MARY ANNE MISNER
Educator

Mary Anne Misner was born in Blyth, Ontario but grew up and attended elementary and secondary schools in nearby Goderich. She attended Stratford Normal School and taught at R.C.A.F. Station Centralia for nearly ten years. While there she married James Donald Misner and they are the parents of three children Bruce, Donald and Anne.

The family moved north to Dryden, Ontario in 1965 and Mrs. Misner again became involved in education while her children were in school - first as a parent volunteer and then as a trustee. She was elected in January 1975 to the Dryden Board of Education, and retired from the Board in December 1991.

While on the board, she served on every committee and chaired the board on four occasions. She served on the provincial Secondary Education Review Project. She was honoured by her fellow trustees with the Bernadine Yackman Award in 1987 and awarded an Honourary Life Membership with of the Ontario Public School Boards Association in 1991.

Mrs. Misner worked as Constituency Assistant to Leo Bernier for 12 years, retiring when he did in 1987. She currently sits on the Board of Handi-Transit, is President of Unit 5, United Church Women, is active with the Multi-Year Planning Committee that assists in bringing clients home from the Northwest Regional Centre and is secretary of the Dryden Family History Group. One of her proudest accomplishments is the compilation of a short history of Albert Street School, situated in Dryden, Ontario. Currently Mrs. Misner is involved in researching the history of Riverview Public School, also in her home community of Dryden.

LYN McLEOD

Leader of the Ontario Liberal Party

Lyn McLeod was born, raised and educated in Winnipeg, Manitoba. She majored in English and French Literature at the University of Manitoba where she also met her husband, Neil McLeod, a native of Fort William. They moved to the Lakehead in 1968 and Lyn, soon established as a "Northerner", earned a distinguished record of public service. She served 17 years as a Trustee on the Lakehead Board of Education, including seven years as Chair of the Board. She successfully dealt with many issues while in that position, including the effects of a teachers' strike. In recognition of her outstanding contribution to education, the Ontario Secondary School Teachers' Federation presented her with the prestigious Lamp of Learning Award in 1979.

Lyn earned an Honours Bachelor of Arts Degree in Psychology from Lakehead University in 1984, and was the recipient of the Dean of Arts medal and the Chancellor's medal as the highest-ranking student in the Honours program. Two years later she received her M.A. in Psychology. In 1987 Mrs. McLeod was appointed to Lakehead University's Board of Governors. Later that year she was elected to represent the riding of Fort William and attended the University's 1988 Convocation exercises as Minister of Colleges and Universities. During her two years in this portfolio, Mrs. McLeod was responsible for several major initiatives, including the expansion of Contact North, which provides distance education to northern communities, a review of the Ontario Community College system, and the creation of Ontario's first French language college, La Cite Collegiale. In 1989, Mrs. McLeod was appointed Minister of Natural Resources and Minister of Energy. She also served on the Policy and Priorities Board of Cabinet. Mrs. McLeod dealt effectively with a number of controversial issues, including the Temagami conflict, the Rouge River Valley Park project, and a review of Ontario's energy needs for the next 25 years. Mrs. McLeod was re-elected in 1990 and served as Community and Social Services Critic for the Official Opposition before becoming Leader of the Ontario Liberal Party on February 9, 1992.

Until her election Mrs. McLeod worked with troubled youth in the Psychology Department of McKellar Hospital in Thunder Bay. The McLeods have four daughters.

CONVOCATION

**Afternoon Ceremony -- 2:30 p.m. for the Granting
of Degrees and Diplomas**

**TWENTY-NINTH ANNUAL CONVOCATION
FOR THE CONFERRING OF DEGREES AND DIPLOMAS**

JUDITH MAXWELL
Economist

Judith Maxwell is a well-known commentator and analyst of economic and social issues in Canada. She is currently Associate Director of the School of Policy Studies at Queen's University where she is responsible for guiding research projects on Government and Competitiveness, Human Resource Management Policies, and the Cost Effectiveness of the Health Care System. She is also the Executive Director of the Queen's-University of Ottawa Economic Projects, the Ottawa-based research centre where the project teams work.

Mrs. Maxwell was Chairman of the Economic Council of Canada from 1985 to 1992, at which time it was closed due to government streamlining measures. Prior to 1985, she worked as a consultant, as director of policy studies at the C. D. Howe Institute, and as a journalist. As Council Chair, Mrs. Maxwell helped to put the Council in the forefront of policy debate in Canada. She diversified the council's research agenda to cover a wider range of social and economic issues. Under her leadership, Council researchers produced a number of studies on poverty, education, competitiveness, the economic union, immigration, labour markets, and many other topics important to Canadians.

As a consultant, Mrs. Maxwell specialized in the analysis of social and political trends and their impact on public policy. She was associated with Coopers and Lybrand in Montreal, and with Esso Europe Inc. in London, England. At the C.D. Howe Institute, where she worked from 1972 to 1980, Mrs. Maxwell was the author and editor of a number of publications on fiscal policy, energy policy, labour market developments and federal-provincial relations. From 1966 to 1972, Mrs. Maxwell was a writer for the Financial Times of Canada, covering economic trends, bond and money markets, and monetary and fiscal policies.

Judith Maxwell was born in Kingston, Ontario but lived most of her early years in Nova Scotia and Prince Edward Island. She earned a Bachelor of Commerce degree from Dalhousie in 1963. She has been awarded honorary degrees from Dalhousie, Concordia and Queen's Universities.

God keep our land glorious and free!
O Canada we stand on guard for thee,
O Canada we stand on guard for thee.
