**STUDENT COUNCELLORS
TOUR NW ONTARIO**

●Orientation Week will be less of a nightmare for first year Lakehead University students from out-of-town in September due to the pioneering efforts of three young people.

Don Evans, Susan Sauvage and Donna Pierce spent the last few weeks travelling to outlying towns in Northwestern Ontario to speak with students who will be entering their first year at the University this fall, and their parents. Registration, off-campus housing, residence living, student awards and social events were some of the subjects covered in the counselling sessions. The purpose of these sessions was to let the younger people know what to expect when they arrive at Lakehead University in order to eliminate some of the confusion during their first week or two.

**NOTICES WILL
BE POSTED FOR
ORIENTATION
EVENTS
(Sept. 14-18)**

**CHANGES TO
CONFRONT STUDENTS
WHEN THEY RETURN**

●A few of the new developments which the students will encounter when they return to Lakehead University in September include:

The walls in THE TUNNEL have been repainted in earthy brown, rust and gold colours which will easily compliment any graffiti the students may wish to place on them this year.

A large brown fence has been built around the men, building materials and machinery on the REGIONAL SCHOOL OF NURSING building which is still in the initial stages of construction.

The students and university personnel who have to use the bus will be pleased to know that a BUS SHELTER has been built beside the wall of the Nursing Building.

ADMINISTRATIVE OFFICES have been built in the University Centre in the area formerly used for art exhibits (alias the Senior Lounge).

CORRECTIONS

FROM THE EDITOR:

●This is my final issue of LU WEEK since I will be leaving Lakehead University at the end of the month for employment in Toronto. I'd like to take this opportunity to say goodbye to the many people I've met during my 38 months at the University. In particular, I would like to wish the marvelous people in the Black Shack 'peace and happiness'.

Judy Breakey

LU WEEK is published every second week during July and August by the Dept. of Information Services at Lakehead University, Oliver Road, Thunder Bay, Ont. and distributed free of charge to faculty, students, administrative staff and friends of the University. Copy should be sent to the Information Office by 5 p.m. on Wednesday for publishing in the following WEEK.
