THIRTY SEVENTH
CONVOCATION

Lakehead University

Convocation 2001

Saturday, May 26, 2001 marks Lakehead University's thirty seventh convocation for the conferring of degrees and diplomas. The word "convocation" means "calling together". It is a ceremonial meeting of the entire university community. On Convocation Day university members and their guests wear special attire based on a tradition that dates back as long as seven centuries ago. The academic costume, also referred to as academic "dress" or "regalia", had its origins in the ancient European universities. The regalia was devised to distinguish academic persons such as doctors, licentiates, masters and bachelors. In the middle ages they were worn as everyday attire. Gowns were a necessity because of unheated buildings and hoods were needed to cover the heads of medieval scholars.

There are many variations of academic dress. The hood, gown and in some cases the special hat (mortarboard) worn by an individual is determined by the style of the university where he or she received a degree. The colourful gowns and hoods of universities from across Canada, the United States, the United Kingdom and several other nations of the world are worn here today.

The academic dress chosen by Lakehead University is fashioned after that of the University of Oxford, the oldest English-speaking university in the world. The robes worn by the officers of the university - the Chancellor, who presides at convocation, the President (who is also the Vice-Chancellor) and the Chair of the Board of Governors - are all of the Oxford cut and trim. Each has its own distinctive colour. The colourful gowns worn by the individuals who are receiving honorary degrees are of the same design as are the black gowns worn by the student candidates. The ritual at convocation reflects the medieval custom that anyone in a university could wear a gown, but a hood was the symbol of a degree. Students who have met the university's academic requirements (three, four, five or six years of study in particular subjects) wear the symbol of their status as holders of a Lakehead University degree. Lakehead University's bachelor's and master's degree hoods are distinguished by a one or two inch colour border which indicates the degree

acquired eg. white for Arts, drab for Commerce, blue for Education, burgundy for Nursing, etc. Lakehead's first PhD degree was conferred in 1998.

In addition to "earned" degrees, the university confers "honorary" degrees which symbolize the highest honour that can be conferred on an individual by the university. An honorary degree may be awarded in recognition of scholarly or creative attainments or distinguished public service to the country or region. They go to individuals who have been designated by the University's Senate, its senior academic governing body, as deserving special honour. At convocation the degree is awarded *honoris causa*, or "in the cause of honour". A hood is also given to the recipient and it may be worn to any academic affair. Recipients of these degrees become honorary alumni of the University and they may affix, after their names, the abbreviation of the degree. Two honorary degrees, the Doctor of Letters and the Doctor of Science will be conferred in today's ceremonies.

The Board of Governors of the university also recognizes individuals who have contributed to the growth, development, welfare and well-being of Northwestern Ontario and of Lakehead University. This is done by the conferring of the title Fellow of the University. You will recognize university Fellows by their familiar blue gown with white velvet epitoge or scarf.

During the processional and the recession the Marshal for convocation carries the Mace, a silver wand which is a traditional symbol of the university's authority. This mace was given to the university by the Alumni Association in 1971. It bears the university's motto *Ad augusta per angusta*, Achievement through Effort.

Today the university community celebrates its thirty seventh convocation. Its members dress in clothes which are symbolic, not functional, and go through a centuries old ritual for the conferment of degrees and diplomas. We thank you for being present to share this special event with us.

Photographs - Those wishing to take pictures of the graduates are most welcome to come forward to the left and right of the stage. To avoid congestion of that area, please wait until your particular graduate is ready to receive his or her degree before you come forward.

CAROL SHIELDS

Author

Carol Shields is perhaps best known for her Pulitzer Prize winning novel, *The Stone Diaries*, winner of the Governor General's Award for Literature and the National Book Critics' Circle Award.

Born in Oak Park, Illinois, in 1935, Carol Shields studied at Hanover College, the University of Exeter in England, and the University of Ottawa, where she received an M.A. In 1957, she married Donald Shields, a professor of civil engineering, and moved to Canada.

In addition to raising five children, Shields worked as an editorial assistant for the journal "Canadian Slavonic Papers," and as a professor at the University of Ottawa, the University of British Columbia, and the University of Manitoba. In 1996, she was appointed Chancellor of the University of Winnipeg, a position she held for four years.

