NOR'WESTER COACHES

LOU PERO

HEAD COACH

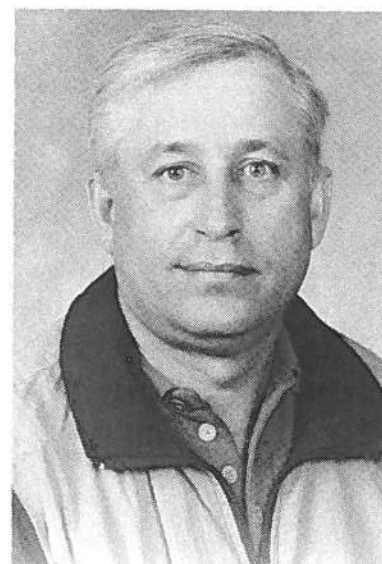

Lou enters his sixth year as the Nor'Wester's coach and his 25th year of coaching basketball. Under Pero's guidance, Lakehead is 77 and 79, with 5 tournament wins. In addition, the Nor'Westers have made the playoffs in each of the five years.

JOHN GRACE

ASSISTANT COACH

John is in his seventh year as an assistant coach with the Nor'Wester's. John is primarily responsible for the development of the guards, as well as assisting with the development of the team's offensive and defensive systems.

LARRY KRAWCHUCK

ASSISTANT COACH

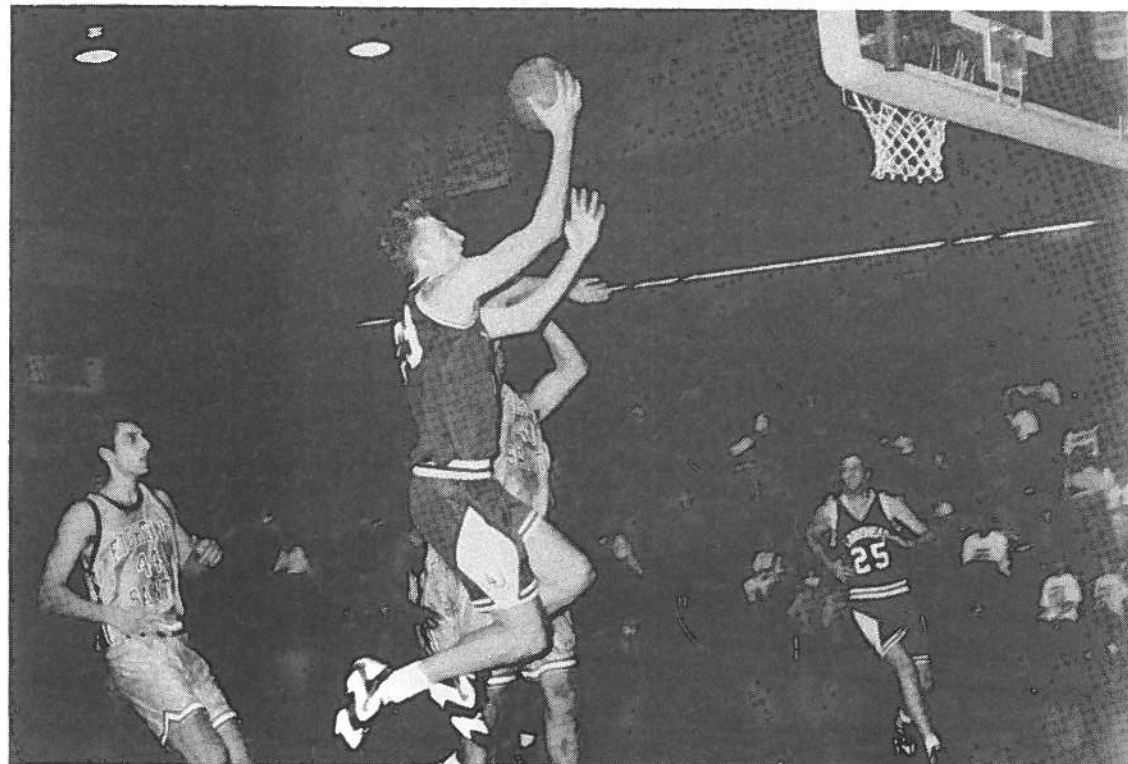

Larry returns to the Nor'Wester's for his third year as an assistant coach and his twenty-fourth year in coaching. He brings a wealth of knowledge to the coaching staff and is primarily responsible for the development of the post players.

