrote articles and reviews, but was not happy within the limitations of the learned article format. He has in draft a book, *The Philosophic Response*, which contains many of his ideas, and it is earnestly to be hoped that among the first tasks of his emeritus will be its revision for publication. There will be pleasures for him. "Nature he loves, and after Nature, Trains." Frank is an avid practitioner of the almost lost art of railway travel, and nature, particularly in the small compass of a lawn or a garden, is for him an existential experience. But there will be creative work, too, to which we are all looking forward.

THE HONOURABLE
ROBERT KNIGHT ANDRAS
PC, MP, DPubSer.

Mr. Andras was born February 20, 1921 in Lachine, Quebec. The son of a bank manager he grew up in Saskatchewan and Manitoba and attended Wesley College in Winnipeg. He worked for the Canadian Bank of Commerce in Winnipeg between 1938 and 1942. During the war he served as an infantry officer in France, Belgium, Holland and Germany. He retired from the army with the rank of Major. After the war, Mr. Andras held executive positions with the Ford Motor Company of Canada in Winnipeg, Windsor and St. John. In 1955 he became Director of Marketing for Moffats Limited in Toronto. In 1958, Mr. Andras moved to Port Arthur, Ontario and subsequently purchased a business and became President and Director of four firms involved in automotive sales and equipment rentals. He was active in community affairs, church, charitable and educational organizations such as the Lakehead University and was the charter President of Lakehead Chamber of Commerce.

First elected to the House of Commons in 1965 as the Liberal Member of Parliament for Port Arthur, Mr. Andras was re-elected in the general elections of 1968, 1972 and 1974. He became Minister without Portfolio in 1968, Minister responsible for Housing in 1969, Minister of State for Urban Affairs in 1971 and Minister of Consumer and Corporate Affairs and Registrar General of Canada in January of 1972. In November, 1972, Mr. Andras was appointed Minister of Manpower and Immigration with responsibility for the Unemployment Insurance Commission. He became President of the Treasury Board on September 14, 1976.

When Mr. Andras first became a member of the Cabinet his first special assignment was consultation with Canada's native people to advise Cabinet on appropriate policies and programs. As Minister for Housing he made significant changes in the National Housing Act. Later, Mr. Andras implemented policies and practices resulting from the report of the Royal Commission on the Status of Women. As Minister of Manpower and Immigration, Mr. Andras was responsible for several amendments to the Unemployment Insurance Act and for the integration of the department with the Unemployment Insurance Commission. He was also instrumental in drafting legislation to enact a new Immigration Act. In this portfolio, he began the consultations with the Provincial Governments for the development of a national Population Policy for Canada. As President of the Treasury Board, Mr. Andras has introduced major changes in the administration of official languages in the Public Service and was responsible for creating the position of Comptroller General of Canada, and brought in legislation expanding the power and responsibilities of the Auditor-General.

Mr. Andras has been the recipient of a number of honours and awards. In 1969 he was named Honorary President of the Indian Association of Alberta. In 1970, he was made a Knight of the Order of St. Lazlo, an honour conferred by the Hungarian community of Canada. In 1977, the Canadian Polish Congress bestowed the Golden Badge of Honour upon Mr. Andras.

Mr. Andras is married to the former Frances Hunt. They have a son, Robert, and a daughter, Angela.

ROBERT JAMES PRETTIE

Robert J. Prettie, who needs no introduction to the Lakehead University community nor to the citizens of Thunder Bay, was born in Guelph, Ontario, in 1906. His family moved to Calgary, Alberta, and it was here, that he completed his elementary and secondary school education; he went on to study Commerce and Finance at the University of Alberta, Edmonton.

Mr. Prettie must have been an apt pupil, as his rise was indeed rapid once he entered the world of business. In 1929 he joined the Sales Department of the Alberta Wood Preserving Company, Calgary and in 1932, he became Assistant Sales Manager of the Vancouver Creosoting Company. He returned to Calgary in 1935 as the Prairie Sales Manager of the Canada Creosoting Company Limited, and in that same year he became President of the Northern Wood Preservers Limited and its subsidiaries, a position which he held for thirty-five years. He became Chairman of the Board in 1971, retiring on December 31, 1971.

