Welcome to Lakehead University's **55TH CONVOCATION CELEBRATION!**

Convocation is a traditional ceremony during which the University officially grants the degrees and diplomas earned by its students. The word "convocation" means "calling together." It is a ceremonial meeting of the entire University community.

Academic Regalia

On Convocation Day, University members and their guests wear special attire based on a tradition that dates back as long as seven centuries ago. The academic costume, also referred to as academic "dress" or "regalia," had its origins in the medieval European universities. The regalia were devised to distinguish academic persons as doctors, licentiates, masters, and bachelors. There are many variations of academic dress. The hood, gown, and in some cases the special hat worn by an individual are determined by the style of the university where he or she receives a degree. The colourful gowns and hoods of the universities from across Canada, the United States, the United Kingdom, and several other nations of the world are worn at Lakehead University today. The academic dress chosen by Lakehead University is fashioned after that of the University of Oxford, the oldest English-speaking university in the world. The robes worn by the officers of the University – the Chancellor, who presides at convocation, the President and Vice-Chancellor and the Chair of the Board of Governors –

are all of the Oxford cut and trim. Each has its own distinctive colour. The colourful gowns worn by the individuals who are receiving honorary degrees are of the same design as are the black gowns worn by the student candidates. The ritual at convocation reflects the medieval custom that anyone in a university could wear a gown, but a hood was the symbol of a degree. Students who have met the University's academic requirements (three, four, five, six or seven years of study in particular subjects) wear the symbol of their status as holders of a Lakehead University degree. Lakehead University's bachelor's and master's degree hoods are distinguished by a one or two inch colour border which indicates the degree acquired (i.e. white for Arts, gold for Science, blue for Education, burgundy for Nursing, etc).

The Mace

During the processional and the recessional, the Marshal for convocation carries the Mace, a silver wand which is a traditional symbol of the University's authority. This mace was given to the University by the Alumni Association in 1971. It bears the University's motto "Ad augusta per angusta", *Achievement through effort*.

Dr. Moira McPherson
President & Vice-Chancellor

Honorary DEGREES

The University confers "honorary" degrees which symbolize the highest honour that can be conferred upon an individual by the University. An honorary degree may be awarded in recognition of scholarly or creative achievements or distinguished public service to the country or region. They are awarded to individuals who have been designated by the University's Senate, its senior academic governing body a deserving special honour.

At Convocation, the degree is awarded *honoris causa*, or "for the sake of honour". A hood is also given to the recipient and it may be worn to any academic affair. Recipients of these degrees become honorary alumni of the University and they may affix, after their names, the abbreviation of the degree.

This year, Lakehead University is proud to honour the following exceptional individuals:

GWEN O'REILLY

Doctor of Laws

FRIDAY, MAY 31, 2019 • 2PM CEREMONY

In 1977, at the age of 17, Gwen O'Reilly was accepted into the HBS Sc Forestry program at Lakehead University, one of about five women in a class of over 100. A graduate program in Forest Genetics and Ecology and a six-year stint as a Forestry Research Associate followed. Fieldwork confirmed her love of the Boreal Forest. Forestry confirmed her understanding of sexism and homophobia.

On campus, Gwen joined other feminists to start the first women's centre at Lakehead, before the dawn of Women's Studies or sexual harassment legislation. She launched her public education career doing workshops on homophobia. The events following the murder of 14 women students at L'Ecole Polytechnique in 1989 shaped her understanding of gendered violence and the cost of speaking truth to power. This also led to her focus on the institutional response to violence against women and the impacts of systemic racism and sexism. Her work at the Northwestern Ontario Women's Centre continues to emphasize access to justice for all women.

Gwen's interest in ecology has fuelled her enthusiasm for farming and sustainable living. Since 1987, she has been growing her own food, saving seeds and working in the local food security movement. She has administered the Thunder Bay Good Food Box Program since 2005.

