MESSAGE FROM THE LAKEHEAD UNIVERSITY BUSINESS ASSOCIATION PRESIDENT

On behalf of the Lakehead Business Association, I would like to welcome all new and returning students to the business school.

1993 marks the year of the second annual L.U.B.A. handbook. Last year, students found the handbook very helpful and interesting. This year we wanted to make it better.

Our goal was to make this handbook both practical and professional. The book contains information which we thought would be beneficial to every student in the school. We did not want to reproduce the Lakehead University Calendar. We wanted to give the business students a guide that only pertains to them.

This year promises to be a very exciting and rewarding year for everyone here at the business school. However, good things only happen to those who MAKE things happen. Get involved and make this school year the best one yet!

I wish you all the best of luck this year and I hope to see you all at the back to Business Bash on September 24!!!

Jennifer Milne
President, L.U.B.A.

L.U.B.A EVENTS AND ACTIVITIES

INITIATION - SEPTEMBER 24

Look out first year business students...have we got a surprise for you! On September 24, after orientation in the upper lecture theatre, the official business initiation will begin. Initiation will not only be an experience you will never forget but it will also be a great way to meet new people and make new friends.

BACK TO BUSINESS BASH - SEPTEMBER 24

The Back to Business Bash is the biggest party of the year. This party is sure to get everyone back into the partying mode. This year the party will be held at the ORTONA FROM 8pm TO 1am. Every year this party has been a sell out so make sure to get your tickets early. You don't want to miss the GREAT EVENT!!

HALLOWEEN HOWL - OCTOBER 29

Have you thought of a costume yet? Halloween is soon approaching and the place to party is L.U.B.A.'s annual Halloween Howl! You are sure to run into some shifty characters, maybe even Elvis.

WINE AND CHEESE - LATE NOVEMBER

This social event is the last chance you will have to do a little brown nosing before you write your dreaded final exams. The Lakehead University Alumni and faculty will be there to mingle and chat with the students. This is a great opportunity to relax and unwind a little before the serious studying must begin.

"If you had your life to live over again, you'd need more money."

- CONSTRUCTION DIGEST

BACK TO BUSINESS BASH II - JANUARY 14

After a few weeks of holidays we need another party to get back into the studying mode. This party is sure to do the trick! The bash will be a lot like the first one...but only BETTER!!!

BOWLING - OCTOBER & FEBRUARY

Bowling is one of the social highlights of the school year. Last year everyone had a great time laughing and chuckling at some of the inexperienced bowlers. However, those inexperienced bowlers discovered what they had been missing over all these years.

BINGO

BINGO!!! Yes we have another winner!!! Bingo is a great way to lose so of that frustration that has built up over the last few months here at L.U. and maybe even win a little money.

YEAR-END SEMI FORMAL - MARCH 25

The royal event of the year! This formal is the last event of the school year and the whole business school is invited. The night will consist of great food and music. The night is sure to create lasting memories for all business students and send the 93-94 academic year out with a bang!

L.U.B.A. HOUSES

Last year was the beginning of a new comradeship amongst the business students here at L.U. Each year level joined together to form a team rather than competing against one another by year level. this new found friendship was the result of the "HOUSE SYSTEM".

For those first year students who do not know what the "HOUSE SYSTEM" is, let's take a moment to review. The system is made up of four different houses, RED, GREEN, YELLOW, and BLUE. Each house consists of the same number of first, second, third and fourth year students who are enrolled in the 93-94 academic year. Each student will be given a coloured sticker for the back of their students card to identify which house he or she belongs to. Each student will generate points by either organizing or participating in L.U.B.A. sponsored events and activities.

For Example:	Best Bowler	15 points
	Best Team	10 points
	Funniest Team	10 points
	Participation	5 points

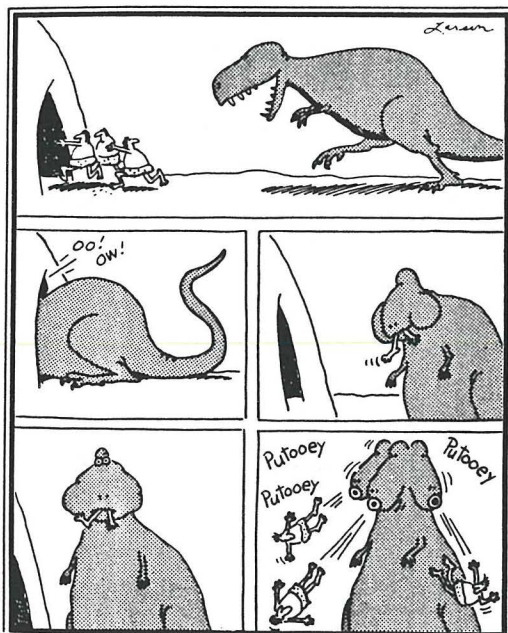

Every two weeks the total points earned per team will be displayed in the L.U.B.A. showcase.