Shields began writing "the kind of book I wanted to read but couldn't find" – books that examined women's friendships and inner lives. Many of her novels explore the nature of relationships and illustrate the connections and intersections between individuals and their communities.

In addition to *The Stone Diaries*, Shields has written numerous other novels and short story collections including: *Small Ceremonies* (1976); *The Box Garden* (1977); *Happenstance* (1980); *A Fairly Conventional Woman* (1982); *Various Miracles* (1985); *Swann: A Mystery* (1987); *The Orange Fish* (1989); *The Republic of Love* (1992); *Larry's Party* (1997); and *Dressing up for the Carnival* (2000).

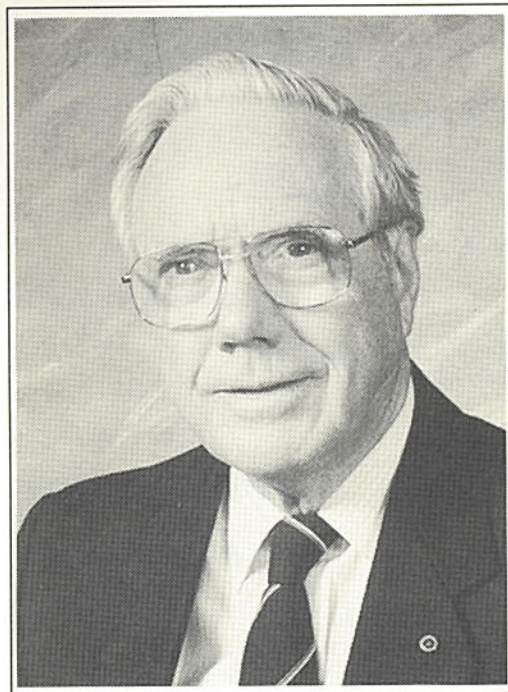

Shields has also published several collections of poetry including *Others* (1972); *Intersect* (1974); *Coming to Canada* (1992); as well as plays: *Departures and Arrivals* (1988); and *Thirteen Hands* (1993), her most popular play which premiered at Prairie Theatre Exchange and subsequently performed across the country. She is the recipient of the Canadian Authors Association Award for Fiction (1977); CBC First Prize for Drama (1983); CBC Second Prize for Short Story (1984); National Magazine Award nomination (1984); First Prize (1985); Marian Engel Award (1990); and 'Author of the Year', Canadian Booksellers Association (1994).

Carol Shields holds an honorary doctorate from the University of Ottawa and is a member of the Writers' Union of Canada, the Writers Guild of Manitoba, PEN, and The Canada Council for the Arts.

In 1999, Carol Shields was inducted into the Order of Canada.

DR. JAMES THOMPSON COLQUHOUN

Physician

Born in Windsor, Ontario, and raised in Port Arthur, Ontario, Dr. Colquhoun graduated from the University of Toronto Medical School in 1951 and joined The Port Arthur Clinic in 1953. He has been in active practice since that time and is currently on staff at both Thunder Bay Regional Hospital and St. Joseph's Hospital.

Much of Jim Colquhoun's energy over the years has been devoted to organizations that govern the practice of medicine in Canada. For 23 years he was a director of the Port Arthur Clinic and for 25 years he was on the executive of the Thunder Bay Medical Society, serving as secretary from 1956 to 1959 and president in 1961. From 1962 to 1972, he was a member of the Board of Directors of the Ontario Medical Association, serving as President in 1971. In 1994, he was awarded a Life Membership in the Ontario Medical Association. He also served on the CMA's Board of Directors and in 1995, was awarded a Senior Membership.

At St. Joseph's Hospital Dr. Colquhoun served as President of the medical staff as well as Chief of Staff. With the establishment of the McMaster University Medical School, and the creation of the Northern Ontario Medical Program (NOMP), he became affiliated with these initiatives and continued to be involved until 1990, helping to train physicians to practise in the North.