After 30 years at a community-based Women's Centre, women have entrusted her with thousands of personal stories of injustice – but also of courage, perseverance, acceptance and love. Their fierce determination to live well continues to inspire Gwen's work.

MARLENE PIERRE

Doctor of Letters

SATURDAY, JUNE 1, 2019 • 9:30AM CEREMONY

Marlene Pierre is an Ojibwe woman from Fort William First Nation who has been an advocate for change in the social, economic and justice conditions of the Anishinabek people across Canada for the past 50 years.

Her primary focus was to improve family life for urban Aboriginal Peoples, Aboriginal women and all children.

Her political career involved active participation in the Canadian Constitutional partition for the inclusion of the Equality Clause and also changes to the Indian Act to end discrimination against women. She has been recognized and awarded for her work by all levels of government, by Aboriginal women's organizations, friendship centres, the City of Thunder Bay and Fort William First Nation.

In her quest for justice, Marlene has been relentless in her work since she was a young woman and pursued many projects from local to national and international in scope. Her outstanding work has long been recognized, including when she was appointed to the Order of Ontario – the province's highest honour – and when she received the Queen's Diamond Jubilee Medal at ceremonies in Toronto, Ont.

TANYA TALAGA

Doctor of Letters

SATURDAY, JUNE 1, 2019 • 2PM CEREMONY

Tanya Talaga is the author of *Seven Fallen Feathers*, which was the winner of the RBC Taylor Prize, the Shaughnessy Cohen Prize for Political Writing, and the First Nation Communities Read Award: Young Adult/Adult; a finalist for the Hilary Weston Writers' Trust Nonfiction Prize and the BC National Award for Nonfiction; CBC's Nonfiction Book of the Year, a Globe and Mail Top 100 Book, and a national bestseller.

She was the 2017–2018 Atkinson Fellow in Public Policy, the 2018 CBC Massey Lecturer, and author of the national bestseller *All Our Relations: Finding The Path Forward*. For more than 20 years Tanya has been a journalist at the *Toronto Star* and is now a columnist at the newspaper. She has been nominated five times for the Michener Award in public service journalism.

Tanya is of Polish and Indigenous descent. Her great-grandmother, Liz Gauthier, was a residential school survivor. Her great-grandfather, Russell Bowen, was an Ojibwe trapper and labourer. Her grandmother is a member of Fort William First Nation. Her mother was raised in Raith and Graham, Ontario. She lives in Toronto with her two teenage children.

Fellow of the UNIVERSITY

The Board of Governors of the University recognizes individuals who have contributed to the growth, development, welfare, and well-being of Northwestern Ontario, Simcoe County and of Lakehead University. This is done by the conferring of the title Fellow of the University. You will recognize University Fellows by their familiar blue gown with white velvet epitoge or scarf.

**This year,

COLIN BRUCE

FRIDAY, MAY 31, 2019 • 2PM CEREMONY

Colin Bruce arrived in Thunder Bay in 1994 to become publisher and general manager of the city's daily newspapers. He merged the two into the *Chronicle-Journal* and changed the newspaper's commitment to the community with a "never say no" response to requests from community groups and charities.

Since 1970, he worked his way through the editorial department ranks at several papers as a reporter, city editor and managing editor before becoming the publisher in Kirkland Lake, then Orillia and ultimately here in Thunder Bay.

He has given his time and energy to the United Way of Thunder Bay, the Thunder Bay Community Foundation, Rotary, the Chamber of Commerce, and Lakehead University's Board of Governors, among others.

Colin spent more than 20 years serving with the United Way, as a member on the board and chair of a successful annual campaign. His service with the board culminated in receiving the Ross Judge Award for volunteerism.

He served on Lakehead University's Board of Governors as a member, vice-chair and then as chair. It was under Colin's leadership when the board led the strategic plan development for the first time. He also led the board to review its size and nature, resulting in a dramatically smaller, more focussed and agile board.

Colin is retired and lives on Lake Superior with his wife, Grace. They have two sons, Jonathan and David, who both live and work in Thunder Bay.