MEN'S BASKETBALL TEAM PROFILE

The Lakehead University Nor'Westers completed their sixth and most successful year in OUAA West competition. The Nor'Westers finished tied for fourth with the Brock Badgers. In their last weekend series at home Lakehead upset the number one ranked McMaster Marauders in front of a packed house. The Nor'Westers 1993/1994 season ended with a loss to the Brock Badgers in OUAA West quarter finals.

Head Coach Lou Pero appears to be optimistic with nine of his 12 players returning. Of the nine players the keys to the Nor'Westers will be the play of 6'8" OUAA West All-Star Craig Law and diminutive point guard Peter Brown. In addition, Lakehead will look to transfer student Chris Livingston, a prolific scorer, and freshman David O'Brien from Timmins High School.

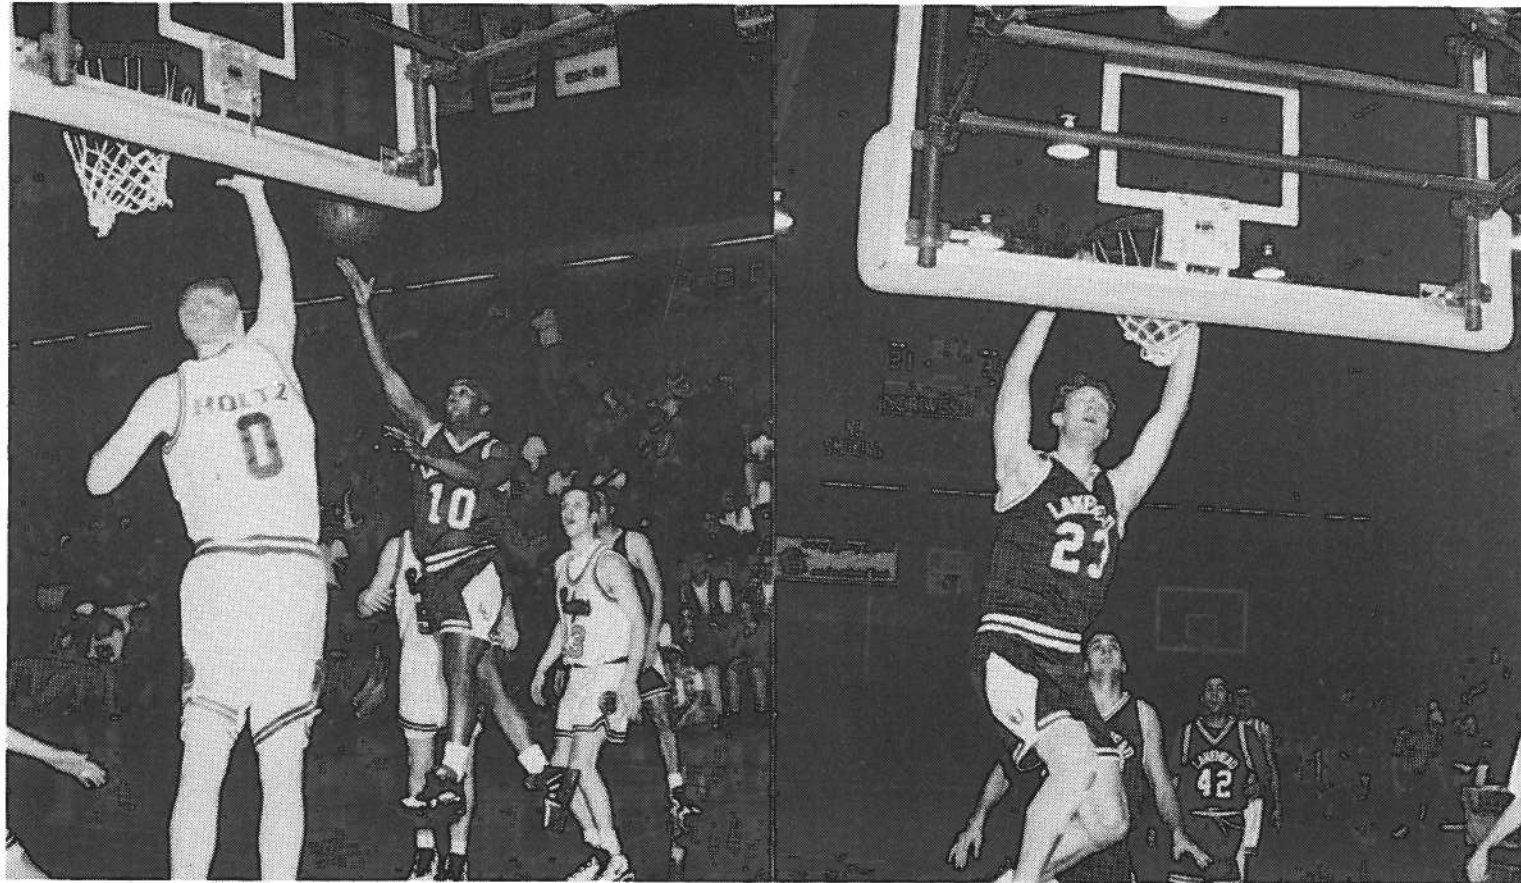

In summary, the outlook for the 1994/1995 Lakehead University Nor'Westers seems promising with the leadership of Brown and Law and the maturing of Paul Andrew, Mark Moorhouse, and Cory Keeler.