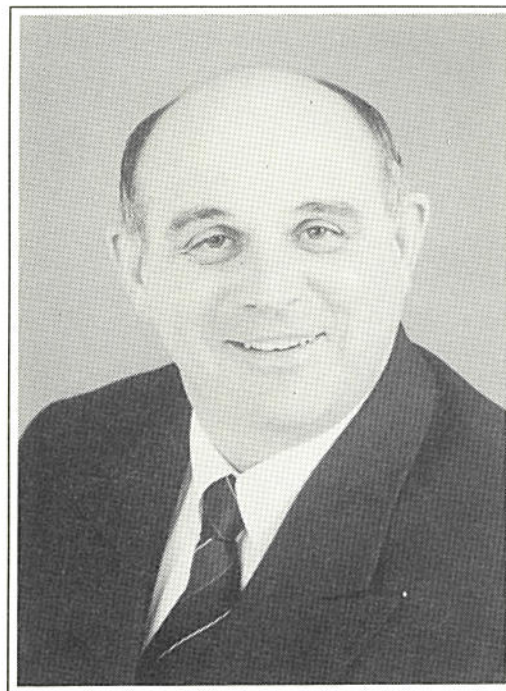

Dr. Colquhoun was a member of the Board of Governors of Lakehead University, for 14 years serving as Chair from 1988 to 1990. In 1984, he was appointed by the Federal Government as Chair of the Task Force to study problems associated with the delivery of health care to Native Reserves on the west coast of James Bay.

Throughout the years, he has served as director of the Lakehead Mental Health Association, and director of the Lakehead Social Planning Council. He is an elder at Lakeview Presbyterian Church, and for the past 40 years, has been a member of the Port Arthur Rotary Club. Dr. Colquhoun is a former trustee and past-president of the Thunder Bay Foundation. Other organizations that have benefited from his community spirit include the Salvation Army, United Way, Thunder Bay Community Auditorium, Canada Games Complex, YMCA, the Thunder Bay Symphony Orchestra, and the St. John Ambulance Corps.

In 1996, Jim Colquhoun and his wife Catherine were presented with a Public Service Achievement Award by the City of Thunder Bay for outstanding contributions to their community. They enjoy spending summers at their camp on Lake Superior and visiting with their 12 grandchildren.

PETER J. PRIOR

Accountant

Peter Prior was born in Sioux Lookout, Ontario where he attended Queen Elizabeth High School. He graduated from Lakehead University with a Business Administration Diploma in 1970. Continuing his formal education, he obtained a Certified General Accountant (CGA) designation, and also completed the Program for Executive Development at the University of British Columbia.

After graduating from Lakehead, Prior worked in the Accounts Office at the University. He then joined Royal Trust in Thunder Bay as an Accountant and subsequently relocated to Kitchener and Royal Trust in Toronto. While working in Toronto, Prior held various positions in Accounting, Finance, Real Estate and Pensions. In 1986, he moved to Vancouver as Director and Regional Manager Operations for the Pacific Division where he attained the position of Managing Partner Customer Service for Western Canada. In 1992, he returned to Toronto as Managing Partner for Mortgage Operations. With the merger of Royal Trust and Royal Bank, Prior moved to Pointe Claire, Quebec and worked in Montreal on the integration of the Mortgage operations of the two firms.

While living in Quebec, he took a year long company sponsored sabbatical, during which time he and his family traveled extensively. Following his leave he was given the opportunity of leading the Trade Service Centre in Toronto for Royal Bank and in 1997, he joined National Trust as Vice President for Business Process Performance. In 1998, Prior was recruited by BMO Nesbitt Burns where he is currently Managing Director and Vice President for National Operations.

Throughout the years, Peter Prior has shown his commitment and interest in Lakehead University's Alumni Association, and in the development of Lakehead University by way of his involvement in various fund-raising activities such as the "Share Our Northern Vision" campaign. He has participated in other fund-raising events such as the B.C. Science World "Exhibits Campaign", and the building campaign for St. Ignatius Loyola Church in Mississauga, Ontario. He was also involved in the initial building of the Da Vinci Centre in Thunder Bay. Currently, he is a member of the Lakehead University Foundation where he is actively raising funds for the construction of the Advanced Technology and Academic Centre. He is a member of both the Ontario and British Columbia CGA Associations.

Peter Prior has fond memories of his time in Northwestern Ontario and enjoys returning to visit family and friends.

