

BABEL

AUG. 19-22

●A play entitled "Babel" will be presented in the University Centre Theatre on August 19 - 22 by the Ontario Youththeatre's Summer Company '70.

Approximately 90 young people - actors, designers, musicians and dancers - from across Ontario are included in the company which is presently making a 3,000 mile tour of the province with this production.

The play was especially written for them by G. V. Galwey and it deals with the self-destruction of man through the misuse of power on the one hand, and the blinding effects of greed on the other, both stemming from man's inability to understand his basic needs or to put them into perspective.

Tickets for the production are \$1 for students and \$2 for adults. They are available at the University Bookstore and the AMS Office. "Babel" begins at 8:30 p.m. each night.

NEW APPOINTMENTS

Mr. John G. Coolen, M.Sc. (UNB) Assistant Professor, School of Engineering

Dr. Ian M. Hoodless, Ph.D. (Durham) Professor, Dept. of Chemistry

Mr. Norman Bonsor, M.A. (Connecticut) Lecturer, Dept. of Economics
Mr. Gerald Hashiguchi, B.Sc. (Lakehead) Jr. Lab. Technician, Dept. of Biology

Mr. John Hansen, Programmer, Administrative Programming Dept.

Mr. Dave Wotton, Laboratory Technician, School of Forestry

Dr. Prem K. Gupta, Ph.D. (Alberta) Assistant Professor, Faculty of Education

Mr. John C. Warkentin, M.A. (Waterloo) Assistant Professor, Dept. of Mathematics

Dr. John H. Wise, Ph.D. (Iowa) Associate Professor, Faculty of Education

Mr. Donald Richardson, M.Sc.F. (UNB) Lecturer, School of Forestry

Mr. Gerardus Vervoort, M.S. (Iowa) Assistant Professor, Faculty of Education

Mr. Victor C. Smith, M.A. (Western) Lecturer, Dept. of History

Dr. Hugh N. McLeod, Ph.D. (London) Associate Professor, Dept. of Psychology

Mr. James P. Lovekin, B.Ed. (Toronto) Assistant Professor, Faculty of Education

Mr. Earl R. Misanchuk, M.Ed. (Alberta) Assistant Professor, Faculty of Education

Mr. Guiseppe C. Ruggeri, M.A. (Michigan) Assistant Professor, Dept. of Economics

Mr. Peter J. Rutherford, B.Ed. (PE) McGill, Assistant Professor, Faculty of Education

Mr. Clifford Morrison, Program Trainee, Computer Dept.

Dr. George K. Fleming, Visiting Associate Professor, School of Engineering

NOTED SCIENTIST TO CONDUCT RESEARCH STUDIES AT L.U.

●Dr. Dimitar G. Klissurski, an eminent European scientist, will be spending one year at Lakehead University to associate himself with the research studies of Dr. Ross, Dean of Science, in surface chemistry. He will arrive at the university in September.

Dr. Klissurski is a senior Research Fellow in the Bulgarian Academy of Sciences, Sofia. He has published three books and more than 30 papers in heterogeneous catalysis and adsorption in recent years and he has delivered papers at international conferences in Germany, Rumania, Italy, Russia and Britain, as well as his own country. He speaks fluently in French, Russian, English and the Slavic languages.

While at Lakehead, Dr. Klissurski will also visit the University of Ottawa, McMaster University and the National Research Council to meet Canadian scientists working in his area of study.

Dr. Dimitar G. Klissurski

CAMPUS NOTES

●Mrs. Leone Wilcox, Secretary-Manager of Lakehead University's Dept. of Music and the Lakehead Symphony Orchestra for the last two years has resigned her position to become Orchestra Manager for the Atlantic Symphony in Halifax. Her new duties will include continuous touring throughout the Maritime Provinces with the Orchestra.

Well known pianist Douglas Dahlgren has been appointed Musician-in-Residence at the University.

His duties will include the instruction of musical theory and appreciation as part of the Faculty of Arts Humanistic Studies series in addition to the organization of a series of public concerts at the university and other locations in the community.

Mr. Dahlgren has a degree in music performance from the University of Toronto.

Mr. John Barnum 23, has been appointed as an assistant

to Music Director, Boris Brott. Mr. Barnum has studied viola, violin and piano in Guelph and Toronto where he graduated with a Bachelor of Music Education. He has spent four years as a violist with the National Youth Orchestra of Canada and four years in the Hamilton Philharmonic.

●The twelve students who attended Lakehead University's Spanish courses at the Latin-American Centro Introcultural De Documentacion (CIDOC) at Guenevaca, Mexico have all successfully completed their six week program. They will return to Thunder Bay this week with their instructor, Mr. L. Diez, Assistant Professor of Languages at Lakehead University.

●Mr. Marco-Colina, Assistant Professor of Hispanic Studies at Lakehead University has been appointed to a joint committee for Latin American Studies involving representatives from all Canadian Universities. The Committee will assess the feasibility of creating an Inter-university Canadian Centre for Latin-American studies in Latin America.

NEW RESIDENCE ASSISTANTS APPOINTED

●The Director of Residence, Gordon D. McLeod, recently announced the appointment of 12 Residence Assistants for the coming academic year. They include:

Women's Residence

Marya Zajac
Dale Robb
Madeline Agnew

Men's Residence

Ron McKnight
Bill Spriggs
Preston McKeever
Richard Henderson
Douglas Robson
Peter Gorman
Maurice Richard
Douglas Smart
Jim Gellert

"All Residence Assistants are students at Lakehead University," commented Mr. McLeod. "This is in keeping with the concept of the Residence which is student financed and, to a great extent, operated under student government in the form of the Residence Council."

Since this is the first year that all of the residence houses are complete for the beginning of the new fall term, it is also the first time that the full number of Residence Assistants has been appointed.

Applications for the positions of Residence Assistants were circulated throughout the University last January. The 12 applicants who were accepted were chosen because of their experience in residence living, maturity and proven leadership abilities.

Each Residence Assistant will be responsible for the life of approximately 48 students in

his House. He will be required to give them leadership in formulating their plans for the operation of the House; assist them in setting up activities and committees for the benefit of all students within the Residence and offer counselling and guidance, especially to first year students, in academic, social and personal problems. In addition each Assistant will have a responsibility in one specific area in the overall residence operation.

More Student Involvement in Residence Operation

Since the operating expenses of the Residence are completely covered by the fees from regular and summer session students, in addition to income from conferences and temporary accommodations, it is only fitting that students should be involved in the administration of these funds and the organization of residence living. An example of this involvement occurred last spring when members of the Food Committee of the Residence Council participated in the food contract negotiations.

The income from fees must meet all costs of mortgage payments, maintenance and housekeeping, food services and administrative costs. It is the University's policy to set these fees so that the Residence does not run at a loss - nor does it make a profit.

Mr. McLeod and his assistants are hopeful that student participation in the operation of the Residence will increase through the workings of the Residence Council and its various committees.

The RESIDENCE ASSISTANTS are responsible for assisting the students in his (or her) House in organizing their life pattern and in establishing reasonable arrangements to allow everyone the freedom to rest and study.

Residence students are allowed unlimited helpings of food in their cafeteria.

LU WEEK is published every second week during July and August by the Dept of Information at Lakehead University, Thunder Bay, Ontario.
