HIGH SCHOOL NUMBERS DROP

**By Rene McKnight
Lakehead Living**

An enrolment drop of nearly 400 students is being felt in Lakehead Board of Education's secondary schools.

That system's primary schools are faced with a decline of more than 130 pupils.

Staff services superintendent Jim

Black said big losses at Gron Morgan and Northwood could be attributed to several factors. The two special education high schools saw a drop of 142 students in total.

"More and more the composite schools are offering basic level courses," Black explained.

In March school board administrators

had projected an enrolment drop of 80 at Gron Morgan and Northwood. The introduction of Bill 82 meant special education students were identified as having specific exceptionalities and admission rules were changed, he stated.

Black said this factor, combined with the fact basic-level education is more readily available at composite schools,

is the rationale for the large decline.

Lakeview and Selkirk high schools faced a combined drop of about 130 pupils. Both schools have seen a steady descent in the past few years and have been considered for closure, he said.

Black was quick to add there is no firm decisions on any school closures. Less students means less teachers. In-

structors were let go and 10 were hired by the Lakehead Roman Catholic School Board.

Some high schools were greeted with less bleak news. Churchill and FWCI saw growth of more than 20 pupils.

Final enrolment figures are not yet available and a slight increase in student population is likely.

LU pub may close

**By Rene McKnight
Lakehead Living**

The pub on the campus of Lakehead University may be forced to shut its doors.

Several weeks ago a fight developed between *Study* doormen and a man in the pub. Police were called to the university and now a closure of the drinking establishment is possible.

Lakehead University president Bob Rosehart said there will be an internal inquiry to determine what happened. This is the only incident this year, but Rosehart said it has caused concern.

University investigates

He said two people will head the inquiry and present him with a report of their findings. One staff member and one student will look into the matter.

Rosehart made the request for an investigation to the Board of Governors late last week.

The doormen involved in the fight were suspended with pay until the review is complete.

According to reports from Lakehead University students, a man at the pub picked up a bar table and smashed it on the floor. The table had bottles and glasses on top of it. He left then tried to return to the establishment. When he was refused re-entry, the argument occurred.

Hammar skjold victory: The annual United Way Bowl Game saw Hammar skjold emerge as the only team in the north to win a game. They were successful in defeating Westgate 21-7. In the top photograph, students at Hammar skjold drive around in a car to celebrate the school's 25th an-

niversary. Left, fans of the winning team proudly display their school banner at half-time. A Westgate supporter did not seem so cheerful about the victory as he tore the banner from their grasp. Photographs by Julio Gomes and Ray Mercier.

City mourns Badanai

(Staff) -- Thunder Bay was saddened last week by the passing of Hubert Badanai, former city alderman, mayor and parliamentarian.

Mr. Badanai served the old city of Fort William and Thunder Bay "with a lot of class," said longtime friend and political rival Mickey Hennessy.

"He was known as Mr. Liberal in Fort William," said Hennessy. "As long as the name Badanai went up on the ballot, a Liberal member was returned in Fort William."

"I always had a great respect for Mr. Badanai... I had known him for quite a few years. He always offered sound advice."

Indeed, at the last inaugural meeting of city council in December, Mr. Badanai imparted words of wisdom to new members of council.

He urged the new councillors to "adopt a forward-looking attitude" to housing and police services.

"The people of Thunder Bay, who you are elected to serve, demand a great effort for the protection of life and property in our cities," continued Mr. Badanai.

Some of the council's future actions would be criticized, he predicted, but "if you succeed in doing the things that will please the majority of the people, your term of office will be a great success."

Those principles, and a sense of accountability to the electors are what guided Mr. Badanai to a long, successful career in politics.

Lakehead Living joins with the community in expressing our sorrow on the occasion of his passing.

Beavis to chair committee

**By Julio Gomes
Lakehead Living**

Bill Beavis, the retired manager of the Parks and Recreation Department, has been nominated to replace Ken Boschhoff as chairman of the Thunder Bay-Duluth Friendship Games Committee.

Ald. Boschhoff stressed that he has not withdrawn from the committee, but has "basically passed on the helm to Bill Beavis." The guiding force behind the Games, Boschhoff has decided to reduce his workload in this area. "I will continue on as a board member," he announced, citing a demanding municipal program as one of the reasons for the resignation.

"Bill has been involved with the Friendship Games from the very beginning," he added. "We are the beneficiaries of someone who has the skill, time, and commitment to the concept. With the Games growing each year, Bill will be taking the chairman-

ship to Duluth for their 100th anniversary. He will be a bonus for them and for us."

Mayor Jack Masters was equally enthusiastic about the elevation of Beavis to this position. "Bill Beavis is a great selection by the committee, I think, to build on what's already there," he said.

Walk-A-Dog-A-Thon Oct. 5

(Staff) -- Thunder Bay will join 90 other cities across Canada in the Walk-A-Dog-A-Thon slated for Oct. 5.