THE NOR'WESTERS WELCOME YOU TO THE THUNDERDOME!

1994-95 CAPTAINS

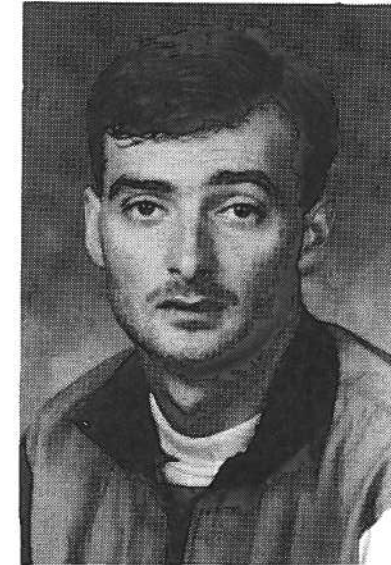

PETER BROWN - 5'8" Guard, Elliot Lake

Peter is returning for his fifth year at Lakehead and will be expected to lead a very balanced offensive attack. He has also established himself as one of the premier point guards in the OUAA conference. His ability to control the tempo of a game will be a great asset to the team. Peter will complete his Honours Sociology this year.

CRAIG LAW - 6'8" Post, Thunder Bay

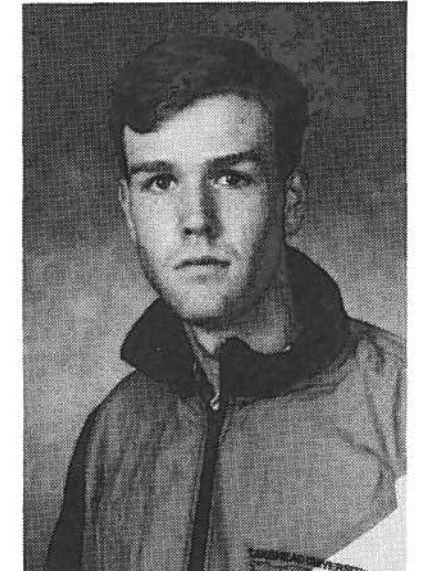

Craig will be entering his fourth year in Business at Lakehead and will be looking to build on his OUAA All-Star performance from last year where he finished seventh in rebounding in the conference and led the team in scoring. His ability to score both from the inside and outside will be a key weapon in the Nor'Westers attack this season. Craig's excellent leadership skills will also be called upon to help develop the younger players.

