Congratulations

Your graduation marks the conclusion of one milestone in your life — the achievement of academic excellence. It also signals the beginning of a life-long partnership as an alumnus/alumna with your university. As a graduate we welcome you as a member of the Alumni Association of Lakehead University!

With your alumnu/alumna status comes the opportunity to give to and receive from your alma mater. Without your resource of enthusiastic ideas, experience and involvement, the Association would be of little consequence. However, this is not so. Thanks to you and those who graduated before you, the University becomes a more vital institution of growth and learning year by year. Through your gift of giving, whether it be financial or through volunteering, you leave a legacy for future generations.

Founded in 1982 the Alumni Association of LU has a present membership of 16,500 alumni. The connection between you and the Association is the office of Alumni Services located across from the main campus on Oliver Road. This area provides administrative support to our many volunteer programs, branch chapters, as well as maintaining and updating alumni records. The Alumni Annual Fund, through which thousands of dollars are given towards scholarships and bursary programs, is also under the auspices of Alumni Services.