Students are encouraged to volunteer and participate in L.U.B.A. events because there are many rewards and benefits from doing so. There are chances of receiving discounts on event passes or clothing. The top 3 individuals in each house will also be rewarded for their time and effort put in to making our events and activities a success.

HOW TO GET INVOLVED IN YOUR BUSINESS SCHOOL

Lakehead University is constantly looking for new and innovative people to join its clubs and participate in organized events. In the business school, L.U.B.A., ACE (Association of Collegiate Entrepreneurs) and AIESEC (International Association of Economic and Commerce) are the clubs to join. We are always looking for volunteers and class reps to help and participate in the many events and activities throughout the year. Not only is participating fun and a great way to meet new people, it also a valuable asset to your resume.

Make sure you contact any member of the L.U.B.A. committee and let him or her know that you are available. Your help will not only be appreciated but improve the success of the events. Only you can make a difference.

THINGS YOU WANT TO KNOW!!

ACADEMIC ADVISING

The business school is filled with academic advisors... your professors. They are always willing to help you choose the correct courses and put you on the right track. Each professor has either open or scheduled office hours. Check with your professor to find the most suitable time for both of you to discuss your academic career. If a professor is not available when you need counselling, your program chair, Jan Thatcher (1 & 2yr) or Richard Glew (3 & 4yr) is available.

ADDING OR DROPPING A COURSE

Changing one's schedule and work load is a serious matter. You must remember that you can only add or drop courses before certain dead lines. The deadline to add fall half courses and full year courses is September 22. The deadline to drop fall half courses without academic penalty is November 8. For winter half courses, the deadline to add is January 13 and to drop is March 1. The deadline to drop full year courses is February 8. In order to drop or add a course, you must fill out a form which can be picked up at the Registrar's Office. After filling the form out, have your program chair sign the sheet and then submit the form to the Registrar's Office.

"The best cure for insomnia is a Monday morning."
- SANDY COOLEY

CHOOSING COURSES

The L.U. Calendar supplies each student with a detailed outline of the required courses needed to complete his or her degree. It is the responsibility of each student registering at Lakehead University to be familiar with the specific requirements of the degree, diploma, or certificate which he/she seeks. Each student is responsible for ensuring that the courses in which registration is effected satisfy the program requirements of the degree sought. Advice and counselling for all who need assistance are freely available. For more information regarding either the Honours Bachelor of Commerce Degree or the Bachelor of Administration Degree, please refer to page 113 of the L.U. Calendar.

FINAL EXAMINATIONS

The final exams schedule is posted on the bulletin boards in the Agora of the University Centre. They are usually posted in late October, early November. If you have a conflict with two or more of your final exams, you must fill out a form and return it to the scheduling office which is located in the University Centre, next to the Registrar's Office. You will then be notified as to when you will write your exams.

GRADUATION

Students must apply to graduate and obtain their degree. The final date to apply for graduation is February 4, 1994. The applications can be picked up outside the Registrar's Office. There is a \$30 application processing fee.

"Speak the truth, but leave immediately after"
- SLOVENIAN PROVERB

SCHOLARSHIPS

Starting on page 227 of the L.U. Calendar, there is list of all the scholarship and bursaries available to the students of Lakehead University. Last year the university was left with an abundant number of scholarships that were not issued to the students. This was the result of a lack of applicants and interested students. It would be in your best interest to take a look at the scholarships and awards available. You may be able to receive an award that may help pay for your university education.

SUPPLEMENTAL EXAMS

Students must apply to write a supplemental examination. The applications can be found outside of the Registrar's Office. The deadline to apply for special exams written on January 22, 24 is January 10. The deadline for special exams written on July 19, 20, 21 is June 17. There is a fee of \$27 per exam which is non-refundable. The supplemental exam schedule will be posted in the Agora on the bulletin boards. Please refer to page 22 and 112 of the Calendar to see if you qualify to write a special exam.

"OK, but only until I find someone better."

WHAT DO I DO IF I MISS AN EXAM OR TEST???

PROBLEM: I slept in! My exam has already started!

SOLUTION: Immediately call your professor and let him or her know about the situation. A solution will be found based on the discretion of your professor.

PROBLEM: I am not feeling very well. I do not think I will be able to write my exam.

SOLUTION: Call your professor and let him or her know that you are feeling under the weather. The next best move would be to get a note from your family doctor. By obtaining a doctor's note you will be able to prove that you were ill and not trying to get out of his deadly midterm exam. You and your professor must then discuss what course of action must be taken next.

PROBLEM: I have to work!

SOLUTION: You should have booked it off!! Most professors do not have any sympathy for the student who has to go to work rather than show up for their exam. Each professor usually gives his or her students enough warning before each exam or test to allow the students to plan their work schedule around their tests.

PROBLEM: My car would not start...I had a flat tire...I was in a car accident...

SOLUTION: Bring the situation to your professor's attention immediately rather than waiting until a few days have passed. The longer you wait, the worse the situation will become. Call your professor as soon as you are able to get to a phone. In the end, the final decision concerning lost marks will be made by your professor.