PLAYER PROFILES

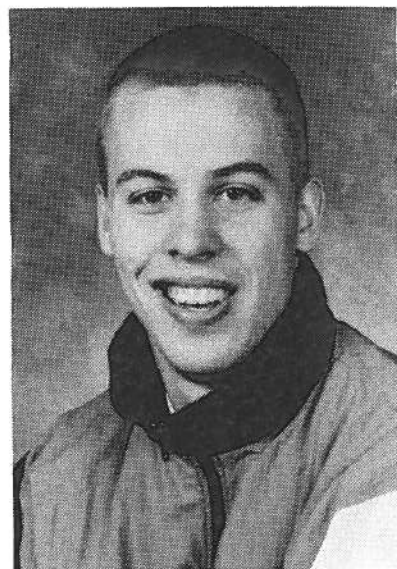

CHRIS LIVINGSTONE - 6'1" Guard, Burlington

You may recognize Chris from a couple of years ago when he played guard for the Wilfred Laurier Golden Hawks. He was their rookie of the year in 91/92 and was captain during the 92/93 season. Chris is an excellent shooter and a very good passer. His experience, leadership ability and most of all, his desire to win will be a tremendous asset to the Nor'Wester's this season. Chris is in the Bachelor of Education program.

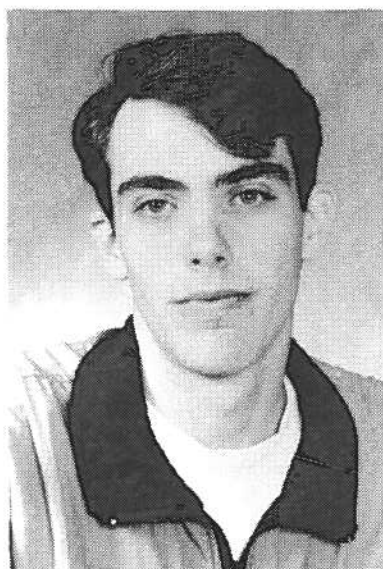

PAUL ANDREWS - 6'5" Forward, Thunder Bay

After a very productive 93/94 season, Paul is now ready for prime time status in the league. Last year, Paul was the ninth leading rebounder in the conference and averaged 12.5 points per game. His desire to win is unmatched and it is this intensity that will drive Paul to All-Star status. He is currently enrolled in third year Science.

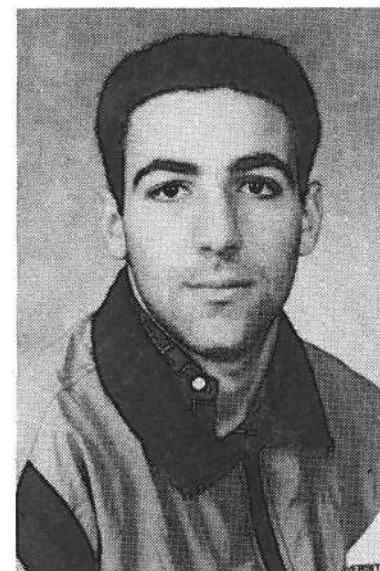

WILLY CROCKER - 6'2" Forward, Thunder Bay

Willy is entering his first year in the Physical Education program, after an outstanding athletic career at FWCI in Thunder Bay. last season he led the Blue Bears in both scoring and rebounding, and averaged 30 points per game in the OFSSA AA basketball championship. Willy will bring athletic ability and intensity to the Nor'Westers lineup this season.

