ALASTAIR ROBERT
CAMPBELL DUNCAN, MA
DOCTOR OF LETTERS
(HONORIS CAUSA)

Professor A. R. C. Duncan, a teacher for the past 42 years, was born in Edinburgh, Scotland, in 1915. He was educated at George Watson's Boys College and at the University of Edinburgh, graduating with First Class Honours and the Bruce of Grangehill Scholarship in Philosophy with the degree of Master of Arts in 1936.

He was a German exchange student at the University of Marburg, Germany 1936-37 and the Ferguson Scholar in Philosophy in 1938; this is a Scholarship given in open competition among the Scottish universities.

Professor Duncan began his academic career in 1937, when he was appointed assistant lecturer in the Department of Moral Philosophy at Edinburgh University. The following year he joined the faculty of University College, the University of London as a lecturer in philosophy.

From 1939 to 1945 he was on active war service with the British Army, first as a regimental officer in the artillery, then in military intelligence, serving in the Middle East, Africa and Italy.

After the war Professor Duncan returned to the University of Edinburgh as a lecturer, roughly equivalent to Associate professor, in Moral Philosophy and also as Director of Studies in the Faculty of Arts. In 1949 Professor Duncan was appointed Head of the Department of Philosophy at Queen's University, Kingston, Ontario, a position which he presently occupies.

Professor Duncan also served as Dean of the Faculty of Arts and Science at Queen's from 1959 to 1964. In addition to having authored three books, he has written numerous articles on philosophy, is a contributor to the Encyclopedia Britannica and has lectured extensively in Canada and abroad. In 1977 he was the recipient of the Alumni Award for Excellence in Teaching. The award, established at Queen's in 1974, recognizes faculty members whose knowledge in their field and whose ability to motivate and communicate to students is outstanding.

Professor Duncan's chief interests are in philosophical ethics, Greek philosophy and the philosophy of the personal. More recently he has become involved in the field of Dante studies.

CLAUDE EUGENE GARTON, BA
DOCTOR OF SCIENCE
(HONORIS CAUSA)

Claude E. Garton, who needs no introduction to the Lakehead University community nor to the greater part of Northwestern Ontario, was born in 1906 at Lyons Corner, Elgin County, Ontario.

His early education was attained at S.S. #4 South Dorchester Public School, followed by St. Thomas Collegiate Institute, from where he graduated in 1924, he was the first winner of the Carter Scholarship. He graduated from London Normal School in 1926 and began his teaching career at River Road Public School Elgin County.

Professor Garton came to the Lakehead in 1928 to teach and was promoted to Principal of Current River School in 1936. In 1941 he became Principal of Pine Street School.

Following his graduation from Queen's University in 1942, Professor Garton joined the Canadian Army and served overseas until 1946. From that date until he retired in 1966, he held the position of Principal of Current River Public School.

Claude Garton is well known in Thunder Bay, as a teacher, as a botanist and as a conservationist. Over the years, he has collected plant specimens from both Canada and the United States, but particularly from the Thunder Bay area. Today, his collection, which he donated to Lakehead University in 1967, includes more than 5,400 vascular species, 390 species of lichen, and 107 species of hepatics, making it one of the best in Canada.

Although he is officially retired, Professor Garton remains busy working on a checklist of plants growing on the Ontario side of Lake Superior. To date, he has documented and collected some 3,000 species.

Other contributions of Professor Garton include the cataloguing and collecting of plant species in the new Pukasaw National Park, Ouimet Canyon and Quetico Provincial Park.

Following his retirement in 1966, the Claude E. Garton Public School was named in his honour, he was made an Honorary Professor of Biology and Curator of the Herbarium at Lakehead University, and last year he was awarded the Ontario Trophy by the Federation of Ontario Naturalists.

JOHN NORMAN PATERSON, BA
HONORARY FELLOW OF
LAKEHEAD UNIVERSITY

John Norman Paterson was born in Fort William on August 22, 1920, the son of Norman M. and Eleanor Macdonald Paterson. Married to Catherine Cameron Fraser on June 14, 1947; they have five children and four grandchildren.

He was educated at Fort William Public Schools, Ravenscourt School for Boys in Winnipeg, and the University of Bishop's College, Lennoxville, Quebec, graduating with a B.A. degree in history and philosophy in 1939, prior to his 19th birthday. He entered law school in Toronto that fall, but was not called to the Ontario Bar until September of 1947.