The slogan for the second national walk is "Walk your best friend for those who need one" and money raised will go towards training guide dogs for the visually-impaired.

The event's local organizer Diane Dixon said there was \$500,000 raised last year when 30 cities took part in the first-ever national walk for Canine Vision Canada.

"He makes a big contribution in whatever he does and I can't think of anybody who would be better to take over the chairman's role. I think the Friendship Games will grow and I think they've done exceptionally well under Ald. Boschhoff and the rest who have worked so hard over the years."

"It's the only fund-raising event of the year," Dixon explained.

Those wishing to enter can get pledge forms from vets, pet shops, grooming places and boarding kennels. The walk will begin at Boulevard Lake and the dogs and their owners will circle the area.

"People can walk as far as they want in this," Dixon stated.

She stressed that the dogs must be on a lead and kept under control.

New format this week

This week's edition of *Lakehead Living* features a significant change in format.

The old seven-column style has been dropped, and the modern five-column format is now being used on all our pages.

The wider columns make news easier to read. As well, stories are easier to arrange on the pages... giving the newspaper a cleaner, more modern look. For advertisers, the new wider columns give display advertising much more visibility.

We're continuing to refine our efforts here at *Lakehead Living*, as we march on towards twice-weekly publication beginning Oct. 4.

SCRATCH 'N SAVE

Remember's

Crime Stoppers: B & E at local Yacht Club

A break, enter and theft occurred between January and April of this year at the Thunder Bay Yacht Club, located at the Marina in the city's North Ward. An outside storage locker, situated at the end of Pier No. 1, was broken into.

Crime Stoppers

The thief broke the hasp lock securing the locker and removed numerous items to a Lightning sailboat. Missing is a red and white spinnaker sail, a multi-colored "North Sail" spinnaker sail, one white Lightair Jib Sail and a white Standard jib sail. One yellow and red trim floater safety survival suit, two blue North Sail sailing suits and one yellow and orange "stern" lifevest.

All items were marked J Mik or 9871. The security of the lockers has improved, and more frequent checks of the lockers are made by the police on patrol and marine security.

Crime Stoppers will pay up to \$1,000

Meeting

The Northwood Singers will be appearing at St. Paul's United Church "Meeting House" Friday, Sept. 26 from 7:30 to 10:00.

This native group will be singing Gospel Music and sharing their testimonies with all. This promises to be an excellent evening of songs of praise and worship.

The evening is the kickoff for a weekend focusing on "Dialogue with first nations" at St. Paul's United Church at 349 Waverly St.. Food and Refreshments will be served.

The Meeting House is a non-denominational group of Christians gathering for Christian Fellowship, worship and Songs. Whether you have been to a meeting house before or are coming for the first time please come and join us.

Journey to Java

Experience the compelling song and dance of Java, Bali and the rest of Indonesia presented by Canada World Youth's Indonesian Exchange at 8:00 p.m. on Saturday September 27th at the Faculty of Education Auditorium at Lakehead University. This evening of international entertainment is co-sponsored by the Thunder Bay Multicultural Association and the Lakehead University Chinese Students Association and will also feature polished presentations by local ethnic performers. Admission is free.

For more information please contact: Paul Shay, Canada World Youth, 22-8A Cumberland St. N., Thunder Bay, Ontario P7A 4L1, (807) 345-8268, or Moffatt Makuto, Thunder Bay Multicultural Association, 278 Bay St., Thunder Bay, Ontario (807) 345-0551.

Wesway help

this week for information that leads to the arrest of the person responsible for this crime.

Call Crime Stoppers at 623-TIPS, that's 623-8477, if you have any information regarding this crime. You do not have to reveal your identity. Crime Stoppers also pays cash for information on any unsolved crimes in Thunder Bay.

The Crime Stopper Reward fund is raised through tax-deductible contributions from citizens and business. Cheques may be sent to Thunder Bay Crime Stoppers Inc. 425 E. Donald St., Thunder Bay, P7E 5V1.

MEDICAL NOTICE

Thunder Bay Medical Society wishes to announce that its Annual Summer School is being held on **Friday, Sept. 26 & Saturday, Sept. 27**. Your doctor will be attending courses on these dates.

Patients are requested to limit inquiries to emergencies only.

Employment bright in city: Manpower

City employers will continue to hire through the fourth-quarter of 1986, according to the Quarterly Employment Outlook Survey conducted by Manpower Temporary Services.

Twenty-four per cent of employers interviewed earlier this month plan to

hire additional staff while cutbacks are seen by 17 per cent. The remaining 59 per cent expect no change in current employee levels. Those interviewed forecast increased hiring activity as opposed to layoffs predicted by 10 per cent.

Across Canada, 20 per cent employers contacted expect to increase staff while reductions are forecast by 12 per cent. Survey results a year ago showed increases planned by 19 per cent and cutbacks by 12 per cent.