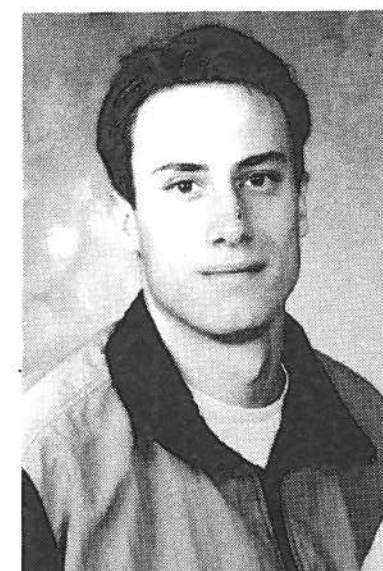

MARK MOORHOUSE - 6'6" Forward, Thunder Bay

As a second year player, Mark will be called upon to back up a very solid post game. He has worked very hard over the summer on his game which will make him a real force in the Nor'Westers attack this season. Mark is an excellent rebounder and shot blocker which makes life difficult for opposing post players.

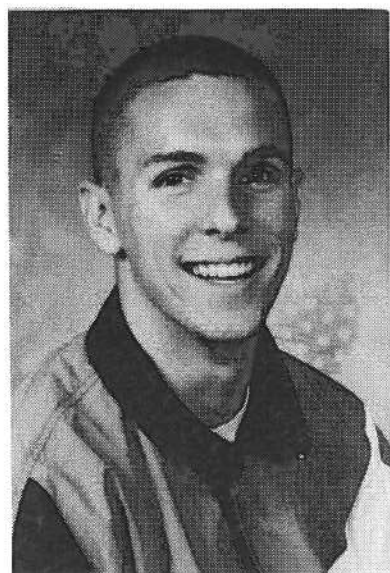

DAVID O'BRIEN - 6'0" Guard, Timmins

Dave comes to us after completing a very impressive year with the seventh ranked Timmins High School Blues. His team won five tournaments and David was voted MVP in four of those. He is an outstanding defender and rebounds very well from the guard position. Look for David to be a real impact player for the Nor'Westers this season.

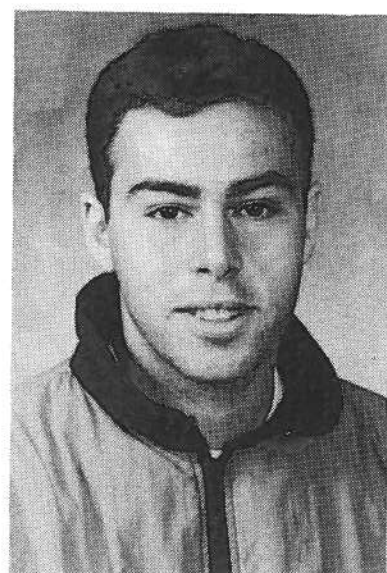

CORY KEELER - 5'8" Guard, Thunder Bay

Cory is beginning his fourth season as a Nor'Wester and this experience coupled with his leadership ability will help solidify a very deep backcourt. He is an excellent shooter from long range and works very hard on defence. As a point guard, Cory does a good job of making the offence flow and will be called upon to do this again this season.

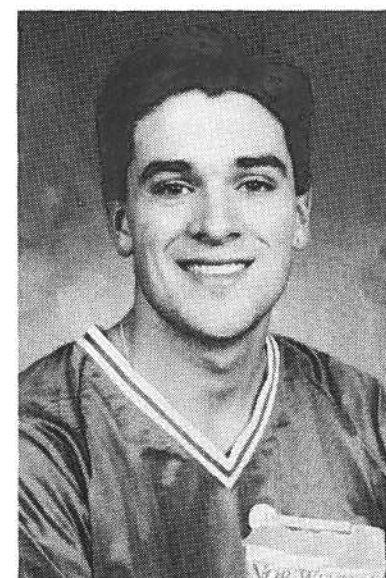

SHAWN CAMPBELL - 6'0" Guard, London

Shawn is entering his second year at Lakehead and his first as a playing member of the Nor'Westers. After playing one year at Carleton, Shawn transferred to Lakehead. He is an excellent defender and will be expected to control the team's very potent offensive attack using both his experience and his patience.

