MELVILLE W. BARTLEY

B.Sc., M.Sc., Ph.D.

Dr. Melville William Bartley has been involved with the Lakehead University community since 1943, and was one of the principal contributors to the transition from technological institute to university.

Now an Honorary Professor in the Department of Geology, Dr. Bartley was born in Winnipeg, Manitoba on April 24, 1910. He graduated from Fort Frances Collegiate Institute in 1928, and went on to the University of Manitoba, where he earned a Bachelor of Science degree in 1934, and a Master of Science degree in 1936. In 1940, he received a Ph.D. from the University of Toronto.

From 1940 to 1947, Dr. Bartley was Chief Geologist and Production Manager for Steep Rock Iron Mines Ltd. He served on the Advisory Committee and the Board of Governors of the Lakehead Technical Institute from 1943 to 1947. He became Principal in 1948, a position he held until 1952. He was then appointed to the Board of Governors for the Lakehead College of Arts, Science and Technology, and continued in that capacity when the college became a university in 1965. He was Chairman of the Lakehead University Board of Governors from 1965 to 1969; he retired from the Board in 1978.

In 1971, Dr. Bartley was named Honorary Professor, and was also appointed Examiner for the Association of Professional Engineers of Ontario.

Throughout his career, Dr. Bartley has been involved with many professional groups; the Association of Professional Engineers of Ontario, the Society of Economic Geologists, the Geological Association of Canada, and the American Institute of Mining Engineers. From 1976 to 1977, he served a term as President of the Canadian Institute of Mining and Metallurgy. He is still head of M. W. Bartley and Associates Ltd., a group of consultants and specialists in international iron ore exploration and development which he established in 1952.

WILLIAM G. TAMBLYN

B.A.Sc., M.Comm., L.L.D.

When the Lakehead University Act was put into effect in 1965, William Gordon Tamblyn assumed office as the first President and Vice-Chancellor. Mr. Tamblyn had taken an energetic part in the institutions affairs for many years while serving on the Advisory Committee and as Chairman of the Board of Governors when the University existed as a technical institute.

William Gordon Tamblyn was born in Toronto on April 9, 1923. He was educated at Upper Canada College, and the University of Toronto, graduating with a Bachelor of Applied Science (Honours), and Master of Commerce (Business Administration). He has since been awarded the Doctor of Laws (LL.D.) from Laurentian University (1966) and the Queen's Silver Jubilee (1979) Medal.

Mr. Tamblyn married Margeurite McCavour of Fort William, in 1945, and the couple spent a year in China, where Mr. Tamblyn was an administrator for the church of England missions in Honan Province. He then returned to Canada to join the engineering department of the Great Lakes Paper Company, first as Design Engineer, and later as Assistant Chief Engineer. In 1955, he became Chief Engineer for the Mills Steel Construction Company; in 1962 he became President and principal shareholder of Mills, and four subsidiary companies in the construction field.

Always active in community affairs, Mr. Tamblyn was Chairman of the Fort William Board of Education, President of the Lakehead Chamber of Commerce, and President of the Lakehead Builders' Exchange. During those years he took a deep interest in the Lakehead Technical Institute, as it progressed from an institute to college to university. He was appointed to the Advisory Committee of the Institute in 1953, and after serving continuously as a director, was elected Chairman of the Board of Governors of the Lakehead College of Arts, Science and Technology in 1963.

Much of the institution's rapid expansion over that significant ten year period, 1953 through 1963, has been attributed to the foresight, interest, and energy of William Gordon Tamblyn.

MORNING CONVOCATION

The President will present to the Chancellor, the candidate for the honorary degree.

The candidate will stand facing the Chancellor during the reading of the citation.

The Chancellor will invite Dr. Monahan to address Convocation.

AFTERNOON CONVOCATION

The President will present to the Chancellor, the candidate for the honorary degree.

The candidate will stand facing the Chancellor during the reading of the citation.

On the conclusion of the reading, the Chancellor will confer the degree by pronouncing the appropriate formula and the recipient will be gowned and hooded.

The President will present to the Chancellor, the Chairman of the Board of Governors who will present the candidate for the Honorary Fellowship of the University.

The candidate will stand facing the Chancellor during the reading of the citation.

The Chancellor will confer the title Fellow of the University on the candidate.

The Chancellor will invite Dr. Tamblyn to address Convocation.

On the conclusion of the Convocation Address, the President will request the members of the Graduating Classes to rise in their places, and when they have done so, will address the Chancellor as follows:

Mr. Chancellor, will you admit these graduands.

The Chancellor will reply as follows:

By virtue of the authority vested in me, I admit you as degree and diploma graduates of Lakehead University.

The members of the Graduating Classes will resume their seats. Greetings and congratulations will then be extended to them on behalf of the University.

The President will then call on the presenters, in the order indicated in the programme; the presenters will call forward the various groups of candidates for degrees/diplomas and will read the names of the graduates present, one by one, in the order that each candidate is to advance and receive his/her degree/diploma at the hands of the Chancellor.

As soon as a candidate's name is called by the presenter he/she will cross the platform and kneel upon the stool in front of the Chancellor; place his/her hands within the hands of the Chancellor who will admit him/her to the degree/diploma. The candidate will then rise and proceed across the platform, down the opposite steps, from those he/she mounted the platform, receive his/her degree/diploma from the Registrar, and then return to his/her seat.

After degrees/diplomas have been conferred upon all candidates present, the President will present the University Secretary to receive the degrees on behalf of all absent candidates.

The Secretary will kneel on the stool before the Chancellor, and the Chancellor will confer the degrees upon all absent candidates through the Secretary of the University.

The Chancellor will bring the proceedings to a close by saying:

I hereby declare this Convocation closed.