Mr. Paterson enlisted in the Royal Canadian Air Force in May 1940, obtained his pilot's wings and was commissioned a Pilot Officer. After serving as a Flying Instructor for two years he was sent overseas, where he did a tour of duty as a Fighter Pilot. In August 1944 he was invalided back to Canada; he served the balance of the war years as a Ferry Pilot and as a Station Commander at various stations until 1946 when he retired to the reserve with the rank of Flight Lieutenant.

After completion of his law degree at Osgoode Hall he entered the family business in Fort William. He served on the inaugural Board of Westmount Hospital and continued on the Board for many years. He was a founding Board member of the Thunder Bay District Health Council and of Lakehead University, the latter he served for many years; it was through his efforts and those of Robert James Prettie, that more than \$3,600,000 was raised for the University Building Fund Drive in 1967.

Mr. Paterson was a Board member of the Fort William Chamber of Commerce for several years and has served and is serving on the Board of Directors of a number of large concerns such as the Toronto-Dominion Bank, Great Lakes Paper and the Royal Trust Co.

He was appointed Honorary Lieutenant Colonel of the Lake Superior Scottish Regiment March 1, 1961 and Honorary Colonel on November 30, 1965, still serving in the latter capacity. He was awarded the Civil Defense Medal. Invested as Serving Brother of the Order of St. John, October 1977, and as an officer in May 1979. He was awarded the Jubilee Medal in 1977.

Mr. Paterson pursues an active business career in many fields. He flies his own fully aerobatic aircraft; has restored and flown MK IX Spitfire in 1960-63 and Stearman 4EM historic air mail pioneer aircraft in 1969 and presented both to the National Aeronautical Collection at Rockcliffe Airport, Ottawa. He actively supports district Air Cadet Squadrons and has equipped Lake Superior Regiment Cadet Corps and H.M.C.S. Griffin Sea Cadets.

CEREMONY OF ADMISSION TO DEGREES

The Graduating Classes will enter Convocation Hall in procession under the guidance of their marshals and will stand before the seats reserved for them.

The audience will rise when the Senate, the Board of Governors, the Platform Party, including the President* and the Chancellor*, enter the Hall and will remain standing through "O Canada", the Invocation, until the Chancellor declares the "Convocation Open".

The President will request the members of the Graduating Classes to rise in their places, and when they have done so, will address the Chancellor as follows:

Mr. Chancellor, will you admit these graduands.

The Chancellor will reply as follows:

By virtue of the authority vested in me, I admit you to these degrees and diplomas as graduates of Lakehead University.

The members of the Graduating Classes will resume their seats. Greetings and congratulations will then be extended to them on behalf of the University.

The President will then present to the Chancellor, the Dean who will present the candidate for the honorary degree.

The candidate will stand facing the Chancellor during the reading of the citation.

On the conclusion of the reading, the Chancellor will confer the degree by pronouncing the appropriate formula and the recipient will be hooded.

The President will then present to the Chancellor, the Chairman of the Board who will present the candidate for the Honorary Fellowship of the University.**

The candidate will stand facing the Chancellor during the reading of the citation.

The Chancellor will confer the title Fellow of the University on the candidate.

On the conclusion of the Convocation Address, the President will call on the presenters, in the order indicated in the programme; the presenters will call forward the various groups of candidates for degrees (and diplomas) and will read the names of the graduands present, one by one, in the order that each candidate is to advance and receive his (her) degree (diploma) at the hands of the Chancellor.

As soon as a candidate's name is called by the presenter he (she) will cross the platform and kneel upon the stool in front of the Chancellor; place his (her) hands within the hands of the Chancellor who will admit him (her) to the degree (diploma). The candidate will then rise and proceed across the platform, down the opposite steps, from those he (she) mounted the platform, receive his (her) degree (diploma) from the Registrar, and then return to his (her) seat.

After degrees (diplomas) have been conferred upon all candidates present, the President will present the University Secretary to receive the degrees for all absent candidates.

The Secretary will kneel on the stool before the Chancellor, and the Chancellor will confer the degrees upon all absent candidates through the Secretary of the University.

The presentation of medals and awards will follow, after which the Chancellor will bring the proceeding to a close by saying:

I hereby declare this Convocation closed.

*Where the titles Chancellor and President appear read Acting Chancellor and Acting President.

**Morning Convocation.