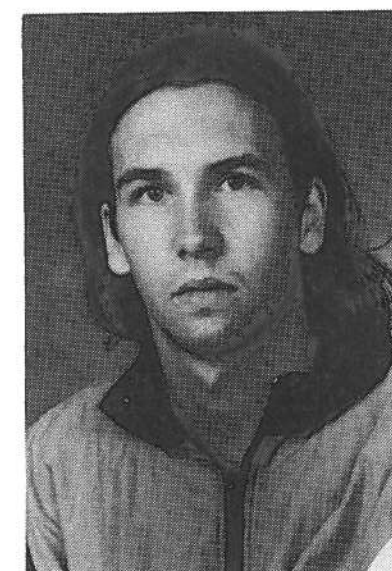

CARLO ZOFFRANIERI - 5'9" Guard, Milton

Carlo is entering his first year here at Lakehead and will be playing Point Guard. He comes to us from Bishop Redding High School which was ranked third in the province last year. Carlo has been a high school conference All-Star for the past two seasons and was the MVP of both the Sheridan College and Mohawk College Tournaments.

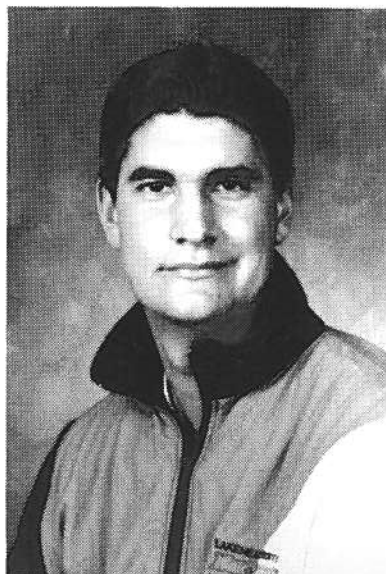

MURRAY SMITH - 6'6" Forward, Thunder Bay

Murray is entering his third year at Lakehead and will be a big factor in the teams success this season. His outstanding athletic ability and quickness make him a very exciting player to watch. With the confidence he has gained over the last two seasons, Murray is now ready to show he is one of the top big men in the conference.

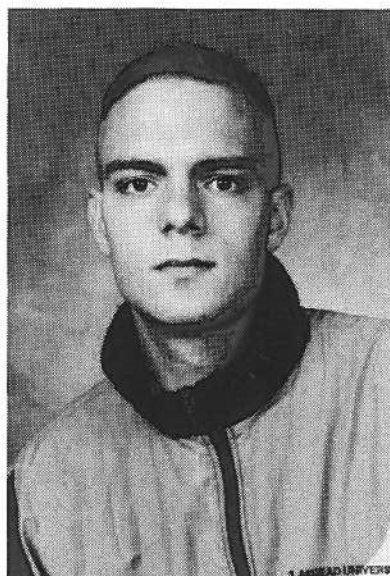

BRIAN NORLAND - 6'3" Swing, Thunder Bay

After a year off, Brian has returned to the Nor'Wester's lineup this season. His ability to pass the ball will add a new dimension to the team's attack. He is a good defender and is able to draw several fouls a game using his creative shooting. Brian's experience will be called upon to help lead the Nor'Westers younger players.

MIKE BOOTH - 6'7" Post,
Vankleen Hill, Ontario
 Last season at Vankleen Hill Collegiate, Mike averaged 14 points and 15 rebounds a game. He was his team's MVP and was also nominated for the award of Best Academic Athlete. Mike will bring tremendous size and strength to Lakehead's post game. If Mike continues to develop, he could be a real force in our league in the future.

BRYAN TURNER - 6'3" Forward,
Thunder Bay
 Bryan is entering his first year at Lakehead and is ready to make the transition to the university game. Last year at Westgate High School, he averaged 12 points per game and was the team's MVP. He was an All-Star at the Tiger Tip Off Tournament and was also the recipient of the Hector McRitchie Award for sportsmanship. Bryan is a good athlete and runs the court very well.