He and his wife Judy, and their two children currently reside in Oakville, Ontario.

and the Faculty of Engineering**

**THIRTY SEVENTH ANNUAL CONVOCATION
FOR THE CONFERRING OF DEGREES AND DIPLOMAS**

JACK WARD THOMAS
Scientist

Jack Thomas is an American scientist and scholar who has devoted his life to the study of Wildlife Biology. He is the senior editor of the prize winning book *Elk of North America: Ecology and Management*, published by the Wildlife Management Institute and considered to be the "Elk Bible."

Jack Thomas was born in a small town in Texas and became interested in wildlife as a youngster while hunting, fishing and bird-watching on his grandfather's farm. In 1957, he completed a Bachelor of Science degree in Wildlife Management at Texas A&M before going on to complete a Master of Science degree in Wildlife Ecology at West Virginia University in 1968, and a PhD in Forestry from the University of Massachusetts. He has been honoured with a Distinguished Alumni Award from all three of these universities.

Since 1996, Thomas has been based at the University of Montana, Missoula, where he holds the position of Boone and Crockett Professor of Wildlife Conservation. Jack Thomas is the second person to hold this position, an endowed Chair that was named in honour of the first American conservation organization founded by President Roosevelt in 1882.

As a scientist and wildlife biologist, Thomas has been at the centre of issues related to forest conservation in the Pacific Northwest region of the United States. In 1993, he was named to head the Forest Service Ecosystem Management Assessment Team, in response to President Clinton's Forest Conference in Portland, Oregon. From 1993 to 1996 he served as Chief of the U. S. Department of Agriculture, Forest Service, in Washington, D.C., where he assisted the Department in broadening its focus from timber harvesting to fish and wildlife conservation.

Thomas has published extensively and his work has taken him to Pakistan, Israel, Mexico, Canada, Italy and India.

Jack Thomas holds membership in several wildlife associations including Ducks Unlimited, the American Ornithological Association and the American Society of Mammalogists. He is an elected fellow of the Society of American Foresters.

Thomas' many honours and accolades include the Aldo Leopold Medal - the highest award given by The Wildlife Society, named in memory of the "father" of wildlife management in the United States. As well, he is the recipient of several publications awards from a number of organizations including The Wildlife Society, Gulf Oil and from the U.S. Department of Agriculture. He also holds an honorary doctorate from Lewis and Clark College in Portland, Oregon.

ANTOINE (TONY) H. SEURET

Broadcaster

Tony Seuret has played a leading role in radio and television broadcasting in Northwestern Ontario and has had a longtime association with Lakehead University as a professor, administrator and member of the Board of Governors.

He currently holds the positions of vice-president and general manager of Thunder Bay Television; vice-president and general manager of Radio Thunder Bay; and president of Performance Sales & Marketing, Inc.; Thunder Media Productions Inc.; and Real TV Realty Inc.

Born in Montreal, Quebec, Seuret moved to Ontario as a teenager and completed a Bachelor of Arts degree and a Master of Business Administration degree at the University of Western Ontario. In 1968, he joined Lakehead University as a faculty member in the School of Business Administration, serving as Chair of the School from 1973 to 1977.

Tony Seuret's belief in the value of post secondary education explains his long-term commitment to Lakehead as well as his support of the development of leadership skills in young people as exemplified by the annual cooperative training program between Thunder Bay Television and Confederation College broadcasting students.

Tony Seuret was first elected to the Board of Governors in 1980 and in subsequent years chaired a number of Board committees including the Nominating Committee, Investment Committee, Financial Planning Committee and the Executive Committee. From 1988 to 1990, he served as second vice-chair, from 1990 to 1992 as first vice-chair, from 1992 to 1994 as chair, retiring from the Board in 1996.

Throughout his career in broadcasting, Seuret has demonstrated a commitment to developing programming of special local and regional relevance through such programs as *Spectrum* and *Northwest Newsweek* which are devoted entirely to stories and issues of concern to people throughout Northwestern Ontario. Tony Seuret has been instrumental in the expansion and delivery of news, information and entertainment services across three media platforms to the people of Northwestern Ontario.