Mr. Prettie, has been an active member of the business community since he arrived in Port Arthur in 1935; now in his 72nd year he is still active.

He has served as chairman or president of such organizations as the Northern Development Committee of Ontario Economic Council, the Ontario Forest Industries Association, the Port Arthur Chamber of Commerce, the Northwestern Ontario Associated Chambers of Commerce, the Northwestern Ontario Development Association, Lakehead Videon and the Port Arthur Golf and Country Club, at various points in his career. He has also served in the capacity of chairman and director of many local and regional civic associations. He was chairman of the Board of Governors of Lakehead University from 1971 to 1973.

Mr. Prettie's association with Lakehead University dates back to 1962 when he was first elected a Governor of the Lakehead College of Arts, Science and Technology. In 1967, Mr. Prettie served as chairman of the University's Building Fund drive, and it was largely through his efforts and those of former Board member John N. Paterson, both of whom took about a month off from their own busy schedules to stump the country in search of funds, that more than \$3,600,000 was raised during the campaign. The outstanding effort of those concerned citizens, was a major factor in convincing the Ontario Government to construct the present Lakehead University buildings.

In July of 1977, Mr. Prettie retired from the University's Board of Governors after serving continuously, in one capacity or another, on the Board for fifteen years. Now seven years after his retirement from business Mr. Prettie continues to serve as a director of a number of Lakehead companies, and on the Boards of the General Hospital of Port Arthur, the Ontario Cancer Treatment and Research Foundation and the Canadian Cancer Society. He just recently retired from the chairmanship of the Lakehead Harbour Commission.

Mr. Prettie and his wife Laura have two daughters Audrey, Mrs. William Neish, and Susan, Mrs. William Crerar, both of whom live in Toronto. The Prettie's have six grandchildren.

CEREMONY OF ADMISSION TO DEGREES

The Graduating Classes will enter Convocation Hall in procession under the guidance of their marshals and will stand before the seats reserved for them.

The audience will rise when the Senate, the Board of Governors, the Platform Party, including the President and the Chancellor, enter the Hall and will remain standing through "God Save the Queen", the Invocation, until the Chancellor declares the "Convocation Open".

The President will request the members of the Graduating Classes to rise in their places as their group is named, and when they have done so, will address the Chancellor as follows:

Mr. Chancellor, will you admit these graduands.

The Chancellor will reply as follows:

By virtue of the authority vested in me, I admit you as degree (and diploma) graduates of the University.

The members of the Graduating Classes will resume their seats. Greetings and congratulations will then be extended to them on behalf of the University.

*The President will present to the Chancellor, Professor Thomas B. Miller, who will read the commendation to the candidate for the title Professor Emeritus.

*The Chancellor will confer the title Professor Emeritus.

The President will then present to the Chancellor, the Dean who will present the honorary graduand. The graduand will remain standing at her (his) seat during the Presentation Address.

On the conclusion of the Presentation Address, the graduand will approach and kneel before the Chancellor who will confer the degree by pronouncing the appropriate formula.

The Secretary of the University will then place the hood of the degree upon the shoulders of the graduand.

On the conclusion of the Convocation Address, the President will call on the presenters, in the order indicated in the programme; the presenters will call forward the various groups of candidates for degrees (and diplomas) and will read the names of the graduands present, one by one, in the order that each candidate is to advance and receive his (her) degree (diploma) at the hands of the Chancellor.

As soon as a candidate's name is called by the presenter he (she) will cross the platform and kneel upon the stool in front of the Chancellor; place his (her) hands within the hands of the Chancellor who will admit him (her) to the degree (diploma). The candidate will then rise and proceed across the platform, down the opposite steps, from those he (she) mounted the platform, receive his (her) degree (diploma) from the Registrar, and then return to his (her) seat.

After degrees (diplomas) have been conferred upon all candidates present, the President will present the University Secretary to receive the degrees for all absent candidates.

The Secretary will kneel on the stool before the Chancellor, and the Chancellor will confer the degrees upon all absent candidates through the Secretary of the University.

The presentation of medals and awards will follow, after which the Chancellor will bring the proceeding to a close by saying:

I hereby declare this Convocation closed.
